**The Dictators** Iain Dale, 2024-09-05 IAIN DALE S LATEST COLLECTION OF ESSAYS AVAILABLE TO BUY NOW Praise for Iain Dale Riveting and enlightening A history lesson via a novel route Really enjoying reading this book It is easy to dip in and out and each chapter is well written Illuminating yet balanced Were the signs that Putin is a ruthless dictator there all along How should we deal with President Xi of China Given the world seems to be moving more and more towards authoritarian rule this is the right moment to seek warnings and lessons from history In *The Dictators* Iain Dale brings together 64 essays by historians academics journalists and politicians about elected and unelected dictators wartime and peacetime dictators those driven by ideology and those with a reputation for sheer brutality How did these tyrants autocrats and despots seize power and how did they exercise it And how did they lose it Very few dictators die peacefully in their own beds after all Only by examining these figures from the 6th century BC to the present from ancient Greece to present day Saudi Arabia do patterns start to emerge We can see the shared character traits the common conditions the patterns of behaviour that have enabled dictators to seize power time and time again *The Dictators* is acutely relevant to world politics today it is indeed a warning from history Will we take heed Or will history in fact teach us that history teaches us nothing

**Harlot or Holy Woman?** Phyllis A. Bird,2020-01-16 Harlot or Holy Woman presents an exhaustive study of qede ah a Hebrew word meaning consecrated woman but rendered prostitute or sacred prostitute in Bible translations Reexamining biblical and extrabiblical texts Phyllis A Bird questions how qede ah came to be associated with prostitution and offers an alternative explanation of the term one that suggests a wider participation for women as religious specialists in Israel s early cultic practice Bird s study reviews all the texts from classical antiquity cited as sources for an institution of sacred prostitution alongside a comprehensive analysis of the cuneiform texts from Mesopotamia containing the cognate qadi tu and Ugaritic texts containing the masculine cognate qd Through these texts Bird presents a portrait of women dedicated to a deity engaged in a variety of activities from cultic ritual to wet nursing and sharing a common generic name with the qede ah of ancient Israel In the final chapter she returns to biblical texts reexamining them in light of the new evidence from the ancient Near East Considering alternative models for constructing women s religious roles in ancient Israel this wholly original study offers new interpretations of key texts and raises questions about the nature of Israelite religion as practiced outside the royal cult and central sanctuary

**Drc Richest and Poorest Country** James Kazongo,2016-05-13 It is a stunning revelation how Congolese people are being sacrificed over half of century by tyrants dictators murderers and imposters full of egocentric behaviors when Congolese people are rated at the bottom of the United Nations Human Development Index as the poorest people in the world DRC has 24 trillion dollars of untapped mineral resources potentially capable to be an economic power in this planet Apart from its minerals its rainforest extends 1 5 million square kilometers and accounts for more than half of Africas forest resources and inland fisheries with an estimation production of 600 tons per year With all these commodities and treasures how can one imagine that Congolese are the poorest people in the world Thats unacceptable Debout Congolais We have to find a solution to make our country better But first each and every one of us must heighten his awareness and expand his consciousness to have a prosperous and democratic country
