The incarnation.-v. 7. The passion and exaltation of Christ.-v. 8. The church and the sacramental system.-v. 9. The sacraments.-v. 10. Eschatology; indexes** Francis Joseph Hall,1907 *The Person of Christ* Stephen J. Wellum,2021-01-15 From beginning to end Scripture unveils from shadow to reality that Jesus is God the Son incarnate Some people think of Jesus as a great prophet or a wise philosopher others see him as an important religious leader or even a revolutionary In this addition to the Short Studies in Systematic Theology series Stephen Wellum challenges these claims as he argues for the divinity of Jesus according to Scripture and in line with creedal Christianity In this brief introduction we are invited to rejoice in the centrality of Christ who as both God and man reconciles us to God

Providence Made Flesh Terry J. Wright,2009-11-01 Traditional discussions of the Christian doctrine of providence often center on the relation between divine agency and human freedom seeking to offer an account of the extent to which a person is free before God the first cause of all things Terry J Wright argues that such riddles of causation cannot determine the content of providence and suggests a unique and alternative framework that depicts God's activity in terms of divine faithfulness to that which God has made Providence is not God as first cause acting through creaturely secondary causation rather providence is God's sovereign mediation of the divine presence across the whole world achieved through creaturely faithfulness made possible and guaranteed by his own faithful action in Jesus Christ Exploring Christian Ethics Craig Hovey,2018-07-18 A fresh engaging and thoroughly biblical account of Christian ethics for the twenty first century Studying Christian ethics tends to involve talking about what we should or more often shouldn't do The aim of this book however is to explore Christian ethics within a wider more positive framework one that encourages a joyful way of living that flows naturally out of the abundant goodness of God's life and

character as revealed in Christ      Various Views of the Higher Christian Life: Practical Discourses ... With an Introduction by the Rev. W. Antliff William Dent (Primitive Methodist minister.),1876      **The Glory of God in the Face of Jesus Christ** David K. Bernard,2019-05-21 There is now a substantial scholarly consensus for the emergence of a high or divine Christology very early and from a Jewish context but the questions of how and why need further study Within the framework of traditional Jewish monotheism Paul and other early Christians used the language of deity to describe Jesus To investigate their view of Jesus the author examines Paul s discourse in 2 Cor 3 16 4 6 employing insights from rhetorical criticism and Oneness Pentecostal Christology He explains how early Christians proclaimed the deity of Jesus within their monotheistic Jewish context He then identifies socio rhetorical reasons for and practical consequences of the monotheistic deification of Jesus      **Introduction to Christian Doctrine** Herman A. DiBrandi,1976      *Reconfiguring Thomistic Christology* Matthew Levering,2023-03-30 In this book Matthew Levering unites eschatologically charged biblical Christology with metaphysical and dogmatic Thomistic Christology by highlighting the typological Christologies shared by Scripture the Church Fathers and Aquinas Like the Church Fathers Aquinas often reflected upon Jesus in typological terms especially in his biblical commentaries just as the New Testament does Showing the connections between New Testament Patristic and Aquinas own typological portraits of Jesus Levering reveals how the eschatological Jesus of biblical scholarship can be integrated with Thomistic Christology His study produces a fully contemporary Thomistic Christology that unites ressourcement and Thomistic modes of theological inquiry thereby bridging two schools of contemporary theology that too often are imagined as rivals Levering s book reflects and augments the current resurgence of Thomistic Christology as an ecumenical project of relevance to all Christians      **Ten Biblical Concepts** Yung Y. Yang,2025-05-15 This book focuses on ten biblical words or concepts faith doubt sin salvation the kingdom of God election and predestination repentance death and the afterlife heaven and hell and eternal life Each entry begins with an introduction followed by common misconceptions clarifications corrections and debunking Then word studies biblical studies relevant theologies insights and practical implications shed further light on each word With its balanced and scholarly approach this guide empowers readers to grasp the nuances of these essential concepts enhancing their spiritual journeys and encouraging deeper engagement with Scripture It serves as an indispensable resource for those committed to strengthening their theological foundations and applying these insights to their daily faith walk      *T&T Clark Handbook of Christology* Darren Sumner,Chris Tilling,2025-06-26 This comprehensive work collects more than 30 essays from leading biblical scholars and systematic theologians to explore the person and work of Jesus Christ in a generously interdisciplinary manner From research foundations and method to the doctrine of the incarnation from the Trinity to the resurrection and from Christ s temptations to his high priestly prayer these essays seek to engage constructively with Scripture the history of Christian teaching and modern proposals and debates Together this international group of scholars engages such topics as Christ s preexistence his constitution as the God human his

temptations and will the hypostatic union the prayer of John 17 the struggle in Gethsemane kenosis the two states and threefold office Spirit Christology impassibility and the cross resurrection and the diversity of the New Testament witnesses to him This is an indispensable volume for the study of Jesus Christ in the subject's biblical historical and doctrinal contours

**Introduction to the Devout Life** Francis De Sales, 2007-12     Jewish Temple Theology and the Mystery of the Cross  
Richard J. Barry IV, 2023-10-13 On the Day of Atonement two goats were brought before the high priest at the temple One was chosen as the goat for the Lord a spotless sacrifice and the other was set aside for Azazel doomed to bear sins into the wilderness Jewish Temple Theology and the Mystery of the Cross shows how a theological appreciation for the two movements of Yom Kippur makes it possible to identify the paradox at the heart of Christian soteriology in his single atoning act Jesus Christ fulfills the work of both goats without confusion without division Appreciation for this paradox helps illuminate many of the doctrinal debates in the history of Christian soteriology and offers a compelling way forward Jewish Temple Theology and the Mystery of the Cross begins with a survey of biblical geography first a rich theological pilgrimage to Mount Zion the home of beauty goodness and truth and then to the surrounding desert the wilderness of sin and sorrow To appreciate the Yom Kippur liturgy and to understand the priestly word atonement one must be oriented by this cosmic stage Drawing on the best modern historical critical scholarship this volume reveals the wonders hidden in Leviticus and shows how a sophisticated theological interpretation of this book leads to breakthroughs in our understanding of Christ's saving work Seeing the mystery of the cross from the perspective of the ancient Jewish scriptures has surprising results For example Richard Barry shows how Hans Urs von Balthasar's controversial theology of Holy Saturday is a compelling development of Azazel goat soteriology it is not only biblically licit but is in some ways mandated by the logic of Yom Kippur At the same time David Bentley Hart is celebrated for the way he powerfully advances modern YHWH goat soteriology yet obedience to the logic of Yom Kippur also necessitates a nuanced biblical critique of his muscular universalism How can Christ fulfill the seemingly contradictory movements of both goats in a single saving work Grappling with that question Jewish Temple Theology and the Mystery of the Cross seeks to draw nearer to the heart of the mystery of salvation

**Putting Jesus in His Place** Robert M. Bowman, Jr. Ed Komoszewski, Putting Jesus in His Place is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others
