G. Scott, 2020-10-12 How to tone and sculpt your body even if you hate cardio or have never stepped inside a gym and don't plan on doing so At one point or another we ve all told ourselves I m going to sign up for a gym membership and really do it this time or I swear I ll do my workout later on tonight We all know the benefits of exercise It improves our physical and mental health gives us more energy and boosts our self image So why is it so hard to start an exercise regimen and even harder to stick to it Despite our best intentions life gets in the way and there always seems to be an obstacle stopping us from actively trying to live healthier Whatever the reason continuing to live a sedentary lifestyle isn t doing you any favors In fact physical inactivity is the 4th leading risk factor for global mortality and is a strong predictor for weight gain cardiovascular disease and other chronic conditions Does this mean that you have to make drastic lifestyle changes to start improving your health mentally and physically Or that you need to give up time doing what you love just so you can spend hours in the gym Not at all I ll let you in on a secret that the fitness industry doesn t want you to know You don t need fancy equipment or expensive trainers to sculpt the body that up until now you ve only imagined A G Scott knows firsthand the amazing results that can be achieved with home workouts and so he has put together the only exercise guide you ll ever need In Home Workouts Anyone Anytime Anywhere you will discover The six key elements every workout must have in order to make the most of your time and effort and how they will have you seeing results sooner than you would believe Exercises for every muscle group and

fitness level with clear comprehensive instructions diagrams and variations so you re working your target areas every time The 1 upper body workout that will rapidly build your overall strength hint small adjustments make big changes How this engaging training method can help you burn more calories than traditional cardio and continue to burn calories even after your workout is finished The numerous benefits of dynamic stretching and how that one simple habit not only warms up your muscles but also improves your balance and coordination over time Meal plans that can be adapted for any lifestyle so you can create a plan that meets your personal needs and preferences The most common mistakes people make without realising and how these can hold you back from achieving incredible results And much more With the demands and responsibilities of everyday life you shouldn t have to sacrifice precious hours every week going to the gym to build the body you ve always wanted The key to transforming your life is having a workout routine that works for you not against you This is a plan that will adjust to match your needs and experience no matter where you are It s time to leave the costly gym membership behind save money and allow yourself more time to enjoy life If you start today think how much better you will look and feel in a month If you want to start looking forward to exercise and commit to achieving the body of your dreams no strings attached The 90 Day No Equipment Workout Plan For Women then scroll up and click the Add to Cart button right now Michael Russo, Rebekah Addams, 2020-09-24 Introducing The Minimalist Approach To Achieving A Trim Toned And Functionally Fit Body All From The Comfort Of Your Home WITHOUT Any Expensive Equipment Are you a woman who struggles to find the time to get to the gym Is your gym still closed due to COVID19 restrictions Do you feel completely overwhelmed when you walk into a gym not knowing where to start or what machines to use The facts are that although gyms are a great recourse to improve your fitness and body It is purely a luxury and many of those big machines you see are not necessary when it comes to burning fat and reshaping your body And in the midst of a global pandemic going to Gym may not be a possibility for you for many months which is why more than ever you need a Home workout routine to reach your fitness goals The problem with a lot of workout programs is that they are often complicated and ask too much of it s participants sometimes requiring five to six hour long workouts per week The problem first of all is it s not sustainable to keep up with leaving very little time for recovery an important component in not only becoming fit strong and lean but also remaining injury free Fitness is meant to enhance our lives not take away from it and spending countless hours working out following programs that quite frankly are suited more to professional athletes rather than everyday people like you and me It s time to make fitness an enjoyable part of your life not something you dread having to do everyday Which is why we advocate a minimalist approach to reshaping your body allowing you more time to show off your results instead of being a slave to your workouts This workout program requires zero equipment it can be performed anywhere regardless of space and by anyone regardless of your current fitness level It will take you from a complete beginner with no exercise experience all the way up to a fit functionality strong woman ready to dominate life and inspire the people around you No gym membership

or home equipment needed just your body and a chair will see you through to the best shape of your life Here's A Slither Of What's Inside Busting Through The MythsOf The Fitness Industry Including 1 That Has Continued To Lead Women Down The Wrong Path When Transforming Their Bodies For Decades An Equation To Calculate Your Own Individual Caloric Needs Guaranteeing Results As Well As A Simple Way To To Construct Your Meals If Your Not A Calorie Counter A Progressive Workout System Built With Exercises That Will Improve Your Everyday Movement It Will Have You Not Only Looking Great But Moving Greater Workouts That Don t Get In The Way Your Life And Other Commitments Many Of These Workouts Are 15 20minutes In Duration But Are Far More Targeted And Effective A Shopping List With Foods That Are Not Only Delicious But Also Helps Fight Off Free Radicals The Cause Of Aging And Illness In The Body Full Support From Both Rebekah And Michael In Our Free Private Facebook Group As Well As Being Able To Connect With Others On The Same Journey And SO Much More Even if you ve tried EVERY workout plan out there without achieving the desired outcome this book will show you how you can finally have a body that is the envy of your friends and family without having to commit to long tedious workouts everyday If you re sitting there thinking nothing will work for you and that you re stuck with your current body shape forever if you re simply sick and tired of being sick and tired if you have made the decision to make a change it s time to unleash **Beginner's Guide to the Gym Workouts** Jagadish S.
