103 Crafts & Activities for Preschoolers & Toddlers Katherine Smiley, 2015-09-12

Toddlers and preschoolers can be difficult to keep busy because their attention spans tend to be short-lived. Yet they are curious and imaginative and so much fun to spend time with. Furthermore, most young children just want to be entertained throughout the hours of the day and are eager to learn anything they can. Now you too can collaborate with your little one on art masterpieces and decorative crafts as well as play educational games. Whether you're a parent, nanny, day care provider, or preschool teacher, you can benefit from this long list of activities to stimulate children's minds and keep their hands busy for hours. In this book, you will find a wealth of ideas to share with your young child. Some of the activities require your close supervision. Many of the arts and crafts projects will result in beautiful seasonal decorations to display in your home. You will be astounded by the creations you can make with your preschooler who will alternatively be enthusiastic about tapping their imagination, enhancing their knowledge, and most of all, spending valuable time with you.

The 103 activities are split into four main categories that correspond to the four seasons. Many of the projects can be done during any season, but the subcategories are themed. Here are what the subcategories look like:
