Three years after his marriage ended in dramatic fashion Noah Coleman has one goal to steer clear of romantic entanglements In fact he steers clear of most human interaction studiously avoiding his large meddling extended family working until he s exhausted and then repeating the pattern day after day His strategy has worked well for him for years keeping him sealed off from anything that can cause him pain or angst Or it was working for him before his company was hired to rebuild the Admiral Butler Inn after a fire reduced it to rubble and he was forced to co exist with the exasperatingly difficult gorgeous architect the inn s owner Mrs Hendricks hired to oversee the project While nursing a badly broken heart Brianna Esposito is determined to complete the Butler Inn construction under budget and on time and to make partner in the Boston firm where she s been working fourteen hours a day for five years Nothing is going to stop her from achieving her goal especially a cranky contractor with the people skills of a rabid cougar Noah Coleman is the most exasperating human being she s ever had the misfortune to tangle with She s never had screaming

fight with anyone the way she does him and the fact that he's also the sexiest man she's ever met makes it that much more difficult to hold her ground. When Mrs. Hendricks intervenes and orders the two of them to resolve their differences, Brianna is stuck having dinner with the man she wants to stab one minute and kiss the next. And will he ever tell her why he's so bitter and angry? Brianna suspects the answer to that question could also be the key to his well-protected heart. Come back to Butler, Vermont, to find out if these two adversaries will give in to the sparks that've been flying between them for months or if they'll finally succeed in driving each other crazy.

**State of Alert** Marie Force, 2024-12-25 Great characters, awesome storylines, an extremely difficult book to put down after the first pages. Lots of laughs, a few tears on occasion, but just the most enjoyable read. Amazon reviewer. The first couple is on full alert, deflecting new threats from near and far. Lieutenant Sam Holland has seen just about everything as a D.C. homicide detective, but she's never been asked to lie to her closest colleagues and her husband until now. With national security on the line, Sam makes a deal with the devil that quickly comes back to haunt her as she assists in a baffling case that leads right back to the Oval Office, where her husband is mourning the loss of his trusted aide, Navy Lieutenant Juan Rodriguez. For President Nick Cappuano, the betrayal cuts deep. The military advisers he inherited from the Nelson administration plotted to remove him from office, and now the young man who warned him of their deceit is dead. But nothing is as it appears, and with the NCIS building a case against the disgraced Joint Chiefs, Nick is forced to carry on with the duties of his office while wondering who's coming for him next. Sam no sooner gets one situation under control when another murder victim requires her full attention. A woman tied to an earlier cold case is found dead in her home in a case that'll have Sam and her team digging deep into the past to find a ruthless killer while wondering if they should be looking much closer to home for the person who wanted her dead. As if they didn't have enough to worry about, a new threat to their happy family has them considering drastic measures to protect the ones they love the most. While storms rage all around them, Sam and Nick take refuge in each other and find the strength they need to carry on.
