Sacred Time And The Search For Meaning:

Sacred Time and the Search for Meaning Gary Eberle, 2002-12-24 In *Sacred Time and the Search for Meaning* author Gary Eberle contemplates how humans view of time has evolved throughout history how we came to measure time and why we feel especially starved for it now Eberle seeks to rediscover a renewed sense of meaning in life through looking for ways to enter the realm of sacred time or sabbath time where we can reconnect with the slower deeper rhythms of life that have traditionally been experienced through worship prayer and the observance of holy days Drawing from the work of Western philosophers from Aristotle to Heidegger and on theorists from Jung to Foucault he presents both an intellectual history of time and a personal account of his own search for sacred time Along the way he formulates an insightful analysis of our culture's obsession with speed and efficiency and he offers guidance for slowing down to savor life outside of schedules and routines showing the way toward finding fulfillment in this increasingly accelerated world **Catholic to the Core!** Kathy Husak-Tarnacki, 2022-02-17 *Catholic to the Core* was born out of a restlessness in the heart of the author Since the early 1990s Kathy Husak Tarnacki felt a very distinct call from God to focus her skills and passions regarding education in a way that honored Christ in every way possible The call was so clear to her that she approached her pastor at the time and asked for permission to open a school within the church She had never been a principal and had never taken formal classes regarding administration but she knew that when God calls he equips And that he did The years that followed were filled with unexpected twists and turns in her professional career and her journey of faith from Catholicism to a non denominational setting then back to the Catholic Church Each step exposed her to new aspects of the possibilities and challenges present when you pursue Christ wholeheartedly as well as highlighting how far schools have fallen from fulfilling their God given purpose These experiences filled her heart and mind with thoughts questions concerns and possible solutions for the lukewarm atmospheres of many of our Catholic schools In 2014 she felt a tugging to begin to write her thoughts down on paper not sure exactly what the purpose would be Now in 2022 she is blessed with the opportunity to publish what she wrote and share it with the hope that it will encourage conversation reflection and determined action **An Oasis in Time** Marilyn Paul, 2017-08-22 There is a surprising way out of the frenzy that always being behind feeling and the endless to do list Now more than ever people are seeking a reprieve from the constant pressure to achieve produce and consume While many turn to sporadic bouts of mindfulness and meditation organizational change specialist Marilyn Paul offers a complementary solution that is as radical as it is ancient In her new book *An Oasis in Time* Paul focuses on the profound benefits of taking a modern day Sabbath each week for deep rest and nourishing renewal The energy perspective creativity sense of well being and yes increased productivity that ensue are lifesaving Drawing on Sabbath tradition contemporary research and interviews with scores of busy people Paul shows that it is possible to introduce these practices regardless of your religious beliefs Starting with just an hour or two you can carve out the time from your packed schedule design your

weekly oasis experience and most importantly change your mind set so you can enjoy the pleasure of regularly slowing down and savoring life every week From surrounding yourself with nature to practicing rituals for beginning and ending oasis time to implementing strategies for connecting with friends and family self and source you will discover practical ways to step off the treadmill and into timeless refreshment on your way to a calmer richer more fulfilling life Master-Servant Childhood P. Ryan,2013-06-13 An interdisciplinary synthesis that offers a new understanding of childhood in the Middle Ages as a form of master servant relation embedded in an ancient sense of time as a correspondence between earthly change and eternal order **Called by Mind and Spirit** Gavin Knight,Joanna Knight,2010-02-25 In 21st century Britain we are increasingly concerned about the effect of the modern world on our children s health and well being While different secular agencies have had an important role to play in this debate the voice of the Church is frequently misrepresented misunderstood and undervalued **Called by Mind and Spirit** Crossing the Borderlands of Childhood seeks to redress this imbalance The book begins by exploring how our own family stories passed down through generations combined with our Christian heritage influence our identity its continued formation and our sense of vocation These themes of identity formation and vocation are then related to modern childhood from a combined perspective of theology and psychology In the process the book asks how in contemporary Britain we encourage and nurture children s faith and how we might better equip today s children to understand and explore for themselves the world in which they are growing up The sacramental rites of anointing and initiation baptism confirmation and ordination provide the theological basis for the book and the main stages of childhood infancy and early childhood middle childhood and adolescence offer a framework for reflecting on these rites The authors draw from a wealth of personal and professional stories to explore the multiple tensions and opportunities of childhood today Encyclopedia of Religion ,2005 *Interlitteraria* ,2008 **Encumbrance** Pasquale De Marco,2025-07-16 In the depths of human existence where weariness weaves its heavy shroud **Encumbrance** emerges as a beacon of introspection and resilience This profound literary exploration delves into the complexities of the human condition confronting the existential quandaries that burden the soul With eloquence and empathy it unravels the intricate tapestry of life s struggles offering solace inspiration and the unwavering belief in the possibility of transcendence Within the pages of **Encumbrance** readers will embark on a transformative journey of self discovery navigating the weight of unfulfilled dreams the crushing pressure of societal expectations and the relentless pursuit of happiness They will confront the enigma of time the inevitability of death and the labyrinthine corridors of the human mind wrestling with negative thoughts and the complexities of free will Yet amidst the darkness **Encumbrance** illuminates the resilience of the human spirit It celebrates the transformative power of love the unwavering quest for truth and the promise of hope that glimmers even in the bleakest of times Through its exploration of these profound themes **Encumbrance** offers a profound meditation on the nature of being and the search for meaning in a world often devoid of it With each chapter **Encumbrance** unravels the intricate tapestry of human existence
