Guide to the Decision-making Tool for Evaluating Passenger Self-tagging Francis Barich,2011 TRB s Airport Cooperative Research Program ACRP Report 41 Guide to the Decision Making Tool for Evaluating Passenger Self Tagging provides the information and tools included on and accompanying CD ROM necessary for an airport or airline to determine the appropriateness of pursuing passenger self tagging should it be allowed in the United States in the future The tools in an Excel Spreadsheet format allow for the input of airport specific information such as facility size and passenger flows while

also providing industry averages to assist those airports and airlines that haven't yet collected their individual information. The decision making tools provide both qualitative and quantitative information that can then be used to assess if passenger self tagging meets organizational needs or fits into their strategic plan. Appendix A to ACRP 41 was published online as ACRP Web Only Document 10. Appendix A Research Documentation for ACRP Report 41.
