Gierach,2007-11-01 In these brilliant witty perceptive essays about fly fishing the natural world and life in general John Gierach the acknowledged master of fishing writers demonstrates that fishing when done right is as much a philosophical pursuit as a sport Gierach travels to Wyoming and Maine and points in between searching out new fly fishing adventures and savoring familiar waters with old friends Along the way he meditates on the importance of good guides Really the only thing a psychiatrist can do that a good guide can t is write prescriptions the challenge of salmon fishing Salmon prowl If they re not here now they could be here in half an hour Or tomorrow Or next month and the zen of fishing alone I also enjoy where my mind goes when I m fishing alone which is usually nowhere in particular and by a predictable route On a more serious note he ponders the damaging effects of disasters both natural and man made drought wildfires and the politics of dam building among others Reflecting on a trip to a small creek near his home Gierach writes In my brightest moments I think slowing down has opened huge new vistas on my old home water It s like a friendship that not only lasts but gets better against the odds Similarly Still Life with Brook Trout proves that Gierach like fly fishing itself becomes deeper and richer with time **The Eagle's Eye** Courtney Ryley Cooper,William James Flynn,1919 Thor Of The Realms Stan Lee,Gerry
