 wars in your house It starts with a whimper an insistent demand or a certain tone of voice that every parent recognizes with
 dread your child is starting to whine and if you don t respond properly you ll have a full blown tantrum or argument on your
 hands Kids of all ages know that whining works when they want that extra hour of TV the unplanned toy purchase or a later
 curfew But stopping such behavior without giving in to a child s demands isn t easy and if left unchecked whining can lead to
 constant disruptions at home in school or anywhere else your child chooses Now the same authors who solved a common
 parenting problem in the national bestseller Backtalk present three proven methods for putting an end to whining as well as
 information on The best ways to react when your child whines in a public place Why negotiating and giving in never work and
 what you should do instead What kids are really trying to tell you when they whine Why whining can lead to poor self esteem
 and unsatisfying social relationships which can follow your child into adulthood and what you can do about it now How to
 clearly respectfully indicate to your child what s important to you and why whining will no longer work as a means of
 communication Filled with numerous real life examples encouraging advice and simple steps you can start using immediately
 this invaluable guide will help you end the cycle of giving in to whining only to have your child do it again and instead
 replaces misbehavior with effective meaningful and loving parent child communication **Books in Print** ,1994 **El-Hi**
