The Pirates! In an Adventure with Scientists Gideon Defoe, 2012-01-05 Just make sure we ve got plenty of hams on board I didn t really enjoy our last adventure much because we ran out of hams about halfway through And what s my motto I like ham It is 1837 and for the luxuriantly bearded Pirate Captain and his rag tag pirate crew life on the high seas has gotten a little dull With nothing to do but twiddle their hooks and lounge aimlessly on tropical beaches the Captain decides it s time they had an adventure A surprisingly successful boat raid leads them to the young Charles Darwin in desperate need of their help And so the pirates set forth for London in a bid to save the scientist from the evil machinations of a diabolical Bishop There they encounter grisly murder vanishing ladies the Elephant Man and have an exciting trip to the zoo

El Sombre Davy L. Moody, 2009-09 In *El Sombre* Shadow of the Mast sequel to *El Sombre* Shadow of the Saguaro the author has attempted to use as background the Porfirio Diaz regime in the early 1800s in Mexico Some of the characters in this fictional account are actual historical personages but the dialogues are completely fictional and not intended to reflect any strengths or weaknesses in the character of these individuals personally However in this fictional account they are used in abstract to portray the usual conflict of democracy and dictatorship the predator and the prey the oppressed and the oppressor with the fate of the innocent hanging in the balance This conflict of the ages will continue until the second appearance of The King of Kings and the Lord of Lords but in the meantime when the cause is just and the time critical God will always have his valiant man of the hour to help mankind cope with the occasion such a man as El Sombre

Except for the Biblical truths contained herein the opinions expressed in the book are not those of the author but the opinions of a shadowy and mysterious figure known as El Sombre code name Shadow man who worked in that era under the auspices of a private enterprise known as High Command Liaison which in turn either accepted or rejected assignments at its own discretion from a world wide organization known as High Command which would later become known as the League of Nations and would Evolve into what we know today as the United Nations
