so as to help make other peoples lives more meaningful The intent of this book is to try to address exactly those questions How can we live less self centered more mature lives What constitutes deep maturity and how do we reach that place And not unimportantly what constitutes a more adult Christian discipleship What constitutes a truly mature following of Jesus As the poet Rainer Maria Rilke suggests Live the questions now In Sacred Fire Rolheiser s deeply affecting prose urges us on in pursuit of the most holy of all passions a deep and lasting intimacy with God **Teilhard's Proposition for Peace** Jean Maalouf,2018-11-15 Teilhard de Chardin called the greatest prophet of this age intended to write a book called The Book of Peace though he failed to do so Instead he went on sowing the seeds of peace throughout his writings This book distills and presents the essence of the case Teilhard made for the cause of peace There is no doubt that Teilhard s readers have noticed how difficult his thought can be and how puzzling it appears at times This volume navigates the complexity of those labyrinthine roads inviting the reader to confidently see the basic unity which underlies all that is When we recognize that we live in the Divine Milieu where we witness the transforming presence of the divine in human consciousness we will existentially realize the truth of the principle by which Teilhard wanted us to live **Spiritual Direction** Malloy, SJ, Richard G.,2017-10-12 An essential lively and comprehensive guide to spiritual direction how it works how to get it how it is life changing for those who are interested in growing spiritually and for their spiritual directors **Let Your Heartbreak Be Your Guide** Bucko, Adam,2022-10-06 Reflections and intentional spiritual practices for the growing number of people living at the intersection of contemplation and justice **Living Wisely and Well in the Evening of Life** Duncan S. Ferguson,2024-03-29 Living Wisely and Well in the Evening of Life addresses the increasing difficulty of those in our culture who are in the evening of life who must manage a rapidly changing society and a new world being born almost daily There are several dimensions of life which have become especially difficult for those in this position including loneliness the sense of being set aside in a changing culture the cost of medical care the deep conflicts in our political life and the increasing sense of not being able to cope Deep universal values articulated by the apostle Paul in his letter to the Corinthian church must be claimed and internalized Paul artfully guides those from this church in a complex setting by suggesting a more excellent way in which to live with complexity and challenge Then and now we need to cultivate a thoughtful and credible faith in our mature years second we must sustain the well founded hope rooted in our faith in a loving God especially necessary in the evening of life In keeping with the teaching of Jesus we should make unconditional love the central value in life It is possible to flourish in the evening of life undergirded by faith hope and love Developing Clinicians of Character Terri S. For most religious people the words God and sex never go together God is conceived of as holy pure sexless and as morally above the raw desires that so powerfully beset us Sex on the other hand is conceived of as earthy and unholy something we must snatch and not without guilt from the gods Christianity has struggled mightily with sex so too have most other religions And yet when we look at sexual desire and ask where it comes from there can be only one answer It comes from God This is a book on desire its experience its origins its meaning and how it might be generatively channeled Sexuality is inside us to help lure us back to God but dealing with this fire inside us is a lifelong struggle Ron Rolheiser sheds light on this mystery and the journey it takes us on in these tantalizing fragments that help give us permission to feel what we feel and know that God is still smiling on us *The Road to Joy* Kevin P. and come out the other side with a deeper love for Jesus the church and its tradition Can we question our faith without losing it Award winning author pastor and professor A J Swoboda has witnessed many young people wrestle with their core Christian beliefs Too often what begins as a set of critical and important questions turns to resentment and faith abandonment Unfortunately the church has largely ignored its task of serving people along their journey of questioning The local church must walk alongside those who are deconstructing their faith and show them how to reconstruct it Drawing on his own experience of deconstruction Swoboda offers tools to help emerging adults navigate their faith in a hostile landscape Doubt is a part of our natural spiritual journey says Swoboda and deconstruction is a legitimate space to encounter the living God After Doubt offers a hopeful practical vision of spiritual formation for those in the process of faith deconstruction and those who serve them Foreword by pastor and author John Mark Comer , **The Gift of Restlessness** Casey Tygrett,2023 In seasons of unsettledness is the best way forward to quickly resolve the questions In The Gift of Restlessness spiritual director Casey Tygrett excavates the questions at the root of unsettledness Where do I belong What am I here for Is there enough Tygrett shows us that restlessness is normal healthy and even holy **Disruptive Discipleship** Sam Van Eman,2017-08-08 What can we do when we feel stuck Sam Van Eman has found that our spiritual lives need disruptive experiences to jolt and reorient us Filled with concrete examples of how ordinary people are shaped by pursuing these out of the ordinary experiences this book provides a path to deeper faith on purpose *Searching for Enough* Tyler Staton,2021-03-02 Searching for Enough will help you see doubt not as an emotion to fear but as an invitation to discover the truth that God s presence is enough to hold us in space between faith and disillusionment Do you ever find yourself thinking I m not enough and I m never going to be And I know I m not supposed to say this but God s not enough for me either Whether or not we attend church deep down we wonder if the biblical story of faith is really enough for the complexity of the world in which we live We fill our lives with other things hoping that maybe the next experience or accomplishment will complete us Yet with every goal we reach we still feel discouraged and anxious In Searching for Enough Pastor Tyler Staton draws on ancient and modern insights to introduce us as if for the first time to Jesus disciple Thomas history s most notorious skeptic Like Thomas we are caught between two unsatisfying stories We want to believe in God but can t reconcile his presence with our circumstances and internal struggles But what if there s a better story than shame What if there s redemption so complete that there s nothing left to hide What if there is a God who can heal your resentments fears and loneliness in such a profound way that you feel whole From a place of spiritual companionship and deep authenticity Tyler shows us that it is not an empty tomb that will change our lives but the presence of the living God Whether you are a distant skeptic an involved doubter or a busy but bored Christian Searching for Enough invites you to find enough in a God who offers the only promises that never disappoint *Pour Out Your Heart* Jeremy Linneman,2025-03-18 Do you feel like everything depends on you That you must grind and hustle to have a flourishing life If so it s no surprise that stress anxiety and burdens may be weighing you
