**Smoke** Lisa Unger,2012-05-15 In the final installment of her Lydia Strong series bestselling author Lisa Unger writing as Lisa Miscione brings us her most shocking and emotionally wrenching case yet If you don t know this series it s high time to get acquainted Booklist An NYPD detective visits Lydia and her husband P I Jeffrey Mark to inform them that Lily one of Lydia s former writing students has been missing for more than two weeks Before she disappeared Lily had tried to get in touch with Lydia seeking her help Could this have had something to do with the death of Lily s brother which Lily refused to accept as a suicide If they want to discover the truth Lydia and Jeffrey will have to follow the trail that Lily left behind a trail of evidence that like Lily herself seems to disappear like smoke *The Age of Evangelicalism* Steven P. Miller,2014-04-10 At the start of the twenty first century America was awash in a sea of evangelical talk The Purpose Driven Life Joel Osteen The Left Behind novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe

wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline The Age of Evangelicalism chronicles the place and meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the Satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times
