Project Management beyond Waterfall and Agile Mounir Ajam, 2018-01-02 This book goes beyond the paint by numbers approach transcending the how of project management to the what and why which is critical for leaders of change. Dr Joel B Carboni President and Founder GPM Global and President IPMA USA Project Management beyond Waterfall and Agile presents a flexible universal and integrated three dimensional model for managing projects the Customizable and Adaptable Methodology for Managing Projects™ CAMMPTM. By tailoring and customizing the model to a specific industry or organization and by adapting it to a function or project classification this model can be used to manage any project.
