# The Fourth Turning

**Neil Howe, William Strauss**

## **The Fourth Turning:**

**The Fourth Turning** William Strauss, Neil Howe, 1997 The authors look back five hundred years and uncover a distinct pattern Modern history moves in cycles each one lasting about the length of a human life each composed of four eras or turnings that last about twenty years and that always arrive in the same order First comes a High a period of confident expansion as a new order takes root after the old has been swept away Next comes an Awakening a time of spiritual exploration and rebellion against the now established order Then comes an Unravelling an increasingly troubled era in which individualism triumphs over crumbling institutions Last comes a Crisis the Fourth Turning when society passes through a great and perilous gate in history Together the four turnings comprise history's seasonal rhythm of growth maturation entropy and rebirth By applying the lessons of history **The Fourth Turning** makes some bold and hopeful predictions about America's next rendezvous with destiny It also shows us how we can prepare for what's ahead both individually and as a nation

BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved [The Fourth Turning Is Here](#) Neil Howe, 2023-07-18 Twenty five years ago Neil Howe and the late William Strauss dazzled the world with a provocative new theory of American history Looking back at the last 500 years they'd uncovered a distinct pattern modern history moves in cycles each one lasting roughly eighty to one hundred years the length of a long human life with each cycle composed of four eras or turnings that always arrive in the same order and each last about twenty years The last of these eras the fourth turning was always the most perilous a period of civic upheaval and national mobilization as traumatic and transformative as the New Deal and World War II the Civil War or the American Revolution Now right on schedule our own fourth turning has arrived And so Neil Howe has returned with an extraordinary new prediction What we see all around us the polarization the growing threat of civil conflict and global war will culminate by the early 2030s in a climax that poses great danger and yet also holds great promise perhaps even bringing on America's next golden age Every generation alive today will play a vital role in determining how this crisis is resolved for good or ill

**Summary of The Fourth Turning** Alexander Cooper, 2021-03-26 Summary of The Fourth Turning The Fourth Turning is a book by William Strauss and Neil Howe It outlines the foundation for what is now known as Strauss Howe generational theory The main tenet of the book is that American and global history follows a generational cycle The cycle is defined by four Turnings each lasting about 20 years Generational archetypes play a crucial role in historical events and these archetypes recur The cycle of the four Turnings is called a saeculum and is roughly the length of human life The book offers a detailed description of the underlying philosophy The key idea is seasonality The authors offer their findings from nature and history to claim that the cyclical nature of time permeates all life including American history Furthermore the authors analyze Anglo American history to find patterns in a generational attitude They then correlate these characteristics to the historical events of significance The evidence that the authors present focuses on their interpretation of key historical figures as well as societal attitudes The

cyclical generational attitudes are the prime factor in analyzing history and politics according to Strauss and Howe The authors claim that race gender economic class religion and political beliefs are all less influential in determining the course of history This claim is controversial and authors reflect on their stance against other prominent academics offering some comparison with several secondary sources Overall the evidence that the authors present is highly subjective and is not sufficiently bolstered with verifiable sources Each generation is presented as having a unified voice with few acknowledgments of a diversity of thought within each generational group Therefore the predictions are not based on solid evidence Rather the book puts forward a theory of generational seasonality The authors explore what this theory could mean but they do not offer a sufficient basis for their findings Here is a Preview of What You Will Get A Full Book Summary An Analysis Fun quizzes Quiz Answers Etc Get a copy of this summary and learn about the book

**Summary of the Fourth Turning: an American Prophecy by William Strauss and Neil Howe** Books Made Easy,2017-05-09 Note This is a summary and analysis book on The Fourth Turning An American Prophecy by William Strauss and Neil Howe It was written to enhance your reading experience in a short efficient amount of time We encourage you to pick up the original book as well The Fourth Turning insists that events in history follow a predictable cycle By looking at Anglo American history over an extremely long span one can conclude that there are in fact distinct cycles that can be measured and described Each of these cycles are made up of turnings or time of societal change They each typically last around 20 years Dive deep into this summarized version of William Strauss and Neil Howe s The Fourth Turning You ll enjoy exciting sections like 1 Chapter by Chapter summary and analysis2 Fun and engaging discussion questions3 A detailed explanation of the entire book in a straight and easy to read fashion4 What the possible crisis flashpoints could be for our society in present day time And so much more Buy this book now and enjoy it very soon

**Summary Of The Fourth Turning** Scorpio Digital Press,2019-06-26 Is massive change coming in the form of THE FOURTH TURNING Read on and decide for yourself Immerse yourself in this summary and analysis of The Fourth Turning by William Strauss and Neil Howe Let me give you the list of Strauss and Howe s popular book The Fourth Turning insists that events in history follow a predictable cycle By looking at Anglo American history over an extremely long span one can conclude that there are in fact distinct cycles that can be measured and described Each of these cycles is made up of turnings or time of societal change They each typically last around 20 years Reaching back to the Etruscans and early Roman Empire the authors explain how these civilizations first linked the cycles of human life and the cycles of history to the passing of the seasons They explain that a year passes through four seasons There are birth and generation in the spring and summer and harvest and death in the fall and winter They explain that the span of human generations and empires are similar Strauss and Howe describe how a saeculum an approximately 80 year period encompasses four historical cultural rhythms This idea comes from the early Romans their empire itself was believed to be destined for a fixed number of 100 years and indeed the Roman Empire did follow this

prediction They even took into account accidents of nature and outside invasion Each of the four cycles contains different generations which each have their own distinct place in their civilization s drama Are you ready to learn about these dramas and much more in this summary based on The Fourth Turning An American Prophecy ENJOY INFORMATION LIKE Why the authors believe a Fourth Turning is coming and exactly what is it Who takes part in this movement and the roles they are presented Examples of historical cycles that had gone through exactly what we are going through Engaging discussion questions to kickstart your brain AND MUCH MORE BUY TODAY BEFORE IT S TOO LATE AND THE FOURTH TURNING ARRIVES NOTE TO READERS This is a summary and analysis companion book based on The Fourth Turning by William Strauss and Neil Howe This is not the original book and only meant to enhance your original reading of it We strongly encourage you purchase The Fourth Turning An American Prophecy

**Summary of William Strauss and Neil Howe's The Fourth Turning** Milkyway Media,2021-06-01 Buy now to get the key takeaways from William Strauss and Neil Howe s The Fourth Turning Sample Key Takeaways 1 America s future is looking bleak Societal standards have degraded and people are becoming more entitled and self focused instead of collectively working for the betterment of the nation 2 About every two decades America enters a new era a new turning totaling four turnings in the span of a century

**The Fourth Turning** William Strauss,Neil Howe,2009-01-16 NATIONAL BESTSELLER Discover the game changing theory of the cycles of history and what past generations can teach us about living through times of upheaval with deep insights into the roles that Boomers Generation X and Millennials have to play now with a new preface by Neil Howe One of the best efforts to give us an integrated vision of where we are going The Wall Street Journal First comes a High a period of confident expansion Next comes an Awakening a time of spiritual exploration and rebellion Then comes an Unraveling in which individualism triumphs over crumbling institutions Last comes a Crisis the Fourth Turning when society passes through a great and perilous gate in history William Strauss and Neil Howe will change the way you see the world and your place in it With blazing originality The Fourth Turning illuminates the past explains the present and reimagines the future Most remarkably it offers an utterly persuasive prophecy about how America s past will predict what comes next Strauss and Howe base this vision on a provocative theory of American history The authors look back five hundred years and uncover a distinct pattern Modern history moves in cycles each one lasting about the length of a long human life each composed of four twenty year eras or turnings that comprise history s seasonal rhythm of growth maturation entropy and rebirth Illustrating this cycle through a brilliant analysis of the post World War II period The Fourth Turning offers bold predictions about how all of us can prepare individually and collectively for this rendezvous with destiny
