Aromatree Salvatore Battaglia,2019-09-04 Aromatherapy is one of the most popular forms of natural therapies available to us What makes essential oils so exciting is that they are the only plant based remedies that work on all levels of our wellbeing our physical emotional mental and spiritual wellbeing As an aromatherapy educator I often notice how frustrated people become when they have to learn the individual properties and actions of essential oils The *aromatree* identifies the relationships that exist between the individual essential oils and the different parts of a plant such as leaves roots resin wood fruits seed or flowers In *Aromatree* we examine the relationship and pattern between the botany of the plant traditional folklore symbolism mythology of plants aroma chemistry pharmacology essential oil safety our psyche our personality the chakras the energetics according to traditional Chinese medicine and Ayurveda and blending tips *Aromatree* embraces all aspects of aromatherapy Whether you are a beginner or a professional aromatherapist you will gain an incredible insight into using essential oils **Witchful Thinking** Zoë Howe,2022

Witchful Thinking is a fresh fun empowering guide to life from a magical perspective From stirring your tea to beating the patriarchy *Witchful Thinking* infuses every day with magic creating a joyful charmed life And you don t have to be a witch to benefit from a little witchful thinking Editor Wade **Awaken to Healing Fragrance** Elizabeth Anne Jones,2011-06-14 Written for both lay readers and practitioners *Awaken to Healing Fragrance* is divided into three parts structured around the past present and future of aromatherapy The book begins with profiles of prominent female historical figures from Cleopatra to Elizabeth I known to have used essential oils for mind body and spiritual health Part two explains the value of aromatherapy today modern methods for using essential oils from relaxation practices like massage and facials to treating common conditions like PMS stress and a sore throat and describes how and why they work Also featured are case studies research on anti infectious qualities of the oils and a section on psychoneuroimmunology that shows how essential oils can help restore the mind body spirit connection and create balance *Awaken to Healing Fragrance* concludes by exploring the future of essential oil therapy and how it can be integrated into traditional medical systems Jones discusses energetic medicine creating aromatic gardens and establishing integrative medicine clinics where doctors trained in Western medicine would collaborate with alternative therapists such as acupuncturists nutritionists and aromatherapists to bring a new consciousness and sense of well being to healthcare **Essence and Alchemy** Mandy Aftel,2011-04-01

An artisan perfumer reveals a lost art and its mysterious sensual history For centuries people have taken what seems to be an instinctive pleasure in rubbing scents into their skin Perfume has helped them to pray to heal and to make love And as long as there has been perfume there have been perfumers

or rather the priests shamans and apothecaries who were their predecessors Yet in many ways perfumery is a lost art its creative and sensual possibilities eclipsed by the synthetic ingredients of which contemporary perfumes are composed which have none of the subtlety and complexity of essences derived from natural substances nor their lush histories Essence and Alchemy resurrects the social and metaphysical legacy that is entwined with the evolution of perfumery from the dramas of the spice trade to the quests of the alchemists to whom today s perfumers owe a philosophical as well as a practical debt Mandy Aftel tracks scent through the boudoir and the bath and into the sanctums of worship offering insights on the relationship of scent to sex solitude and the soul Along the way she imparts instruction in the art of perfume compositions complete with recipes guiding the reader in a process of transformation of materials that continues to follow the alchemical dictum solve et coagula dissolve and combine and is itself aesthetically and spiritually transforming
