Rampal, 2012-07-26 The articles in this book are not thematically sequential but a record of thoughts that came from day to day They are however scattered around the core of religion and rationality You may find a few spots concerned with humanism and science Some thoughts are short and some spilling over to more than a page or two It is more in the format of a diary than a detailed discussion on one theme They represent a freethinking Many may disagree with them but that is what constitutes variety in thought **Paul's Spirituality in Galatians** P. Adam McClendon, 2015-03-25 Spirituality is a hot topic in today's culture Spirituality is essentially how one's beliefs and experiences influence the way one lives their life Such influences for living are of critical importance to one's faith within the Christian community What role does the Bible play in developing an expressed spirituality among the Christian community How do one's religious traditions cultural influences and personal preferences influence the way Christian spirituality is perceived and expressed All too often and at times unintentionally the foundational truths of the Bible are subordinated to tradition culture and personal preference This book provides a context for understanding Paul's foundational components for Christian spirituality within the book of Galatians while showing how an accurate understanding of these components can and should serve as a corrective lens to various aspects of Christian spirituality as expressed and experienced today **The Competent Pastor** Ronald D. Sisk, 2005-11-14

What does it mean to say that a pastor is competent And how does a competent pastor function This book is intended to help pastors seminarians and lay people who work with pastors understand and answer these two questions Competence in ministry is a moving target A ministry technique that works in one parish may not work in another What works today may not work five years from now But a competent pastor will be able to adapt to changing locations and changing times A competent pastor will be happy in her job or able to figure out why she's not happy and how to move forward A competent pastor won't get stuck or when he does get stuck he'll know what steps to take to get unstuck Competence defined by author Ronald Sisk as the ability to do what needs to be done requires ministers to understand themselves and others and to keep a realistic perspective on their lives Competent pastors function by moving toward this kind of understanding and perspective *The Face of God : The Quest for Spirituality and Transcendence* KIKI EN CHRIST, In this modern world where materialism reigns

supreme the quest for spirituality and transcendence is more vital than ever for humanity In his book *The Face of God* the author offers us a deep exploration of this universal quest Through a rigorous analysis of the spiritual tradition and its various manifestations the author shows us how spirituality can be a source of wisdom healing and personal transformation It invites us to become aware of the importance of cultivating our relationship with the divine But the author is not content to offer us a simple intellectual analysis of spirituality Rather it invites us to a deep and personal experience of transcendence through meditation prayer and contemplation of nature *The Face of God* is a book that touches the heart and mind If you are looking to broaden your spiritual horizon this is the book for you
