**Transformational Church** Ed Stetzer, Thom S. Rainer, 2010-06-01 How are we doing The church that is And how are we doing it Congregations have long measured success by bodies budget and buildings a certain record of attendance the offering plate and square footage But the scorecard can't stop there When it does the deeper emphasis on accountability discipleship and spiritual maturity is lost Ignoring those details we see fewer lives transformed Christian influence wane and churches thin out a situation that is all too familiar across North America today It is time to take heart and rework the scorecard According to Ed Stetzer and Thom S Rainer the authors of Transformational Church Too often we've highlighted the negative realities of the declining American church but missed the opportunity to magnify the God of hope and transformation Based on the most comprehensive study of its kind including a survey of more than 7 000 churches and hundreds of on site interviews with pastors Transformational Church takes us to the thriving congregations where truly changing lives is the norm Stetzer and Rainer clearly confirm the importance of disciple making for all through active biblical engagement and prayerful dependence on God alongside of ever increasing intentional participation in mission and ministry activities As the church engages these issues the world will see the change More people following Christ More believers growing in their faith More churches making an impact on their communities The transformation starts now **The Prayer Manifesto for the Globally Conscious** Lischa T. Brooks, 2013 Our willingness and faithfulness to pray for others is the hallmark of an effective prayer life Sometimes our prayers are hindered because we focus only on our needs or requests But the church has been commissioned to make disciples of all nations and it is the responsibility of each member to pray for others in our world Well organized and inspirational The Prayer Manifesto for the Globally Conscious explores the importance of having a heart to pray for God's people across the world by denying ourselves and taking up our cross to follow God Author Lischa T Brooks uses scriptural examples and humorous personal stories to illustrate how to develop an effective personal prayer life and focus on our responsibility to pray for others In addition to finding a deeper purpose and understanding of prayer principles you can learn how to begin your prayer with worship conduct an examination of your attitudes and actions pray with the Word of God take time to listen to the Father establish prayer partners and connect with a local church body Establishing a life of prayer requires more than just passion and desire it involves a commitment to applying the principles outlined in the Word of God every day Develop a rich prayer life committed to God with The Prayer Manifesto for the Globally Conscious [Completely Set Free](#) Damien K. **Unstoppable Gospel** Gregg Matte, 2015-10-27 The path of least resistance is seldom the path of greatest impact This is a truth that the apostles knew intrinsically but from which we the modern church seem to shy away They boldly proclaimed the Gospel in season and out of season We want to avoid risk avoid stepping on toes avoid any bad publicity that might come with going out on a limb But much like the first rockets to leave Earth's atmosphere giant leaps forward in God's kingdom don't come without a big vision and a great big dose of risk In *Unstoppable Gospel* pastor Gregg Matte calls readers to take up the task of the early church and go change the world He shows how using ordinary everyday people has been God's plan from the beginning and how we all have a part in that plan He shares many practical ways Christians can get involved in their churches and communities to take advantage of the countless opportunities God provides for us to make a lasting kingdom impact in our world
