The Duel Between France And Germany:

The Duel Between France and Germany Charles Sumner, 2021-05-20 In *The Duel Between France and Germany* Charles Sumner delves into the intricate and tumultuous relationship between two of Europe's most powerful nations during a pivotal chapter of history. Written in a robust yet accessible literary style, Sumner employs comprehensive analysis and vivid rhetoric to elucidate the political dynamics that culminated in the Franco-Prussian War. The book situates the conflict within the larger context of 19th-century nationalism and imperialism, exploring how cultural, economic, and territorial disputes intensified hostilities between France and Germany. Charles Sumner, a distinguished American politician and abolitionist, was deeply influenced by the philosophical currents of his time, particularly notions of liberty and equality. His experiences as a senator during periods of intense political strife in America, particularly the Civil War, equipped him with unique insights into the destructive forces of division, fuelling his desire to understand and articulate the causes and consequences of international conflicts, particularly in Europe. This book is a must-read for historians and political enthusiasts alike, offering readers a nuanced understanding of Franco-German relations. Sumner's keen observations and thoughtful interpretations not only illuminate the past but also resonate with contemporary geopolitical landscapes, making it a timeless contribution to political discourse.

The Duel Between France and Germany Charles Sumner, 2007-12 Senator Charles Sumner 1811-1874 was an American politician and statesman. An academic lawyer and a powerful orator, Sumner was the leader of the antislavery forces in Massachusetts and a leader of the Radical Republicans in the United States Senate during the American Civil War and Reconstruction, along with Thaddeus Stevens. He jumped from party to party, gaining fame as a Republican. One of the most learned statesmen of the era, he specialized in foreign affairs, working closely with Abraham Lincoln. He devoted his enormous energies to the destruction of what he considered the Slave Power, that is, the conspiracy of slave owners to seize control of the federal government and block the progress of liberty. Sumner was a leading proponent of abolishing slavery to weaken the Confederacy. The annexation of Texas, a new slave-holding state, in 1845 pushed Sumner into taking an active role in the anti-slavery movement. He helped organize an alliance between Democrats and the newly created Free Soil Party in Massachusetts in 1849. His works include *The Duel Between France and Germany* (1870), *Works* (1870), and *The Best Portraits in Engraving* (1875).

The Duel Between France and Germany Charles Sumner, 2015-06-25 Excerpt from *The Duel Between France and Germany With Its Lesson to Civilization*. Mr. President, I am to speak of the Duel between France and Germany with its Lesson to Civilization. In calling the terrible war now waging a duel, I might content myself with classical authority, duellum being a well-known Latin word for war. The historian Livy makes a Roman declare that affairs are to be settled by a pure and pious duel; the dramatist Plautus has a character in one of his plays who obtains great riches by the duelling art, meaning the Art of War; and Horace, the exquisite master of language, hails the

age of Augustus with the Temple of Janus closed and free from duels meaning at peace for then only was that famous temple shut War Under the Law of Nations a Duel But no classical authority is needed for this designation War as conducted under International Law between two organized nations is in all respects a duel according to the just signification of this word differing from that between two individuals only in the number of combatants About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **The Duel**
