H. Chandler, 1914 **The Express Service and Rates** William Henry Chandler, 1914 **Diary Methods** Lauri L. Hyers, 2018 Diary research methods are distinct in the qualitative canon for their mode of data collection This book discusses diary research history design data collection data analysis composing the final report evaluation and ethics *International Express* Stéphane Tonnelat, William Kornblum, 2017-04-18 Nicknamed the International Express the New York City Transit Authority 7 subway line runs through a highly diverse series of ethnic and immigrant neighborhoods in Queens People from Andean South America Central America China India Italy Korea Mexico Pakistan Poland Romania and Vietnam as well as residents of a number of gentrifying blue collar and industrial neighborhoods fill the busy streets around the stations The 7 train is a microcosm of a specifically urban New York experience in which individuals from a variety of cultures and social

classes are forced to interact and get along with one another For newcomers to the city mastery of life in the subway space is a step toward assimilation into their new home In *International Express* the French ethnographer Stéphane Tonnellat and his collaborator William Kornblum a native New Yorker ride the 7 subway line to better understand the intricacies of this phenomenon They also ask a group of students with immigrant backgrounds to keep diaries of their daily rides on the 7 train What develops over time they find is a set of shared subway competences leading to a practical cosmopolitanism among riders including immigrants and their children that changes their personal values and attitudes toward others in small subtle ways This growing civility helps newcomers feel at home in an alien city and builds what the authors call a situational community in transit Yet riding the subway can be problematic especially for women and teenagers Tonnellat and Kornblum pay particular attention to gender and age relations on the 7 train Their portrait of integrated mass transit including a discussion of the relationship between urban density and diversity is invaluable for social scientists and urban planners eager to enhance the cooperative experience of city living for immigrants and ease the process of cultural transition

Congressional Record United States. Congress, 1936 **The Vampire Diaries: The Hunters: Moon Song** L. J. attention it is Lift capability and capacity as a prerequisite that is fundamental to attaining objectives Readers will learn where how and why America needs to improve its capabilities

Reading Like a Girl Sara K. Day, 2013-06-03 By examining the novels of critically and commercially successful authors such as Sarah Dessen *Someone Like You* Stephenie Meyer the *Twilight* series and Laurie R. King *Speak* *Reading Like a Girl* Narrative Intimacy in Contemporary American Young Adult Literature explores the use of narrative intimacy as a means of reflecting and reinforcing larger often contradictory cultural expectations regarding adolescent women interpersonal relationships and intimacy *Reading Like a Girl* explains the construction of narrator reader relationships in recent American novels written about adolescent women and marketed to adolescent women Sara K Day explains though that such levels of imagined friendship lead to contradictory cultural expectations for the young women so deeply obsessed with reading these novels Day coins the term narrative intimacy to refer to the implicit relationship between narrator and reader that depends on an imaginary disclosure and trust between the story's narrator and the reader Through critical examination the inherent contradictions between this enclosed imagined relationship and the real expectations for adolescent women's relations prove to be problematic In many novels for young women adolescent female narrators construct conceptions of the adolescent woman reader constructions that allow the narrator to understand the reader as a confidant a safe and appropriate location for disclosure At the same time such novels offer frequent warnings against the sort of unfettered confession the narrators perform Friendships are marked as potential sites of betrayal and rejection Romantic relationships are presented as inherently threatening to physical and emotional health And so the narrator turns to the reader for an ally who cannot judge The reader in turn may come to depend upon narrative intimacy in order to vicariously explore her own understanding of human expression and bonds
