Euchologion Nineteenth Century Public Worship Provisions including open air communions Worship s Companions Hymns and Choirs Worship and the High Church Parties Culture Ecclesiology and Architecture Worship Between the Two World Wars The Ecumenical and Liturgical Movements Into Postmodernity and the Present Re-Forming the Liturgy Paul Galbreath,2019-04-18 Christian worship is always undergoing change as it adapts to particular contexts and concerns This collection of essays explores ways 1 that liturgical change happened to address particular historical and theological concerns 2 that worship and preaching are currently undergoing transition and 3 that aspects of worship are in need of transformation in order to address primary issues of our time with a focus on environmental and ecological concerns Spacial attention is paid to the role of the Sacraments and to preaching with an emphasis on the need to connect worship with daily life These essays show readers ways that liturgical renewal worked in the past as well as offer a persuasive case for continual renewal that responds to key issues in our contemporary lives **What Happens Next?** Bruce L. Taylor,2023-02-08 Bruce Taylor s latest volume of sermons for the Common Lectionary Revised compiles traditional and story form proclamations for the Sundays and feast days from Advent through Eastertide in Year B of the three year lectionary cycle Theologically rich sacramentally sensitive and ecumenically minded these biblically centered sermons articulate God s love for the whole creation the profound implications of discipleship and the necessity of Christian unity Like its predecessors in Taylor s first and second journeys through the lectionary What Happens Next is intended for use by preachers educators seminary students and devotional readers who will all find it to be a welcome companion in penetrating the spiritual genius of the liturgical year and the usefulness of preaching from common texts The book exemplifies how preaching from Mark s Gospel and the accompanying lectionary readings can shape interaction with the elements of the liturgy to encourage faithful Christian worship The very uniqueness of Mark among the Gospels is elicited to prompt the whole church and each believer to respond to the question posed implicitly but insistently by the women s discovery of the empty tomb on Easter morning What happens next **A Preacher's Guide to Lectionary Sermon Series, Volume 2** ,2019-09-03 Both lectionary preachers and topical preachers will enjoy the best of both worlds with this second volume of sermon series ideas designed to frame consecutive weeks of lectionary texts into seasonal and short term series With contributors from seven denominations this comprehensive resource offers new perspectives and fresh ideas for diving deep into biblical themes in ways that make congregants eager to come back for the next sermon and to invite others as well Twenty eight series plans include thematic overviews sermon starters and ideas for worship and outreach honoring holy days and seasons and addressing typical patterns of church attendance to maximize visitor retention and member engagement Contributors include Amy K Butler Kyle E Brooks Carol Cavin Dillon Magrey R deVega Brian Erickson Mihee Kim Kort Jasper Peters Tuhina Verma Rasche Bruce Reyes Chow Brandan J Robertson Martha K Spong and Anthony J Tang **Preaching on Social Suffering** Jeremy Kangsan Kim,2023-03-01 In this book Jeremy Kim criticizes current Korean and Asian American homiletical strategies

for their lack of a theological point of view on social suffering He argues that preachers must develop an alternative theological homiletical viewpoint on social suffering one that has pastoral and prophetic approaches These two approaches offer people a refuge and a voice not only in the church community but also in the larger social community Thus the author suggests that preachers adopt the biblical lament highlighting its dual tasks of compassion the pastoral dimension and resistance the prophetic dimension The author who is a non Western Asian American preacher also incorporates East Asian philosophical and hermeneutical research on ren a positive element of Confucianism into his argument He applies this core concept of Confucianism to the preacher s homiletical strategy toward social suffering Thus the author proposes that Korean preachers should recover ren which contains sincere compassion for others as well as a voice of resistance that reveals unjust social structures as the cause of social suffering and expresses both within Uri we the community
