Employment of Special Forces Col V S Yadav,2012-08-07 Special Forces and Special Operations offer an option for providing an asymmetric response across the entire spectrum of conflict An asymmetric response does not automatically imply a physical attack in most cases direct action should be only the extreme response Special Forces are meant to achieve strategic objectives through application of modest resources in a calibrated manner With an eye on the future a seminar was held at CENJOWS which was aimed at examining various alternatives for optimal employment of Indian SF in pursuit of national security goals with a proactive mindset Various aspects were covered by eminent speakers from India and other countries This book is based on the seminar proceedings *Special Forces Operator* Robert W Brown,2021-03-23 It is not just another war story it is abrasive and defiantly politically incorrect It has politics secret agents and sex but not so much and the conspiracy of the globalist world order The killing part is the easy bit the tricky part is finding the right people to kill Rob was a Special Forces operator with some of the world finest regiments and served in four national armies over a career that has spanned forty years and continues today In 1965 he earned the converted Green Beret as a member of 2 Commando Australia He left in 1968 to Southeast Asia Finding work of a military nature in Laos in the war that never was The end of the contract found him in England where he joined the British Parachute Regiment and completed three tours in Northern Ireland at the height of the troubles taking part in Operation Demetrius On his last tour he was detached from his battalion and worked covert operations with a little known group called the MRF Military Reaction Force 1974 saw Rob in Rhodesia as a member of the internationally acclaimed C Squadron SAS where he was wounded on operations twice This was a turning point in Rob s life as he surrendered to Christ becoming a Christian He was to carry on as an operator but now with a biblical world view Rob was recruited in 1980 by the South African Defense Force and was a member of 6 Reconnaissance Commando Special Forces and later became an operative with what was commonly called the funnies or CSI Chief of Staff Intelligence From 1996 to 2007 Rob was in South Sudan and Iraq receiving a letter of commendation from the United States Army Still active today Rob specializes in close protection and tactical security training for civilian personnel *Army Special Forces* ,1997 **Ultimate Special Forces** Hugh McManners,2003 Guild to the world s most highly trained military units through history famous forces and operations and specialized equipment
