Sa Defence Army Application Forms 2015

**The International Institute for
Strategic Studies (IISS)**

Sa Defence Army Application Forms 2015:

South Africa and United Nations Peacekeeping Offensive Operations Antonio Garcia, 2018-08-17 The creation of the Force Intervention Brigade FIB as the sharp tactical edge of the United Nations Stabilisation Mission in the Democratic Republic of the Congo MONUSCO tasked with the neutralising of armed groups was a watershed moment in the history of modern peace missions What was more significant was that sub Saharan national leaders were instrumental in the creation of the FIB South Africa Tanzania and Malawi but lacked the resources to deploy such a force and consequently the brigade was deployed under the banner of the UN With the legacy of an African Renaissance and its role in the conception of the FIB South Africa remains a critical player in international peace and security in sub Saharan Africa and therefore holds a key strategic role in achieving the FIBs objectives This comes at a critical time where blue helmets are increasingly exposed to complex and challenging security contexts The aim of this work is to provide a conceptual model for South African military future operations and UN offensive peacekeeping operations In this undertaking a layer of military and Clausewitzian theory is added to offensive peacekeeping operations Furthermore there are sections on operational constructs capstone and operating concepts doctrine and structural elements as well a section on mine action This book contributes towards an understanding of the nature of modern strategy through the lens of UN offensive peacekeeping operations and provides insights into operational challenges

South Africa's Post-Apartheid Military Lindy Heineken, 2020-01-01 This timely book examines how the South African National Defence Force has adapted to the country's new security political and social environment since 1994 In South Africa's changed political state how has civilian control of the military been implemented and what does this mean for defence in a democracy This book presents an overview of the security environment how the mission focus of the military has changed and the implications for force procurement force preparation force employment and force sustainability The author addresses other issues such as the effect of integrating former revolutionary soldiers into a professional armed force the effect of affirmative action on meritocracy recruitment and retention military veterans looking at the difficulties they face in reintegrating back into society and finding gainful employment gender equality and mainstreaming the rise of military unions and why a confrontational instead of a more corporatist approach to labour relations has emerged HIV AIDS and the consequences this holds for the military in terms of its operational effectiveness In closing the author highlights key events that have caused the SANDF to become lost in transition and transformation spelling out some lessons learned The conclusions she draws are pertinent for the future of defence security and civil military relations of countries around the world

South Africa's Defence Industry Greg Mills, Martin Edmonds, 2001

Geopolitics and Development Marcus Power, 2019-01-25 Geopolitics and Development examines the historical emergence of development as a form of governmentality from the end of empire to the Cold War and the War on Terror It illustrates the various ways in which the meanings and relations of development as a discourse an apparatus and an

aspiration have been geopolitically imagined and enframed The book traces some of the multiple historical associations between development and diplomacy and seeks to underline the centrality of questions of territory security statehood and sovereignty to the pursuit of development along with its enrolment in various b ordering practices In making a case for greater attention to the evolving nexus between geopolitics and development and with particular reference to Africa the book explores the historical and contemporary geopolitics of foreign aid the interconnections between development and counterinsurgency the role of the state and social movements in re imagining development the rise of re emerging donors like China India and Brazil and the growing significance of South South flows of investment trade and development cooperation Drawing on post colonial and postdevelopment approaches and on some of the author s own original empirical research this is an essential critical and interdisciplinary analysis of the complex and dynamic political geographies of global development Primarily intended for scholars and post graduate students in development studies human geography African studies and international relations this book provides an engaging invaluable and up to date resource for making sense of the complex entanglement between geopolitics and development past and present

The Military Balance 2021 The International Institute for Strategic Studies (IISS),2021-02-25 Published each year since 1959 The Military Balance is an indispensable reference to the capabilities of armed forces across the globe It will be of interest to anyone interested in security and military issues and is regularly consulted by academia media armed forces the private sector and government Key Elements 1 Data on the military organisations equipment inventories and defence budgets of 171 countries 2 Analysis of major developments affecting defence policy and procurement and defence economics arranged region by region 3 Key trends in the land sea and air domains and in cyberspace 4 Selected defence procurement programmes arranged region by region 5 Full colour graphics including maps and illustrations 6 Extensive explanatory notes and references 7 The hardcopy edition is accompanied by a full colour wall chart Features in the 2021 edition include Analytical texts on future maritime competition battle management systems China s civil military integration and fractures in the arms control environment Military cyber capabilities Analysis of developments in defence policy military capability and defence economics and industry for China Egypt Finland Indonesia Russia Senegal and the United States A wallchart illustrating global submarine holdings and key trends in subsurface warfare *Army of None: Autonomous Weapons and the Future of War* Paul

Scharre,2018-04-24 Winner of the 2019 William E Colby Award The book I had been waiting for I can t recommend it highly enough Bill Gates The era of autonomous weapons has arrived Today around the globe at least thirty nations have weapons that can search for and destroy enemy targets all on their own Paul Scharre a leading expert in next generation warfare describes these and other high tech weapons systems from Israel s Harpy drone to the American submarine hunting robot ship Sea Hunter and examines the legal and ethical issues surrounding their use A smart primer to what s to come in warfare Bruce Schneier *Army of None* engages military history global policy and cutting edge science to explore the implications of

giving weapons the freedom to make life and death decisions A former soldier himself Scharre argues that we must embrace technology where it can make war more precise and humane but when the choice is life or death there is no replacement for the human heart *Military Assistance on Request and the Use of Force* Erika De Wet,2020-03-26 In countries such as Syria Iraq South Sudan and Yemen internationally recognized governments embroiled in protracted armed conflicts and with very little control over their territory have requested direct military assistance from other states These requests are often accepted by the other states despite the circumvention of the United Nations Security Council and extensive violation of international humanitarian law and human rights In this book Erika De Wet examines the authority entitled to extend a request for or consent to direct military assistance as well as the type of situations during which such assistance may be requested notably whether it may be requested during a civil war Ultimately De Wet addresses the question of if and to what extent the proliferation of military assistance on the request of a recognized government is changing the rules in international law applying to the use of force **Military Mission Formations and Hybrid Wars** Thomas Vladimir Brønd,Uzi Ben-Shalom,Eyal Ben-Ari,2020-10-25 This volume explores and develops new social scientific tools for the analysis and understanding of contemporary military missions in theatre Despite the advent of new types of armed conflict the social scientific study of militaries in action continues to focus on tools developed in the hey day of conventional wars These tools focus on such classic issues as cohesion and leadership communication and unit dynamics or discipline and motivation While these issues continue to be important most studies focus on organic units up to and including brigades By contrast this volume suggests the utility of concepts related to mission formations as opposed to units or components to better capture the ongoing processual nature of the amalgamations and combinations that military involvement in conflicts necessitates The study of these formations by the social sciences sociology social psychology anthropology political science and organization science requires the introduction of new analytical tools to the study of militaries in theatre As such this volume utilizes new approaches to social life organizational dynamics and to armed violence to understand the place of the armed forces in contemporary conflicts and the new tasks they are assigned This book will be of much interest to students of military studies sociology security studies and International Relations in general *The Statesman's Yearbook 2025* Palgrave Macmillan,2025-01-10 Now in its 161st edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions [Armed Conflict Survey 2023](#) The International Institute for Strategic Studies (IISS),2023-12-06 The Armed Conflict Survey 2023 provides an exhaustive review of the political military and humanitarian dimensions of active armed conflicts globally in the period from 1 May 2022 30 June 2023 The review is complemented by a strategic analysis of regional and global drivers and conflict outlooks providing unique insights into the geopolitical and geo economic threads linking conflicts regionally and globally as well as into emerging flashpoints and

political risks to monitor This edition s regional focused approach also includes Regional Spotlight chapters on selected key conflict trends of regional and global importance Reflecting the growing significance of geopolitical factors in shaping current conflict trends across the world The Armed Conflict Survey 2023 features the third edition of the IISS Armed Conflict Global Relevance Indicator which compares the global relevance of armed conflicts in terms of their geopolitical impact as well as their human impact and intensity This edition also includes maps infographics key statistics and the accompanying Chart of Armed Conflict

Department Of Defense Index of Specifications and Standards Numerical Canceled Listing (APPENDIX) Part IV September 2005 ,

Wellbeing for Sustainability in the Global Workplace Paola Ochoa, Maria-Teresa Lepeley, Peter Essens, 2018-07-04 Wellbeing in the workplace is an essential element in fostering a worker s sense of being valued ensuring their engagement and ultimately leading to higher levels of productivity and organizational performance This important book specifically adds to the discussion by taking a global perspective and evaluates wellbeing in the workplace in different countries identifying both universal issues and specific cultural issues Chapter authors have been drawn from across five continents and eleven countries to provide ground breaking research in wellbeing from different regional perspectives looking at both developed and developing world scenarios What is clear throughout the book is that organizations that are not people centered undermine their capacity to attain and maintain quality standards high performance and competitiveness Organizational concerns about workers wellbeing are growing exponentially due to the global VUCA volatile uncertain complex ambiguous environment In this environment organizational success is no longer simply based on short term revenue maximization capital investments or sales but increasingly depends on people s wellbeing human capital and the development of human talent to ensure sustained and sustainable growth and performance This book presents a collection of studies that address current and forthcoming organizational challenges and offer realistic solutions to support leaders and managers seeking to balance and value the contribution of people with long term organizational performance

Serving Those Who Served Sarah LeMire, Kristen J. Political Handbook of the World 2018-2019 Tom Lansford,2019-03-19 The Political Handbook of the World provides timely thorough and accurate political information with more in depth coverage of current political controversies than any other reference guide The updated 2018 2019 edition will continue to be the most authoritative source for finding complete facts and analysis on each country s governmental and political makeup Compiling in one place more than 200 entries on countries and territories throughout the world this volume is renowned for its extensive coverage of all major and minor political parties and groups in each political system It also provides names of key ambassadors and international memberships of each country plus detailed profiles of more than 30 intergovernmental organizations and UN agencies This comprehensive update will include coverage of current events issues crises and controversies from the course of the last two years including Elections across Europe Referendum in Ireland Rohingya genocide in Myanmar The Venezuelan dictatorship The renaming of Swaziland to eSwatini Qatar diplomacy changes Historic meeting between the United States and North Korea Establishment of a new governing coalition in Liberia

Sweden's Grand Strategy Douglas Brommesson,Ann-Marie Ekengren,Anna Michalski,2025-05-22 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations Using the example of Sweden the authors reassess the grand strategies of small states in international politics from the end of World War II until its new membership in NATO in 2024 Utilizing role theory they identify a small state s grand strategy through specific national foreign policy roles which at certain times coalesce into master roles Four foreign policy action strategies building on domestic agency and the influence

of systemic structures depict this domestic process of role adaptation Sweden's foreign policy roles were shaped according to the degree of autonomy and integration deemed necessary for security economic development and social cohesion as perceived by the domestic political elite The ensuing empirical analysis identifies this set of evolving roles in an increasingly unstable international security environment The authors thus explore how a small state can develop certain roles over time and how the dominant roles can coalesce into an overarching grand strategy The Oxford Studies in Grand Strategy is a major new series of cutting edge monographs that examine the grand strategies of states and those intergovernmental organizations and nonstate actors who credibly aspire to sovereignty Books concentrate on the contemporary aspects of grand strategy while paying due respect to the historical antecedents of a nation's grand strategy and their relevance for a leadership's current choices The series is pluralistic in terms of theory and method and maintains a broad view of the ways means and ends that undergird a grand strategy Analytical and explanatory in contribution books in the series feature a rigorous analysis of the interaction between domestic factors and global forces and provide a clear understanding of how that interaction shapes a grand strategy's formulation codification and implementation Series Editors Thierry Balzacq Sciences Po Paris Peter Dombrowski US Naval War College and Simon Reich Rutgers University Newark

Peacekeeping in Africa
Marco Jowell, 2018-02-21 In recent decades African states have developed an impressive infrastructure for training their peacekeepers In addition peacekeeping peacebuilding and associated areas of conflict resolution have become significant areas of employment Marco Jowell has spent a decade working in peacekeeping training in East Africa initially as one of the foreign Technical Advisers at the Peace Support Operations PSO training centre in Kenya the International Peace Support Training Centre IPSTC and subsequently as a strategic adviser to the Rwanda Peace Academy Using first hand experience he considers how military forces from a variety of African states with great differences in history language and political systems and with militaries with different cultures and capabilities can conduct complicated multinational peacekeeping operations He shows how regional peacekeeping training centres provide an environment for African elites predominately military to interact with each other through shared training and experiences This process of interaction or socialisation improves skills but also encourages cohesion so that future African led missions will be managed by well trained officers who are comfortable and willing to work within a regional or Pan African framework Jowell shows that part of the aim of peacekeeping training centres is to foster a Pan African outward looking ideology or disposition as well as improving technical ability This book will be essential reading for all involved with African military and security studies and analysts of peacekeeping training and operations

The Russian Understanding of War Oscar Jonsson, 2019-11-01 This book analyzes the evolution of Russian military thought and how Russia's current thinking about war is reflected in recent crises While other books describe current Russian practice Oscar Jonsson provides the long view to show how Russian military strategic thinking has developed from the Bolshevik Revolution to the present He closely examines Russian primary sources including

security doctrines and the writings and statements of Russian military theorists and political elites What Jonsson reveals is that Russia's conception of the very nature of war is now changing as Russian elites see information warfare and political subversion as the most important ways to conduct contemporary war Since information warfare and political subversion are below the traditional threshold of armed violence this has blurred the boundaries between war and peace Jonsson also finds that Russian leaders have particularly since 2011-12 considered themselves to be at war with the United States and its allies albeit with non-violent means This book provides much needed context and analysis to be able to understand recent Russian interventions in Crimea and eastern Ukraine how to deter Russia on the eastern borders of NATO and how the West must also learn to avoid inadvertent escalation *The Statesman's Yearbook 2024* Palgrave Macmillan, 2024-01-03 Now in its 160th edition The Statesman's Yearbook continues to be the reference work of choice for accurate and reliable information on every country in the world Covering political economic social and cultural aspects the Yearbook is also available online for subscribing institutions

Foundations of Chaplaincy Alan T. Baker, 2021-02-18 An approachable overview of the nature purpose and functional roles of chaplaincy Chaplaincy is unlike any other kind of ministry It involves working outside a church without a congregation usually in a secular organization It requires ministering to those with starkly different religious convictions many of whom may never enter a house of worship It is as Alan Baker writes ministry in motion Those who are embarking upon this unique and specialized call deserve equally unique and specialized guidance and Foundations of Chaplaincy offers exactly that Baker surveys the biblical and theological foundations of chaplaincy before enumerating four specific responsibilities and skills that define chaplaincy's ministry of presence providing facilitating caring and advising Baker's thorough guidance on these matters is supplemented in sidebars with practical advice and anecdotes from over thirty chaplains currently serving in a variety of settings and organizations Chaplains who serve in healthcare the military correctional institutions police and fire departments sports teams college campuses and corporations have essential roles to play in their respective organizations but theirs is rarely an easy calling With Foundations of Chaplaincy as an introduction and an ongoing reference those called to this important vocation may be assured of having the tools they need to cultivate a strong mission-driven pastoral identity rooted in their own theological tradition while simultaneously participating in a multi-faith team
