## **The Drayton Diaries:**

**The Drayton Diaries** Robert W. Stephens, 2014-12-02 Jon Drayton has no idea of the power lying dormant inside him. He had lived an ordinary life but everything changes the night of the accident. His sister's car is demolished by a drunk driver leaving her paralyzed from the neck down. But with simply the touch of his hand Drayton heals her. He has no idea how he did it and soon everyone is calling it a miracle. Less than a week later someone attempts to murder Drayton. Confused and trying to deal with what's happening to him, Drayton spends the next several years on the run, moving from town to town working odd jobs, barely staying one step ahead of the Unknowns, a mysterious powerful group who wants him dead. Unwilling to remain hidden in the shadows, Drayton cures a woman of cancer and the Unknowns come for him again. Drayton is critically wounded in the attack and only his supernatural ability to heal himself allows his escape. A mysterious voice from the past sends Drayton on a desperate journey to the ruins of King's Shadow, a 17th century plantation house in Virginia that was once the home of Henry King, the wealthiest and most powerful man in North America and who has now been lost to time. There Drayton meets the beautiful archaeologist Laura Girard who has discovered a 400 year old manuscript in the ruins. For Drayton, this partial journal written by a slave may somehow hold the answers to his life's mysteries. Together Drayton and Laura desperately search for the remaining pages of the manuscript, hoping they can also survive the vicious attacks of the Unknowns. Along the way Drayton discovers his abilities are far more remarkable than he ever imagined. *The Archaeology of Slavery and Plantation Life* Theresa A. Singleton, 2016-09-16 This volume represented a compilation of interdisciplinary research being done throughout the American South and the Caribbean by historians, archaeologists, architects, anthropologists and other scholars on the topic of slavery and plantations. It synthesizes materials known through the 1980s and reports on key sites of excavation and survey in the Carolinas, Barbados, Louisiana and other locations. Contributors include many of the leading figures in historical archaeology. *Henslowe's Diary* Philip Henslowe, 2002-10-24 The diary of Philip Henslowe, owner of the Rose Theatre in London during the 1590s, remains the most valuable source of information about the workings of the Elizabethan public theatres. Discussions of theatres and drama in the age of Shakespeare routinely refer to Henslowe, whose diary touches on every aspect of the day-to-day operations of the Rose and the companies of actors, especially the Admiral's Men. The diary preserves the account book of an Elizabethan theatre owner who was also the father-in-law of the leading actor Edward Alleyn and contains many miscellaneous and personal entries. The first edition of Henslowe's Diary, published in 1961, has long been out of print. It provides a thorough introduction to the manuscript, a full transcription of the document itself and several helpful appendices and indexes. For this second edition, one of the original editors, R. A. Foakes, has added a new preface and reading list. **Lynnehurst, Books I & II** Sarah Ditchburn Neal, 2014-08-03 LYNNEHURST IS A PORTRAIT of a Canadian family reaching back to the early years of our nationhood and stretching forward into the twenty-first century. web jun 26 2023 the mass of 0.01 mol of hydrogen gas  $\text{H}_2$  is 0.02g this is because the molar mass of  $\text{H}_2$  is 2 g/mol 1 g/mol for each hydrogen atom so multiplying the molar mass by the number of moles gives the mass in this case 0.01 mol multiplied by 2 g/mol equals 0.02g therefore the correct answer is 0.02g
