## MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS) 2019

### BACKGROUND

#### THE MILITARY SKILLS DEVELOPMENT SYSTEM (MSDS)

The South African Army, through its Military Skills Development System (MSDS), is offering young South African citizens an opportunity to serve in uniform over a two-year period. The Military Skills Development System is a two-year voluntary service system with the long term goal of enhancing the SA National Defence Force's deployment capability.

Successful MSDS candidates will be appointed in a specific **muster** and will be called up to a Training Unit, where **musters** will complete their Basic Military Training, **specific muster** and functional training in the first year and be utilized or deployed in the second year of the MSDS.

#### Requirements:

- No dual citizenship be a South African citizen only
- Grade 12 Applicants must be between the ages of 18-22 years
- Graduates and/or other Tertiary Qualification up to the age of 26 years
- Successfully completed Grade 12 (preferable with university entrance)
- Leadership potential
- Not be area bound
- Have no criminal offence record or pending cases
- Comply with medical fitness requirements for appointment in the SANDF
- Be prepared to serve in uniform, undergo Basic Military and Functional Training

#### Training:

The SA Army's mandate focuses on the provisioning of combat ready forces and plays a leading role in landward operations. Training will be decentralized to operational units where members will be appointed to undergo Basic Military Training, **muster** training and be deployed as per **requirements** of the South African Army.

Incomplete forms will not be considered. Only applicants who have passed Grade 12 may apply and must not be older than the age stipulated above on the date of reporting for training. Certified copies of ID document, Grade 12 certificate or Post grade 12 qualifications and CV must accompany this application form to SA Army Recruitment, Private Bag X 981, Pretoria, 0001.

**N.B.** During the selections, the applicants will be subject to Psychometric evaluations; Medical Evaluations; Vetting and Verification of qualifications.

**State Neutrality** Kerry O'Halloran, 2021-01-21 The state is legally required to be neutral towards religion but in many countries it is increasingly anything but This book conducts a comparative legal analysis of the church state relationship within and between western countries including the USA France and Israel that are key players in international and domestic dynamics in which religion and religious conflict take centre stage It analyses how government accommodates diversity how policies of multiculturalism and pluralism translate into legislation the extent to which they address matters of religion and belief and what pattern of related issues then come before the courts Finally it considers how civil society and democracy in general can maintain a balance between the interests of those of different religions and beliefs and those of none In this illuminating study Kerry O'Halloran shows how the relationship between religion and government affects civil society and the functioning of democracy in North America and Europe

**Cross Border Security in the Southern African Region** Innocent Moyo, 2024-07-29 This book provides a sophisticated analysis of cross border challenges and

problems in the southern African region It advances explanations that transcend the state centric narrative that has nationalised cross border security It provides insights from non state actors such as informal cross border traders ICBTs informal cross border transporters undocumented migrants and cross border communities It argues that security needs to be understood beyond a state centric paradigm by focusing on the political economic environmental and societal threats at macro meso and micro levels The book suggests that at the core of cross border security challenges in the Southern African region is a post colonial governmentality This drives the nationalisation of cross border security as though it is the only security leading to nation states in turn depoliticising and invisibilising the security and livelihoods of ordinary people even when nation states claim to be protecting the same The book will be a useful resource for students scholars and researchers of African Studies Border Studies Human Geography Migration Studies Development Studies International Studies International Relations Political Science and Security Studies
