Pass The 63 - 2015(tm) Robert M. Walker, 2015-03-20

Trying to pass your Series 63 Exam? *Pass The 63* is written with the reader always in mind. This Series 63 exam study guide uses Plain English and concise explanations as it ticks off the items mentioned on the NASAA Series 63 exam outline point by point. To reduce your frustration in obtaining your Series 63 license, we try to make sure each sample question in our *Pass The 63* Online Practice Question Bank is explained within this textbook. In fact, we encourage you to use this study guide while working through the Series 63 sample questions. When you encounter a tough practice question, you can quickly and easily look it up in this textbook in order to come away from the question with a deeper understanding of the topics involved. Remember that the Series 63 license exam is not a memorization test but rather a competency exam. Too many Series 63 exam candidates go to the testing center expecting to simply recognize a few vocabulary terms when in fact passing your test requires you to work with the information at a much deeper level. That's why we explain things in a way you'll both understand and remember at the testing center. It takes more work on our end, but we feel our job is to make things easier on your end. We also take what you learn in the pages of this Series 63 exam study guide to a higher level by presenting you with over 450 challenging questions in our test bank. However, our sample questions are not designed to merely trick you, which most people find discouraging and confusing at best. Rather, our Series 63 sample questions are designed to help you learn the information as you improve your ability to eliminate the incorrect answer choices you will see when taking the Series 63 exam.
