## **The Fire Mystery Of Awareness:**

**The Fire & Mystery of Awareness** Burt Harding, 2014-12-08 Most spiritual aspirants face confusion during the process of moving from intellectual knowledge to the actual experience of their innate Wholeness when ordinary consciousness is intermixed with pure awareness Pure awareness and consciousness are vastly different and opposites Once there is a clear cut understanding of the difference then and only then comes the very recognition that will bring an awakening to the truth of our Oneness Containing the missing link this book is about finally awakening to the Presence you are and always have been

*The Revelations* Erik Hoel, 2021-04-06 An edgy and ambitious debut by a powerful new voice in contemporary literary fiction Monday Kierk wakes up Once a rising star in neuroscience Kierk Suren is now homeless broken by his all consuming quest to find a scientific theory of consciousness But when he is offered a spot in a prestigious postdoctoral program he decides to rejoin society and vows not to self destruct again Instead of focusing on his work however Kierk becomes obsessed with another project investigating the sudden and suspicious death of a colleague As his search for truth brings him closer to Carmen Green another postdoc their list of suspects grows along with the sense that something sinister may be happening all around them *The Revelations* not unlike its main character is ambitious and abrasive challenging and disarming Bursting with ideas ranging from Greek mythology to the dark realities of animal testing to some of the biggest unanswered questions facing scientists today *The Revelations* is written in muscular hypnotic prose and its cyclically dreamlike structure pushes the boundaries of literary fiction Erik Hoel has crafted a stunning debut of rare power an intense look at cutting edge science consciousness and human connection

**A New Awareness** Dominic Arcamone, 2024-02-29 A New Awareness is an endeavor of affection and generosity toward Sebastian Moore The book examines his key theological insights and themes over seventy years and proposes that they are still relevant today for the Christian Community He was a theologian and poet He wrote about many theological topics the significance of Jesus the experiences of the disciples and their meaning for us redemption the Trinity sexuality and ecclesiology and original sin But he is mainly known for being the theologian of desire self love to self gift desire is love trying to happen to be myself for another and the insight that there is no more wonderful reality than to be desired by the one you desire

**The Wonder of Touch** William E. Dorman, 2021-04-19 The central message of this book is that the well being of body mind spirit and planet requires that we nurture our connections From our skin to the cosmic to sights and sounds to the Transcendent this book takes us by the hand to marvel at how life itself is a constellation of interrelationships of touch We

cannot not touch and be touched Humans live in a biosphere of touch the touch thriving and bustling within our bodies the touch of our relationships with family and friends the touch between neighbors the touch with Mother Nature and the touch with the Transcendent Selfishness and self centeredness are the powers withering us and the planet In our confrontation with our anxiety at death guilt and meaningless we sever the very interrelations that nourish and enrich life It is imperative as perhaps never before that we restore our touch with our deepest selves others Mother Nature and the Transcendent

*The Division of Consciousness* Peter Novak,1997-05-01 Drawing on mythology psychology religion and science as well as past life regression and near death experiences Peter Novak explores the nuances of what really happens to the soul after death Eastern and Western philosophies have disagreed on this point for centuries After ten years of intensive investigation his conclusions are a ground breaking blend of east and west explaining how this division may have arisen and how it is likely to be resolved

**Passing Through the Fire** D. C. Kerns,2011-07-13 The ideas presented within these pages can help the reader focus on improving self and community through imagination and thinking There is hope for change when the inspiration comes from within When it comes to freedom of thought it is easier to change one mind at a time than entire cultures As long as there are individuals who express optimism for such change there is hope for all of us The topics cover common themes that people and society come across while passing through the fire of daily life These themes are about all of us They are about time space matter spirit humanism and universalism They attempt to explain by seeding the complex with the simple There are no endings only beginnings in awareness when its purpose is to unify consciousness on Earth with universal life When this occurs rightly our perceptions will move us into that next stage of being universal inclusiveness and its eternal expansion

Loveland, 2011-01-19 The Book of Consciousness by Dr Bara H Loveland Have you ever wondered what Consciousness is or the mind the unconscious or Archetypes and Symbols how they work and how to define these Without arriving at the reach of Consciousness there are numerous books on consciousness there are conferences held and groups searching for consciousness with dictionaries attempting to define it Why have they not found the ultimate definition of Consciousness to this day of the publication of The Book of Consciousness in January 2011 Could Bara's new book The Book of Consciousness hold the answer Can it deliver the ultimate in Consciousness There are many other questions which science has not positively answered yet Why is it that our brain cerebrum seat of the mind has to be calmed from 40 Hertz to 8 Hertz or less literally put to sleep in order to reach highest states of awareness although the cerebrum is supposed to be the seat of the world's highest intelligence Why is this seat of highest intelligence polluting the earth to the brink of dying of life Why is the unconscious called unconscious when it is able to construct meaningful dreams and is there a difference between an Archetype and a Symbol appearing in dreams and myths Could a neurosis not be a disease And what is it the mind really knows Profound contemplation of Consciousness must lead to further questions about the origins of Archetypes and Symbols about wisdom and similarities of ancient Stone Age Symbols East Indian and Egyptian scriptures Runes Mayan glyphs and biblical Symbols or world religions in general One may wonder why an Egyptian god is frequently named in Christian churches and is mentioned in both the Old and the New

Testaments Is God He and could He exist Could there be a different world behind our visible one and could we have Bio Modulators to sense the other world What can we learn from a Germanic king Is it possible that we have more than five senses and how many diseases could naturally exist Can the DNA communicate and how many laws exist in the universe What is the meaning of certain Bible verses and what could have been the message Jesus gave the world on the cross Is New Age wisdom contained in the Bible and could it be that common science limits itself when excluding miracles it could perform with ease protecting the animals from harm Are there more levels of logic than one How could we realize or activate them What is the role our belief plays in our life and in science The Book of Consciousness begins where common science ends Be surprised by the innovative answers with some published about 30 years ago by this author Be captivated by the author's authentic new style by the insights humor and vivid experiences enjoy the 40 figures and tables as well as exercises to reach altered states of awareness naturally and at will May The Book of Consciousness raise into Oneness the conscious of all those who read its 640 pages may they be the igniters inspiring divine Oneness and Love in the perception of all Genre Specialty Books *Cosmic Consciousness* Richard Maurice Bucke, 1923 **Cosmic Consciousness** Elizabeth Clare Prophet, Mark Prophet, 1976 Mark L Prophet walked before us as a friend on the spiritual path He illustrated Truth as a day to day experience of God that can come to all His tender lessons will lead you to a new dimension of awareness cosmic consciousness The author also shares teachings on the Divine Mother the presence of love the eternality of being and the aura as an expanding egg of cosmic consciousness Includes a guided meditation for nourishing the heart and the soul

**Consciousness from a Broad Perspective** Anders Hedman, 2017-05-23 This volume offers an introduction to consciousness research within philosophy psychology and neuroscience from a philosophical perspective and with an emphasis on the history of ideas and core concepts The book begins by examining consciousness as a modern mystery Thereafter the book introduces philosophy of mind and the mind body problem and proceeds to explore psychological philosophical and neuroscientific approaches to mind and consciousness The book then presents a discussion of mysterianist views of consciousness in response to what can be perceived as insurmountable scientific challenges to the problem of consciousness As a response to mysterianist views the next chapters examine radical approaches to rethinking the problem of consciousness including externalist approaches The final two chapters present the author's personal view of the problem of consciousness Consciousness remains a mystery for contemporary science a mystery raising many questions Why does consciousness persist as a mystery Are we humans not intelligent enough to solve the riddle of consciousness If we can solve this mystery what would it take What research would we need to conduct Moreover the mystery of consciousness prompts the larger question of how well the cognitive sciences have actually advanced our understanding of ourselves as human beings After all consciousness is not just a minor part of our existence Without consciousness we would not be human beings at all This book aims to increase the accessibility of major ideas in the field of consciousness research and to inspire readers

to contribute to the ongoing discussion of the place of consciousness in nature

### **Consciousness** Petros

Michaelides, 2025-05-05 Consciousness is not just a book it's an awakening This powerful book is not just meant to be read it's meant to be experienced Through piercing insight and grounded wisdom the author invites you to question everything you thought you knew about reality identity and the mind Whether you are on a spiritual path or simply seeking clarity in a chaotic world this book will help you In a world dominated by distraction division and the relentless pursuit of identity Consciousness invites you on a rare and transformative journey inward With profound clarity and grounded insight this contemplative work explores the illusion of the ego the mystery of awareness the nature of time and self altered states transcendence artificial intelligence and the unspoken truth behind existence itself Written in a calm yet piercing voice Consciousness dissolves spiritual clichés and modern confusion alike offering a direct path to stillness presence and a deeper knowing that cannot be taught but only remembered For seekers thinkers mystics and anyone sensing there must be more beneath the noise Consciousness is not a doctrine It's not a manual It's an experience One that begins when the mind grows quiet and something ancient within begins to listen EXTRA Exploration on Artificial Intelligence Sentience Altered states of consciousness and our society is a collective hive mind Editorial Review I really loved it This book is worth reading if you are interested in self awareness or investigating important issues regarding life and the mind I adore how this book piqued my interest and increased my appetite for information as well as how the writers bridged different fields I heartily suggest this book Overall Score What I liked most about this book is how the author deals with the subject of Consciousness and Existence This book works for everyone especially for those looking for philosophy and inner growth Overall Score
