Encyclopedia of Domestic Violence Nicky Ali Jackson,2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research The first ever publication of an encyclopedia of domestic violence the principal aim of this title is to provide information on a variety of traditional and breakthrough issues in this complex phenomenon [Encyclopedia of Domestic Violence](#) Nicky Ali

Jackson,2007-12-11 The Encyclopedia of Domestic Violence is a modern reference from the leading international scholars in domestic violence research This ground breaking project has created the first ever publication of an encyclopedia of domestic violence The primary goal of the Encyclopedia is to provide information on a variety of traditional as well as breakthrough issues in this complex phenomenon The coverage of the Encyclopedia is broad and diverse encompassing the entire life span from infancy to old age The entries include the traditional research areas such as battered women child abuse and dating violence However this Encyclopedia is unique in that it includes many under studied areas of domestic violence such as ritual abuse torture within families domestic violence against women with disabilities pseudo family violence and domestic violence within military families It is also unique in that it examines cross cultural perspectives of domestic violence One of the key special features in this Encyclopedia is the cross reference section at the end of each entry This allows the reader the ability to continue their research of a particular topic This book will be an easy to read reference guide on a host of topics which are alphabetically arranged Precautions have been taken to ensure that the Encyclopedia is not politically slanted rather it is hoped that it will serve as a basic guide to better understanding the myriad issues surrounding this labyrinthine topic Topics covered include Victims of Domestic Violence Theoretical Perspectives and Correlates to Domestic Violence Cross Cultural Perspectives and Religious Perspectives Understudied Areas within Domestic Violence Research Domestic Violence and the Law and Child Abuse and Elder Abuse

Communicating to Manage Health and Illness Dale E Brashers, Daena

Goldsmith,2009-08-11 Communicating to Manage Health and Illness is a valuable resource for those in the field of health and interpersonal communication public health medicine and related health disciplines This scholarly edited volume advances the theoretical bases of health communication in two key areas 1 communication identity and relationships and 2 health care provider patient interaction Chapters aim to underscore the theory that communication processes are a link between personal social cultural and institutional factors and various facets of health and illness Contributors to the work are respected scholars from the fields of communication public health medicine nursing psychology and other areas and focus on ways in which patient identity is communicated in health related interactions This book serves as an excellent reference tool

and is a substantial addition to health communication literature **Violence in the Home** Karel Kurst-Swanger, Jacqueline L. Petcosky, 2003-03-27 Violence in the home is one of the most damaging and widespread of social problems It is an issue that cuts across all socioeconomic racial ethnic gender and age boundaries This important book reviews the most current theoretical explanations of family violence and then links theory to practice It looks at the systems and institutions that interact with families which are mandated to provide protection and services and explores the current debates surrounding family violence and public policy In addition Kurst Swanger explores the role of power in abusive relationships and considers the short and long term consequences of abuse This insightful book will be a practical resource for professionals and of interest to all those concerned with the far reaching impact of family violence *Ditch That Jerk* Pamela Jayne, 2011-02-15 Neither weighed down by research nor weightless with airy promises *Ditch That Jerk* is a gritty honest and most of all experienced view of physical and emotional abusers and their effect on victims Engagingly written it shows women how to assess their partners and relationships for potential abuse and for potential change or not Author Pamela Wiseman uses examples from counseling sessions to illustrate how the mind of an abusive man works and how to identify the patterns She details the tricks used by such men to keep women in line and discusses warning signs alcohol and drugs and the excuses people use to explain abuse Optimistic and empowering without candy coating a difficult topic this book gives women the tools to make clear headed decisions about damaging relationships
