Fascinating and comprehensive in scope the *Dictionary of Real People and Places in Fiction* is a valuable source for both students and

teachers of literature and for those interested in locating the facts behind the fiction they read In a single scholarly volume it provides intriguing insight into the real identity of people and places in the novels of over 300 American and British authors published in the nineteenth and twentieth centuries *The Far Side of the World (Vol. Book 10) (Aubrey/Maturin Novels)* Patrick O'Brian, 2011-12-05 The tenth installment in the beloved epic Aubrey Maturin series and inspiration for the major motion picture starring Russell Crowe The War of 1812 continues and Captain Jack Aubrey sets course for Cape Horn on a mission after his own heart intercepting a powerful American frigate outward bound to wreak havoc with the British whaling trade Meanwhile Stephen Maturin has a mission of his own in the world of secret intelligence and comes face to face with the harsh realities for women of the age Disaster in various guises awaits them in the Great South Sea and in the far reaches of the Pacific typhoons castaways shipwrecks an ill fated affair murder and criminal insanity as well as a bold rescue by a crew of seafaring female warriors Remarkable, Unspeakable New York Shaun O'Connell, 1997-08-31 From Old New York to the Harlem Renaissance the Algonquin Round Table to the New York Intellectuals the beginning of the nineteenth century to the end of the twentieth Remarkable Unspeakable New York offers a sweeping new view of New York's place in the American literary imagination James Baldwin Saul Bellow E L Doctorow F Scott Fitzgerald Oscar Hijuelos Langston Hughes Washington Irving Henry James Toni Morrison Dorothy Parker Edith Wharton Walt Whitman and Tom Wolfe are among the many writers whose literary legacies are brought to life *Some Unfinished Chaos* Arthur Krystal, 2023-09-12 Surely enough has been written about F Scott Fitzgerald the man who coined the Jazz Age and symbolized the Roaring Twenties whose very name conjures up a meteoric rise and an equally spectacular fall But the better question might be Why has so much ink been spent on a writer who completed only four novels who fell from grace in the 1930s only to be resurrected twenty years later The answer according to the cultural critic Arthur Krystal is the problem that is Fitzgerald Drawn to the glitter of fame but aspiring to the empyrean heights of Joseph Conrad and James Joyce Fitzgerald careened from the perfection of *The Great Gatsby* to the hack world of Hollywood screenwriting penning stories that were either brilliant distillations of the age or superficial works of fiction Like America itself Fitzgerald was a work in progress a self created and conflicted human being striving for ideals that neither he nor the nation could ever live up to Beset by contradictions buoyed by hope fueled by alcohol unable to settle permanently in any one place Fitzgerald possessed what John Updike aptly described as an aptitude for chaos and a dream of order In this unusual and concise biography more a layering of impressions than a chronological guide Krystal gives us not only the peripatetic and turbulent life of a cultural icon but also the intellectual sweep of a period in history that created our modern America *Some Unfinished Chaos* delivers a nuanced portrait of a man whose various sides embodied the trends passions and pursuits of the imperfect society that both glorified and dismissed him **The Gun and the Pen** Keith Gandal, 2010-05-06 Ernest Hemingway F Scott Fitzgerald and William Faulkner stand as the American voice of the Great War But was it warfare that drove them to write Not according to Keith

Gandal who argues that the authors famous postwar novels were motivated not by their experiences of the horrors of war but rather by their failure to have those experiences These quintessential male American novelists of the 1920s were all for different reasons deemed unsuitable as candidates for full military service or command As a result Gandal contends they felt themselves emasculated not as the usual story goes due to their encounters with trench warfare but because they got nowhere near the real action Bringing to light previously unexamined Army records including new information about the intelligence tests *The Gun and the Pen* demonstrates that the authors frustrated military ambitions took place in the forgotten context of the unprecedented U S mobilization for the Great War a radical effort to transform the Army into a meritocratic institution indifferent to ethnic and class difference though not to racial difference For these Lost Generation writers the humiliating failure vis vis the Army meant an embarrassment before women and an inability to compete successfully in a rising social order against a new set of people *The Gun and the Pen* restores these seminal novels to their proper historical context and offers a major revision of our understanding of America s postwar literature **Hero's Tale** David H Lynn,1989-01-24 [The Chosen](#) Jerome Karabel,2005 Drawing on decades of research Karabel shines a light on the ever changing definition of merit in college admissions showing how it shaped and was shaped by the country at large

The Music of Time John Minahan,2001-10 *The Music of Time* is a riveting life story that reads like a fine novel giving voice to the author s sensibilities secrets and fears without traces of inhibition All the major and minor characters are here an astonishing variety of men and women who have influenced the writer s life and work over a period of six decades We discover precisely how he learned the craft of novel writing his lifelong passion for music that became a catalyst for his creativity and how an unexpected insight at Harvard would dramatically change his life This book is the haunting self portrait of a truly gifted American artist still working whose reputation is secure among the finest writers of his generation *The Far Side of Forever* Robert Zorich,2013-08-20 *Time Immutable Untouchable* A river always streaming past us Something we cant ever turn back or fix Or can we John Gillian renowned physicist and Rebecca Harleson renaissance thinker and mathematician and their team have created the first machine capable of sending messages through infinite time and space Their invention causes shock waves throughout the world and become the target of protestors and unscrupulous politicians The possibilities for misuse are endless When the newly appointed Secretary of Technology Development takes over the project to prevent a tragedy from occurring the warnings of side effects are ignored The results are a world spinning out of control as great paradoxes are manifested around the team and their device Now only Gillian and his team can get back to the source and stop the escalating events before they unfold **Princeton Alumni Weekly** ,1950 [The Far Side of the Dollar](#) Ross Macdonald,2010-12-29 In *The Far Side of the Dollar* private investigator Lew Archer is looking for an unstable rich kid who has run away from an exclusive reform school and into the arms of kidnappers Why are his desperate parents so loath to give Archer the information he needs to find him And why do all trails lead to a derelict Hollywood hotel where
