

Investigation 3

The mayor and town council decide that the long-term answer to Centerville's problems is to attract new businesses to the town. To jump-start the process, the town council uses some capital funds remaining from a renovation of police headquarters to buy an abandoned warehouse from a business that has moved to the city. By selling municipal bonds, the council hopes to fund a renovation of the warehouse into a town center and indoor mall with space for town offices and leaving space for several small businesses.

1. (a) If revenue is already a problem, how can the town spend money to buy a warehouse?

(b) How would the proposed indoor mall help attract small businesses? _____

2. How would new businesses help Centerville's revenue problem? _____

3. What are some tax incentives the mayor and town council could use to attract new businesses to Centerville? _____
