Choose the Life Bill Hull, 2004-05 Jesus wants mature disciples This book shows how to squeeze joy out of sorrow truth from pain and make permanent advances for the Savior *Conversion and Discipleship* Bill Hull, 2016-01-12 Discipleship occurs when someone answers the call to learn from Jesus how to live his or her life as though Jesus were living it The end result is that the disciple becomes the kind of person who naturally does what Jesus did How the church understands

salvation and the gospel is the key to recovering a biblical theology of discipleship Our doctrines of grace and salvation in some cases actually prevent us from creating an expectation that we are to be disciples of Jesus A person can profess to be a Christian and yet still live under the impression that they don't need to actually follow Jesus Being a follower is seen as an optional add on not a requirement It is a choice not a demand Being a Christian today has no connection with the biblical idea that we are formed into the image of Christ In this ground breaking new book pastor and author Bill Hull shows why our existing models of evangelism and discipleship fail to actually produce followers of Jesus He looks at the importance of recovering a robust view of the gospel and taking seriously the connection between conversion answering the call to follow Jesus and discipleship living like the one we claim to follow

The False Promise of Discipleship Bill Hull, Brandon Cook, 2019-12 This book deftly raises the issue that church leaders need to grapple with today and in all generations Bobby Harrington co founder of Discipleship org and Renew org Avoid a major pitfall Most disciple making efforts today fail because they focus on me discipleship gets me closer to God makes me a better Christian and helps me gain purpose in life But Jesus style discipleship focuses on God and his kingdom How can we relearn this simple yet profound truth when so many people today have embraced the American gospel of me And how can we teach this to others Bill Hull and Brandon Cook tell readers to stop asking How am I doing Instead they teach us to ask God centered questions This reorientation changes everything The False Promise of Discipleship implores readers to stop asking the wrong questions and to start making disciples the way Jesus made disciples This short book equips you with practical takeaways so you can thrive as a disciple maker Written for disciples at all stages of growth it challenges common assumptions that may be undermining your disciple making efforts Based on their personal experience as pastors authors Hull and Cook provide you with a scriptural gospel centered approach to becoming a thriving disciple and disciple making leader Learn to ask the right questions and avoid some of the most pervasive yet common pitfalls among disciple makers today Take a quantum leap toward Jesus style disciple making Walk away with a new framework and the right questions you need to follow Jesus faithfully amidst the all pervasive American gospel BILL HULL is a co founder of The Bonhoeffer Project and author of Conversion and Discipleship along with over twenty other books about discipleship He speaks as a persevering prophet on the topic of discipleship around the nation BRANDON COOK serves as Lead Pastor at Long Beach Christian Fellowship and is a co founder of The Bonhoeffer Project He is also the author of Learning to Live and Love Like Jesus
