and attractive way is sure to be the boater's godsend. Electrics are a notoriously tricky aspect of boat ownership and maintenance both critical to the operation of the yacht or motorboat and prone to breaking down in the damp atmosphere and bouncy conditions. This is the book that will take owners through all the likely problems and solutions including making new installations of equipment, reviving an old boat and correcting electrical faults on their current craft. Equally useful for yacht or motorboat owners and illustrated with helpful photos, detailed close-up shots, step-by-step exploded diagrams and instructions, this is a book every owner should keep aboard.

Official Gazette of the United States Patent and Trademark Office, 2002 **Mercury Stern Drive (1964 - 1992)** Seloc, 1999-05-01 SELOC Marine maintenance and repair manuals offer the most comprehensive authoritative information available for outboard inboard stern drive and diesel engines as well as personal watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974.
