## **The Dive A Story Of Love And Obsession:**

*The Dive* Francisco Ferreras, Pipin Ferreras, Linda Robertson, 2005-03 A world champion competitor in the deadly sport of freediving tells the heart wrenching story of his life with and without his beloved wife Audrey who died trying to break his own record Francisco Pipin Ferreras a native of Cuba is a world champion in the dangerous and controversial sport of freediving in which athletes test the limits of their minds and bodies by diving to unthinkable depths without oxygen tanks Audrey Mestre was a beautiful French marine biology student researching the physiology of freediving When she decided to base her studies on the legendary Pipin a passionate romance was born Pipin and Audrey soon married and moved to Miami where she took up the sport herself and proceeded to break the female world record 115 metres They became freediving s power couple constantly training together and encouraging one another of the Dominican Republic while attempting to break the world record which was currently held by her husband Now for the first time Pipin tells his own story He addresses the controversy that has followed him throughout his career and defends his sport and his own records against criticism from peers And Pipin opens up as never before providing what no interviewer has been able to capture a glimpse into the heart of a complex and haunted man In his own words he relates the tragic story of his relationship with Audrey a unique and complicated tale of love and competition taken to the extreme

*The Dive* Pipin Ferreras, 2005-06-28 In 1996 Francisco Pipin Ferreras a native Cuban and a world champion in the dangerous and controversial sport of free diving met Audrey Mestre a beautiful French marine biology student A passionate romance immediately bloomed between the two and their love was bonded by a shared fascination with and devotion to the ocean They soon became free diving s power couple testing the limits of their wills and bodies by descending to unthinkable depths Then on October 12 2002 in a dive off the coast of the Dominican Republic tragedy struck Audrey s attempt to break the world record of 170 meters ended in her death Now for the first time Pipin tells his story He shares the heart pounding adventure and fierce competition that fuel the sport of free diving and his own addiction to it He addresses the controversy that has followed him throughout his career and that spun out of control after Audrey s death And he relates the haunting story of his relationship with Audrey a unique and complicated tale of love and obsession taken to extreme depths

**Jennifer Lawrence: Girl on Fire - The Biography** Nadia Cohen, 2016-03-03 JENNIFER LAWRENCE is the reigning queen of lots of things Hollywood the awkward award ceremony stumble and hundreds of priceless BuzzFeed pages to name a few She announced herself to the world at a young age in *The Burning Plain* and *Winter s Bone* gripping dramas set in America s deprived heartland Ironical then that such a gifted character actress has become a household name through two of the biggest fantasy roles in the business the deadly shapeshifting assassin Mystique from Marvel s *X Men* series and the gutsy warlike heroine of Suzanne Collins best-selling *Hunger Games* trilogy Katniss Everdeen the Girl on Fire As Katniss and Mystique she owns the screen oozing grace attitude and menace re defining the roles of women in action films as more than ragdolls to be saved by muscle bound men this girl

doesn't need saving by anyone But Jennifer couldn't be more different off screen Always ready with a smile or a quip about embarrassing everyday struggles she is loved by millions for being a genuinely relatable personality in an industry of preening posers And make no mistake she has had every reason to lose her sunny disposition She struggled early on in her career with a hurtful fat actress label in spite of her healthy body type and suffered public heartbreak with the likes of Coldplay's Chris Martin In 2014 she was to suffer the ultimate indignity of having private photos leaked onto the internet for all to see A lesser girl might have become spiteful but Jennifer has always emerged with her head held high This is the first biography of an Academy Award winner a star of our screens for years to come and a role model for girls and young women everywhere In every sense this really is the story of a Girl on Fire      **Anatomy of Performance Training** John

Matthews,2014-09-25 We train because we are human and we become human because we train This is the surprising and original conclusion of Anatomy of Performance Training in which John Matthews shows how training is a very human response to the problems of having a body and living in the world Using illustrative case studies of professional practice each chapter addresses a specific body part offering a self contained discussion of its symbolic and practical significance in the artistic and commercial activities of training These anatomical case studies are cross referenced with other disciplines such as sport high diving deep diving and artisan craft to further expand our understanding of performance Stand alone chapters ideal for reference build towards an overall conclusion that the uniquely human practice of training is emerging as a new and pervasive ideology globally Ideal for readers seeking to understand the relationship the body has with the theatre and training or for teachers looking for a new innovative approach to performance Anatomy of Performance Training is an accessible original contribution to the philosophy of training for performance      Encyclopedia of Extreme Sports Kelly Boyer

Sagert,2008-12-30 Students and extreme sport enthusiasts will not only learn about the sports themselves but also about the techniques innovations engineering and physics behind them How do ice yachters achieve speeds of up to 150 MPH What does take to become a pro snowboarder Other parts of the encyclopedia highlight key areas of study such as extreme sports and the media the controversies surrounding and the impact of extreme sports on our culture A resource guide of print and electronic sources competitions organizations offers students an insider's guide to all things extreme Inside readers will discover BASE Building Antenna tower Span Earth Jumping What's more dangerous than leaping off of a tall building Jumping off a structure that's much closer to the ground and that's exactly what many BASE jumpers regularly do The risks include malfunctioning parachutes landing on rocks into electrical wires and more Readers will learn about Bhang Gliding where experienced pilots perform full barrel rolls inverted maneuvers and other stunt flying moves It is no longer unusual for an experienced hang glider to travel 200 miles or reach altitudes above 10 000 feet Coverage also includes information on caving which involves exploring caves that travel deep into the earth mountain biking and many other sports      *The Go Point* Michael Useem,2009-03-24 What do you do when it's time to get off the fence One of the world's most noted leadership

experts Michael Useem uses dramatic story telling to show how to master the art and science of being decisive He places you smack in the middle of people who faced their go point when actions or lack of them determined the fates of individuals companies and countries Why on earth did Robert E Lee send General George Pickett on an almost suicidal charge against the Union lines at Gettysburg How does the leader of a firefighting crew make life or death decisions when one direction means safety the other danger You ve just assumed responsibility for a scandal wracked corporation a company teetering on the brink of disaster What you decide over the course of the next several days will have consequences for thousands of employees and investors How do you fulfill your responsibilities You ll discover why some decisions were flawless perfectly on target and others utterly disastrous Most of all you ll learn how to make the right calls yourself whether you re changing your career launching a product or deciding on a potential acquisition or merger

The Ethics of Sports Coaching Alun R Hardman, Carwyn Jones, 2010-12-02 Is the role of the sports coach simply to improve sporting performance What are the key ethical issues in sports coaching practice Despite the increasing sophistication of our understanding of the player sport coach relationship the dominant perspective of the sports coach is still an instrumental one focused almost exclusively on performance achievement and competitive success In this ground breaking new book leading sport scholars challenge that view arguing that the coaching process is an inherently moral one with an inescapably ethical dimension involving intense relationships between players and coaches The Ethics of Sports Coaching critically examines this moral aspect develops a powerful idea of what sports coaching ought to be and argues strongly that coaches must be aware of the ethical implications of their acts The book is structured around four central themes the nature of coaching the character of the coach coaching specific populations and specific coaching contexts It explores in detail many of the key ethical issues in contemporary sports coaching including coaching special populations the ethics of talent identification understanding the limits of performance enhancement coaching dangerous sports expatriate coaching setting professional standards in sports coaching Combining powerful theoretical positions with clear insights into the everyday realities of sports coaching practice this is an agenda setting book It is essential reading for all students researchers and practitioners with an interest in sports coaching or the ethics and philosophy of sport

*Explorer Travellers and Adventure Tourism* Jennifer Laing, Warwick Frost, 2014-08-04 This book examines the nexus between exploring and tourism and argues that exploration travel based heavily on explorer narratives and the promises of personal challenges and change is a major trend in future tourism In particular it analyses how romanticised myths of explorers form a foundation for how modern day tourists view travel and themselves Its scope ranges from the Golden Age of imperial explorers in the 19th and early 20th centuries through the growth of adventure and extreme tourism to possible future trends including space travel The volume should appeal to researchers and students across a variety of disciplines including tourism studies sociology geography and history
