## Prepared Speech In Setswana:

Text Variability Measures in Corpus Design for Setswana Lexicography Thapelo J. Otlogetswe, 2011-01-18 This book is about the design of a Setswana corpus for lexicography While various corpora have been compiled and a variety of corpora based research has been attempted in African languages no effort has been made towards corpus design Additionally although extensive analysis of the Setswana language has been done by missionaries grammarians and linguists since the 1800s none of this research is in corpus design Most research has been largely on the grammatical study of the language The recent corpora research in African languages in general has been on the use of corpora for the compilation of dictionaries and little of it is in corpus design Pioneers of this kind of corpora research in African languages are Prinsloo and De Schryver 1999 De Schryver and Prinsloo 2000 and 2001 and Gouws and Prinsloo 2005 Because of a lack of research in corpora design particularly in African languages this book attempts to fill that gap especially for Setswana It is hoped that the finding of this study will inspire similar designs in other languages comparable to Setswana We explore corpus design by focusing on measuring a variety of text types for lexical richness at comparable token points The study explores the question of whether a corpus compiled for lexicography must comprise a variety of texts drawn from different text types or whether the quality of retrieved information for lexicographic purposes from a corpus comprising diverse text varieties could be equally extracted from a corpus with a single text type This study therefore determines whether linguistic variability is crucial in corpus design for lexicography

The Paroled Pastor Makgala, Christian John, 2014-06-24 After 40 years of impressive community service in the village of Morwa in Botswana Leroy returns to his native United States and becomes a celebrity His bitter rival for 40 years Jealousman looks forward to finally being the sole village hero once again Suddenly the paroled Pastor Limelight Mmonadilo of the defunct Ten Commandments Ministries attains popularity by mobilising the village leadership into preserving and celebrating Leroy s legacy for purposes of employment creation amidst the grinding global economic recession Jealousman believing that his own legacy is more worthy of celebration and preservation gets determined to bring Pastor Mmonadilo s project to its knees For a while he tries to do this in an uncharacteristically subtle manner Meanwhile a group of city based professionals motivate the formation of a company for tourism business in Morwa This intensifies the rivalry between Jealousman and Pastor Mmonadilo Father Sebastian Modiga of the Roman Catholic Church channels the negative energy between the two men into unleashing a holy war and final solution against the allegedly predatory charismatic or Fire church in Botswana
