Alexander Maclaren

The Expositors Bible Commentary Vol 7 Daniel And The Minor Prophets:

The Prophecies of Daniel 2 John S. Evans, 2008-05 Although Daniel 2:45 states that the great statue composed of four metals and with feet of clay reveals the future, relatively few biblical scholars have understood it as an amazingly accurate timeline that does exactly that. Liberals have been unwilling to consider that the statue's fourth kingdom is Rome. Most conservatives have recognized that it is Rome but they have gone astray by seeking a nonexistent link between that ancient empire and the modern world. The key to understanding the statue is to recognize that it presents a prophecy that was fulfilled in the first century by the Coming of Christ, which was the historical equivalent of the rock that destroys the statue. The rock's growth into the mountain that covers all of Earth foretells a process that began in the first century and includes the thousand years of Revelation 20. This process appears to have reached a historical climax in our own time. John S. Evans is a retired professor of economics and international finance who taught at the University of Alabama from 1968 until 2000, after beginning his teaching career in 1959 at the University of South Dakota. His professional accomplishments included a year in Mexico as a Fulbright Lecturer and the writing of a textbook on international financial management. Since 1996, when he went into partial retirement, his primary intellectual activity has consisted of the intensive study of the Bible with emphasis on the Book of Daniel. In 2004, he published with Xulon Press *The Four Kingdoms of Daniel: A Defense of the Roman Sequence with AD 70 Fulfillment*. The present book expands on parts of *The Four Kingdoms* and offers much new material. Evans has authored over thirty articles that have been posted at planetpreterist.com and has been a frequent guest on John Anderson's *Voice of Reason*.

The Case for Jesus the Messiah John Ankerberg, 2011-12-03 Are there remarkable prophecies in the Hebrew Scriptures which identify a future Messiah? Are these prophecies so exact that they predict specific future events such as the exact time, place of birth? Have these prophecies been miraculously fulfilled? If so, what does this signify? Could these prophecies indicate the Judeo-Christian Scriptures are a divine revelation, could they constitute evidence that even skeptics would have to consider? In this book, 3 scholars trained in apologetics, comparative religion, the Semitic languages, the Old Testament, examine the evidence for fulfilled prophecy. Do you like mysteries? Can you unravel from the Scriptural evidence the identity of the one predicted? The authors' approach to the topic is like searching for clues in a mystery novel. If you have ever asked if there is evidence that reveals the reality, nature of God, the answers the authors have uncovered may cause you to reexamine your view of reality.
