The Annotated Poe Edgar Allan Poe, 2015-10-26 Presents a selection of Poe's tales and poems with in depth marginal notes elucidating his sources obscure words and passages and literary biographical and historical allusions the Broadway Journal: The annotations Edgar Allan Poe, 1986 Thomas Ollive Mabbott had for nearly forty years planned and prepared for a comprehensive and authoritative collection of all of the writings of Edgar Allan Poe Sadly he lived only to see the volume of Poems make it into print His widow Maureen Cobb Mabbott worked with several of TOM s assistants to complete volumes II and III embracing the Tales and Sketches an effort that occupied another decade of care and dedication The material for subsequent volumes was not nearly as far along as it had been for the first three meaning that even more effort would be needed to proceed with the edition The responsibility fell to Burton R Pollin who had been personally selected by TOM Harvard University Press declined to continue as the publisher Instead the publication was undertaken initially by Twayne and then by Gordian Press which also reprinted the first volume issued by Twayne with a few minor corrections Gordian produced single runs of each volume comprising 500 copies each The collected edition still remained incomplete when Pollin died in 2009 Because it was specifically designed to complement the Mabbott volumes on the poetry and works of fiction there is no duplication of contents Treating the combination of volumes as a single series therefore the set is often referred to collectively as the Mabbott Pollin edition The Short Fiction of Edgar Allan Poe Edgar Allan Poe, 1976 The Short Fiction of Edgar Allan Poe brings together in one convenient edition all of the information a reader needs to understand Poe s stories Readable attractive and accessible to a general reader or student it also provides a useful resource for the scholar and specialist Stuart Levine and Susan Levine tracked down information that is often highly specialized and hard to come by through an extensive program of literary sleuthing an investigation that took him through the hundreds of places where scholars make their contributions to knowledge **Short Story Index** ,1979 Rudolf Arnheim Rudolf Arnheim, 1997 Eminent contributors celebrate the distinguished career of art and film theorist Rudolf Arnheim Landscape Allegory in Cinema D.
