The Legend of the Grail Nigel Bryant, 2004 A single consistent and accessible narrative of the Grail story constructed from the principal motifs and narrative strands of all the original Grail romances The quest for the Holy Grail is one of the most important elements in the story of King Arthur Yet even among the many interested in the stories of the Round Table very few have read at first hand the medieval masterpieces which over a period of some forty years in the late twelfth and early thirteenth centuries together became the foundation of the legend of the Grail These romances full of bewildering contradictions and composed by a number of different writers with very different preoccupations dazzle with the sheer wealth of their conflicting imaginative detail In this new compilation the enthralling material becomes truly accessible through his interweaving of the principal motifs and narrative strands of all the original Grail romances to construct a single consistent version of the Grail story while clearly tracing the development of its enigmatic and potent theme All the mystery and drama of the Arthurian world are embodied in the extraordinary adventures of Perceval Gawain Lancelot and Galahad in their

pursuit of the Grail Told here as a unified coherent narrative the Grail legend reasserts its relevance as one of the great works of imaginative literature of the middle ages NIGEL BRYANT s previous Arthurian books include The High Book of the Grail Perlesvaus Chretien de Troyes Perceval and its Continuations and Robert de Boron s Merlin and the Grail **The Rose Without Thorns** Juwairiyah Kashif,2023-08-18 A mysterious island is brought into chaos when a unique presence is gone missing Who has taken it And why are the islanders distraught Follow the islanders as the chaos unfolds and see if there s any hope for redemption Will they have a saviour or are they doomed Open the book and see what secrets the mysterious island holds and how the unique presence that was keeping them afloat truly is one in a gazillion This Gothic thriller has all the punchiness to keep you breathless And all the mystery to keep you on your toes The whole world chaos of 2019 s Covid situation and that year s Halloween inspired the author to portray her feelings and thoughts about the world around her within her own fictional setting and scenario Don t be fooled into thinking it s a medical emergency themed book because it s anything but *The Queens of England: a Series of Portraits of Distinguished Female Sovereigns* Agnes Strickland,1854
