

EMERGENCY: PRIORITIES

Always keep in mind your primary responsibilities as a Visit Leader:

1. Keep your group safe.
2. Prevent the situation getting worse.
3. Promote recovery and safe return.

It's also **important** that you:

- do not discuss fault or liability
- do not discuss details
- get witness details
- take photographs
- do not disturb

KEEP A RECORD
who, what, when, where, how

WHO TO INFORM

Call your Emergency Contact if any of the following apply:

- You need support
- The emergency is serious
- The emergency is ongoing

Tell your emergency contact:

FIRST AID

REMEMBER: The aims of First Aid are to:

1. Preserve life:
 - Casualties need to be able to breathe
 - Unconscious put them into a safe position
 - Try to find and stop any serious bleeding
2. Prevent the condition worsening:
 - Protect the casualty from the weather
 - Keep them warm and dry
 - Monitor their condition
3. Promote recovery:

Webster,E. Töpfer,F.R. Klauser,2012-10-04 Video surveillance systems often referred to as closed circuit television CCTV have become a defining feature of modern life Their widespread use by many different agencies for a range of purposes is no longer surprising and is generally accepted in most European countries Although broad academic interest accompanied the proliferation of CCTV in the mid to late 1990s issues of governance and public policy are rarely explicitly addressed by social scientists and many of the concerns raised during the debate which followed the video surveillance revolution remain unanswered and are as pertinent today as they were then This book brings into focus the ways in which the implementation of cameras and systems and their operation and technical features are the product of decisions and policies made in a variety of contexts and by a variety of authorities and interested parties It examines the cultural context in which cameras are deployed and explores how this context can shape their diffusion and use The book places particular emphasis on studies of video surveillance in different national institutional cultural and linguistic settings The book is divided into two parts The chapters in part one are theoretically informed contributions from a variety of academic disciplines Part two consists of five case studies which are less theoretical and more descriptive but which offer

important insights for the governance of video surveillance cameras Providing a fascinating study of the wider implications of video surveillance and its pervasive use this book will be of interest to all those interested in how this phenomenon affects all of us in society today *Total Surveillance* John Parker, 2000 Big Brother is no longer fiction and lives of ordinary individuals and businesses as well as terrorists subversives and criminals are being recorded in every detail This book makes public for the first time The alarming effect computer technology has had on our privacy The CCTV capital of the world with more cameras per square mile than anywhere else on earth is the UK this book highlights the implications of CCTV for personal freedom The UK and USA operate a secret worldwide listening operation involving MI5 GCHQ and the Secret Intelligence Service M16 What today's spies do and who they investigate The largest spy station in the world is located at Menwith Hill in North Yorkshire and ECHELON system can capture and analyse virtually every landline and mobile phone call fax or e mail anywhere in the world Private communications from organisations like Rolls Royce and Marconi and telephone calls of individuals European trades unions and US congressmen have been intercepted via the spy station at Menwith Hill Princess Diana and Dodi Fayed were tracked in their last days and their conversations recorded Why the Data Protection Act is too little too late **Surveillance in Europe** David Wright, Reinhard Kreissl, 2014-09-19 Surveillance in Europe is an accessible definitive and comprehensive overview of the rapidly growing multi disciplinary field of surveillance studies in Europe Written by experts in the field including leading scholars the Companion's clear and up to date style will appeal to a wide range of scholars and students in the social sciences arts and humanities This book makes the case for greater resilience in European society in the face of the growing pervasiveness of surveillance It examines surveillance in Europe from several different perspectives including the co evolution of surveillance technologies and practices the surveillance industry in Europe the instrumentality of surveillance for preventing and detecting crime and terrorism social and economic costs impacts of surveillance on civil liberties resilience in Europe's surveillance society the consequences and impacts for Europe of the Snowden revelations findings and recommendations regarding surveillance in Europe Surveillance in Europe's interdisciplinary approach and accessible content makes it an ideal companion to academics policy makers and civil society organisations alike as well as appealing to top level undergraduates and postgraduates **The Unaccountable State of Surveillance** Clive Norris, Paul de Hert, Xavier L'Hoiry, Antonella Galetta, 2017-01-24 This book examines the ability of citizens across ten European countries to exercise their democratic rights to access their personal data It presents a socio legal research project with the researchers acting as citizens or data subjects and using ethnographic data collection methods The research presented here evidences a myriad of strategies and discourses employed by a range of public and private sector organizations as they obstruct and restrict citizens attempts to exercise their informational rights The book also provides an up to date legal analysis of legal frameworks across Europe concerning access rights and makes several policy recommendations in the area of informational rights It provides a unique and unparalleled study of the law in action

which uncovered the obstacles that citizens encounter if they try to find out what personal data public and private sector organisations collect and store about them how they process it and with whom they share it These are simple questions to ask and the right to do so is enshrined in law but getting answers to these questions was met by a raft of strategies which effectively denied citizens their rights The book documents in rich ethnographic detail the manner in which these discourses of denial played out in the ten countries involved and explores in depth the implications for policy and regulatory reform
