The Fantastic Flying S Of Mr Morris Lessmore:

The Fantastic Flying Books of Mr Morris Lessmore W. E. Joyce, 2012-08-30 Morris Lessmore loved words He loved stories He loved books But every story has its upsets Everything in Morris Lessmore s life including his own story is scattered to the winds But the power of story will save the day Stunningly brought to life by William Joyce one of the preeminent creators in children s literature The Fantastic Flying Books of Mr Morris Lessmore is a modern masterpiece showing that in today s world of traditional books eBooks and apps it s the story that we truly celebrate and this story no matter how you tell it begs to be read again and again *Critical Content Analysis of Visual Images in Books for Young People* Holly Johnson, Janelle Mathis, Kathy Short, 2019-05-31 Extending the discussion of critical content analysis to the visual realm of picturebooks and graphic novels this book provides a clear research methodology for understanding and analyzing visual imagery Offering strategies for reading illustrations in global and multicultural literature chapter authors explore and bring together critical theory and social semiotics while demonstrating how visual analysis can be used to uncover and analyze power ideologies inequity and resistance in picturebooks and graphic novels This volume covers a diverse range of texts and types of books and offers tools and procedures for interpreting visual images to enhance the understandings of researchers teachers and students as they engage with the visual culture that fills our world These methods are significant not only to becoming a critical reader of literature but to also becoming a critical reader of visual images in everyday life *Creative Writing and the Radical* Nigel Krauth, 2016-07-18 The rise of digital publishing and the ebook has opened up an array of possibilities for the writer working with innovation in mind Creative Writing and the Radical uses an examination of how experimental writers in the past have explored the possibilities of multimodal writing to theorise the nature of writing fiction in the future It is clear that experimental writers rehearsed for technological advances long before they were invented Through an in depth study of writers and their motivations challenges and solutions the author explores the shifts creative writing teachers and students will need to make in order to adapt to a new era of fiction writing and reading Memory, Intermediality, and Literature Sara Tanderup Linkis, 2019-04-16 If readers of Sara Tanderup Linkis Something to hold on to open the book in the expectation of entering a niche of literature and literary studies they will leave it after having encountered a new highway in literature Here the traditional theme of memory and the most recent use of digital media merge into a new understanding of the role of the book in the contemporary media landscape and of vicissitudes of memorial processes literature which also offers a broader perspective on literature in human history Spurred by Sara Tanderup Linkis sharp eye the readings of texts are lucid engaging and offers so many ideas that teachers will renew their curricula and readers will open the internet for more or rush to the library Svend Erik Larsen professor emeritus Memory Intermediality and Literature investigates how selected literary works use intermedial strategies to represent and perform cultural memory Drawing on the theoretical perspectives of cultural memory studies this engaging reader friendly monograph examines new

materialism and intermediality studies analyzing works by Alexander Kluge W G Sebald Jonathan Safran Foer Anne Carson Mette Hegnh j William Joyce J J Abrams and Doug Dorst The works emerge out of different traditions and genres ranging from neo avant garde montages through photo novels and book objects to apps and children s stories In this new monograph Sara Tanderup Linkis presents an interdisciplinary and comparative approach reading the works together across genres and decades and combining the perspectives of memory studies and materialist and media oriented analysis This approach makes it possible to argue that the works not only use intermedial strategies to represent memory but also to remember literature reflecting on the changing status and function of literature as a mediator of cultural memory in the age of new media Thus the works may be read as reactions to modern media culture suggesting the ways in which literature and memory are affected by new media and technologies photography and television as well as iPads and social media

The

Routledge Handbook of Digital Literacies in Early Childhood Ola Erstad, Rosie Flewitt, Bettina

Kümmerling-Meibauer, Íris Susana Pereira, 2019-07-05 As fast evolving technologies transform everyday communication and literacy practices many young children find themselves immersed in multiple digital media from birth Such rapid technological change has consequences for the development of early literacy and the ways in which parents and educators are able to equip today's young citizens for a digital future This seminal Handbook fulfils an urgent need to consider how digital technologies are impacting the lives and learning of young children and how childhood experiences of using digital resources can serve as the foundation for present and future development Considering children aged 0-8 years chapters explore the diversity of young children's literacy skills practices and expertise across digital tools technologies and media in

varied contexts settings and countries The Handbook explores six significant areas Part I presents an overview of research into young children s digital literacy practices touching on a range of theoretical methodological and ethical approaches Part II considers young children s reading writing and meaning making when using digital media at home and in the wider community Part III offers an overview of key challenges for early childhood education presented by digital literacy and discusses political positioning and curricula Part IV focuses on the multimodal and multi sensory textual landscape of contemporary literary practices and how children learn to read and write with and across media Part V considers how digital technologies both influence and are influenced by children s online and offline social relationships Part VI draws together themes from across the Handbook to propose an agenda for future research into digital literacies in early childhood A timely resource identifying and exploring pedagogies designed to bolster young children s digital and multimodal literacy practices this key text will be of interest to early childhood educators researchers and policy makers

Was the Cat in the Hat Black? Philip Nel, 2017-07-06. Racism is resilient, duplicitous, and endlessly adaptable, so it is no surprise that America is again in a period of civil rights activism. A significant reason racism endures is

because it is structural it's embedded in culture and in institutions One of the places that racism hides and thus perhaps the best place to oppose it is books for young people *Was the Cat in the Hat Black* presents five serious critiques of the history and current state of children's literature tempestuous relationship with both implicit and explicit forms of racism The book fearlessly examines topics both vivid such as *The Cat in the Hat*'s roots in blackface minstrelsy and more opaque like how the children's book industry can perpetuate structural racism via whitewashed covers even while making efforts to increase diversity Rooted in research yet written with a lively crackling touch Nel delves into years of literary criticism and recent sociological data in order to show a better way forward Though much of what is proposed here could be endlessly argued the knowledge that what we learn in childhood imparts both subtle and explicit lessons about whose lives matter is not debatable The text concludes with a short and stark proposal of actions everyone reader author publisher scholar citizen can take to fight the biases and prejudices that infect children's literature While *Was the Cat in the Hat Black* does not assume it has all the answers to such a deeply systemic problem its audacity should stimulate discussion and activism
