The Economic Report Cnn:

Mexicano and Latino Politics and the Quest for Self-Determination Armando Navarro, 2015-01-08 This book examines the current status of Mexicano and Latino politics in the United States Political scientist and community activist Armando Navarro maintains that both represent a dysfunctional and failed mode of politics attributable to their system maintenance and mainstream ideological orientation and approach As colonial agents they protect both a United States that is decaying and declining and the degenerative liberal capitalist system Navarro argues that the United States is not a representative democracy but in fact is a White Corpocratic Dictatorship controlled by Capital which is evolving into a Fascist State The book provides an in depth analysis and contention that Mexicanos and Latinos in Aztlan Southwest are an occupied and internal colonized people It argues they are the Palestinians and Kurds of the United States His supposition is sustained by the book's profiles of Mexicano political history demography socioeconomics electoral politics immigration and the Triad Crisis e g Second Great Depression Global Economic Crisis and Global Capitalist Crisis Each chapter provides the justification and case for Navarro's two unique alternative change models applicable to today's bankrupt and failed Mexicano and Latino Politics in the twenty first century The preferred model is Aztlan's Politics of a Nation Within a Nation APNWN which is based on the models of the Mormon Nation of Utah and that of French Quebec Navarro therefore calls for the reformation of the United States liberal capitalist system by way of social democracy for the empowerment of Mexicanos and Latinos His second model is Aztlan's Politics of Separatism APS which offers two strategic options 1 Aztlan Southwest becoming a separate and sovereign nation state or 2 its reannexation and re integration with Mexico Navarro outlines a plan of action for building a New Movement designed to attain APNWN or APS In addition several ominous forecasts are made such as the United States being in a state of decline and no longer a hegemonic superpower due to the rise of a multi polar world Moreover Navarro attributes the United States decline to the inherent contradictions of global capitalism His sobering message is that if the current economic conditions are left unchanged this will produce an End of Times scenario the unleashing of the Four Horseman of the Apocalypse

A Corporate Welfare Economy James Angresano, 2016-02-12 Although political rhetoric and public perception continue to assume that the United States is the very definition of a free market economy a different system entirely has in actuality come to prominence over the past half century This Corporate Welfare Economy CWE has come about as government come increasingly under the influence of corporate interests and lobbyists with supposedly equalising factors such as regulation skewed in order to suit the interests of the privileged while an overwhelming majority of US citizens have experienced a decline in their standard of living James Angresano examines the characteristics of this mode of capitalism both from the theoretical point of view but also with key reference to the different sectors of the economy trade manufacturing industry and defense among them
