Vincent Shelton, 2014-10-29 The prophets of old warned that certain key end time prophecies wouldn't be revealed until the time of the end For centuries scholars have curiously wandered through a valley of endless supposition hoping to stumble upon a proper understanding of end time events Hence much of our teaching about the latter days is not strongly supported by scripture Well finally the time of the end has come Today we can scripturally prove the answers to questions like Will the Rapture of the Church occur before during or after The Great Tribulation Period Will the Beast really be a man Will the Door of Salvation still be open when the tribulation period ends Who or what are the two hundred million killer horsemen in John's vision Is our interpretation of end time prophecy emotionally obscured The scripturally sound answers to these questions will likely surprise you **Four Views of the End Times** Rose Publishing, Timothy Paul Jones, 2021-08-03 So what does the Bible actually say about the end times that lead to the return of Jesus Christ The differing ideas that divide believers into four major points of view are examined in the Four Views of the End Times pamphlet This bestseller tackles Pre and Post millennialism as well as Historic Premillennialism and Amillennialism in 12 panels of objective information For each view the full color pamphlet includes A definition of the position with supporting Scriptures A time line of the view's popularity A sampling of Christian leaders supporting that view The events leading up to the return of Jesus Christ are controversial and many Christians identify with one of four positions Dispensational Premillennialism Historic Premillennialism Amillennialism or Postmillennialism The Four Views of the End Times pamphlet makes the viewpoints and their biblical support easy to understand Packed with information regarding what Jesus and Paul taught about the end times the pamphlet also includes a list of important terms and their definitions such as Church Eschatology Rapture The Great Tribulation Preterism Four Views of the End Times pamphlet addresses end time eschatology outlining the four major points of view regarding events leading up to the second coming of Christ Below is the outline applied to each of the four views with a few examples What is emphasized by the view Which Scriptures seem to support the position The time period for the view's main popularity Dispensational Premillennialism Gained acceptance in the 1800s and is still widespread Historic Premillennialism The earliest view following the time of the apostles Amillennialism Emerged in the 5th century championed by St Augustine Postmillennialism Became popular in the 1800s but decreased in 1900s as a result of the Great Depression A graphic timeline showing the order of events held by that view A sampling of Christian leaders sharing the viewpoints Dispensational Premillennialism Dr Charles Stanley Rev Tim LaHaye Hal Lindsay Historic Premillennialism Justin Martyr AD 100 165 John Warwick Montgomery current Amillennialism Martin Luther John Calvin Postmillennialism Jonathan Edwards C H Spurgeon R C Sproul The End Times in Chronological Order Ron Rhodes, 2012-08-01 Bible prophecy expert Ron

Chronicles of the End Times Mark Davidson, 2018-10-05 Mark Davidson author of Daniel Revisited has created a unique interpretation of end time Bible prophecy using the ancient concentric reading method known as chiasmatics Lost centuries ago it was rediscovered by seminary scholars in the eighteenth century This reading method reveals the form of the scripture text via the flow of its words giving us a heightened sensitivity to the words in the text When combined with the words meanings we receive a greater understanding of prophetic scripture In Daniel Revisited Davidson

showed us the four signposts four events prophesied in Daniel 7 and 8 and Revelation 6 to occur in the Middle East prior to the Rapture and Tribulation Now in Chronicles of the End Times chiastic reading has been applied to all of Daniel Revelation and other books pulling back the veil further to expand our view from four events to all the main events from the Middle East to the ends of the earth A chiastic reading of Daniel Zechariah 1 6 Matthew 23 25 and Revelation all shown in ninety illustrations yields many solid answers to the following questions as well as to many others How do Daniel 2 and 7 interact and why are the kingdoms metals and beasts What s the purpose of Daniel s Aramaic chapters and how do they affect the end times Which parts of Daniel 11 are to be fulfilled in ancient times versus end times What is the real identity of Mystery Babylon and how does this help us in the end times How do the two scrolls of Revelation give greater understanding of the trumpets and bowls What are the Seven Events of the end times and which one is next This all may seem incredible for one book but is nevertheless true The chiastic reading of Bible prophecy revolutionizes our view of the end times and how we read Bible end time prophecy

Jesus, Revelations, the End Times, and Me Kevin Dickerson, 2020-08-24 This book is written for the sole purpose of showing people the signs of the times the end times It began as a documentation of the things that Jesus himself has shown and explained to the author The author didn t want to forget these things so right after the visitations he would get up and go to his computer to write these things down He would do so while he could remember every little detail Some of the things in this book would come to pass weeks after he was shown them and some are still being revealed to him today some twenty five years later This project is not done for book sales or mammon no that is not the Father s purpose The author s purpose is to scream from the roof top to announce his coming to try to get the attention of mankind to warn them To warn them to fear God and to turn to him as He will then turn to them Yes people have been predicting the Father s coming for years claiming

earthquakes wars and rumors of wars All these things are true Instead of thirty five volcanos erupting a year thirty five volcanos erupt a day The last of the four world powers Rome has to rise again and even more importantly he said learn the parable of the fig tree These are two unmistakable signs of the times that cannot be duplicated The tribulation period is upon us If you know how to search the heavens you will find wormwood at our doorstep In this book there are pictures of a system of planets that are in our skies today that he believes accompanies Wormwood He would not mislead doctor any pictures for the sake of mammon Jesus said during the end of days man is going to experience a great deception
