John Robert Connon, 1930 [The Early History of Elora, Ontario and Vicinity](#) John Robert Connon, 1975 **The Canada Company and the Huron Tract, 1826-1853** Robert C. Lee, Robert Charles Lee, 2004-08-20 The Canada Company with its base in England was responsible for settling over two million acres of land in Upper Canada Author Robert C Lee focuses on the Huron Tract and on the dominant personalities many of them Scottish born ranging from John Galt and Tiger Dunlop to the bishops Macdonell and Strachan who had an impact on the company's operations The politics of the day coupled with the diversity of the players create an astounding blend of vision intrigue and mischief as a backdrop to the bottom line profit

aspirations of the company's shareholders The founding of towns Guelph Goderich Stratford St Marys and others in the area is one of the legacies of the company Lee's extensive research reveals a significant period in Ontario's history **History of Agriculture in Ontario 1613-1880** Robert Leslie Jones, 1946-12-15 This comprehensive history of Ontario's agricultural development first published in 1946 is a classic of scholarship and readability It will appeal not only to agriculturalists and historians but also to anyone interested in life in early Ontario **Dictionary of Canadian Biography / Dictionnaire Biographique Du Canada** Frances G. Halpenny, Jean Hamelin, 1990-05 These biographies of Canadians are arranged chronologically by date of death Entries in each volume are listed alphabetically with bibliographies of source material and an index to names **The Rural-urban Fringe in Canada** Kenneth B. Aitken, 1978 **Canadian Migration Patterns from Britain and North America** Barbara Jane Messamore, 2004 This collection of essays represents a selection of the papers presented at the 1998 Migration conference at the Centre of Canadian Studies at the University of Edinburgh Acknowledgements **Charles Clarke, Pen and Ink Warrior** Kenneth C. Dewar, 2002-06-10 When Charles Clarke settled in Elora Ontario in 1848 he joined the ranks of the province's radical reformers becoming a vigorous critic of everything in Canada that smacked of the old regime rank privilege and monopoly and an enthusiastic supporter of everything promised by the new equity democracy and individual opportunity He played a prominent role in drafting the Clear Grit platform of 1851 supporting such ideas as a householder's suffrage the secret ballot and representation by population He later espoused the two great causes of nineteenth century Anglo Canadian liberalism provincial rights in Canada and Irish Home Rule in Britain Equally involved in local affairs from the Sons of Temperance to the Natural History Society Clarke tirelessly promoted the natural beauties of Elora and tried to protect the environment of the Grand River gorge from the ravages of industry and human carelessness Using Clarke's journalistic writings his private diary and a memoir he wrote later in life Kenneth Dewar paints a vivid picture of Clarke's evolving sense of himself and his world in an age of profound transformation **Early Life in Upper Canada** Edwin C. Guillet, 1933-12-15 Although there were abundant hardships early life in Upper Canada was romantic and colourful in many ways However despite important contributions to the social and economic history of Canada few good comprehensive accounts have been generally available Early Life in Upper Canada originally published in 1933 is by far the finest history yet compiled and it is now being reprinted in order to make available to a new generation an important and engrossing description of this area of Canadian history The author a distinguished Canadian historian has drawn on contemporary letters diaries newspapers and periodicals as well as consulting all the existing histories and he has supplemented these researches with interviews with persons who had personal contacts with early life in the Province Mr Guillet has compiled a thorough accurate and delightfully readable history that brings

vividly to life the early settlers and their experiences This is in accordance with the author s profound desire to make the study of Canadian history a delight rather than a chore He has not concealed the unpleasant aspects of pioneer life nor does he attempt to glamorize its difficulties There is a tendency at times to forget that the founders of Upper Canada include hundreds of thousands of men and women of many nationalities and fur traders lumbermen and voyageurs as well as settlers Their contributions too are acknowledged and recorded here This book is profusely illustrated with drawings made in many cases by army cartographers who were skilled creative artists as well Their paintings fortunately have been better preserved than were written accounts of the times and are accurate depictions of pioneer life The extensive bibliography and carefully prepared index will make this work invaluable for historians as well as for general readers **A Trail Called Home** Paul O'Hara,2019-05-04 Through a greater understanding of trees in the Golden Horseshoe we can become more rooted to the land beneath our feet and our place in it **Beautiful Ontario Towns** Fred Dahms,2001-05-15 Beautiful Ontario Towns captures the unique heritage preserved in southwestern Ontario s small towns and villages Fred Dahms has selected ten prosperous picturesque communities that offer a welcome respite for city dwellers looking for a pleasant outing or a new place to live Some like St Jacobs Elora and St Marys are already well known Others like Neustadt or Thornbury are an unexpected surprise Each of these settlements would make a comfortable and enjoyable day s outing for residents of Toronto Hamilton Kitchener Waterloo or the other large cities of southwestern Ontario Fred Dahms who has made a special study of small towns in the province shares his knowledge of each place s history its amenities and the reasons for its success Lavishly illustrated with full colour photographs Beautiful Ontario Towns also includes maps and key statistical information for each place [A Bibliography of the History of Canadian Science and Technology](#) Arnold E.
