## **Presence The Intimacy Of All Experience English Edition:**

Presence Rupert Spira, 2011 All that is known is experiencing and experiencing is not divided into one part an inside self that experiences and another part an outside object other or world that is experienced Experiencing is seamless and intimate made of knowing or Awareness alone This intimacy in which there is no room for selves objects or others is love itself It lies at its heart of all experience completely available under all circumstances Rupert Spira Presence is one of the most exciting and illuminating books on non duality I have encountered and its precision articulateness in naming the nameless unparalleled depth and ability to inspire were constantly appreciated This book succeeds in taking the reader beyond concepts and into the experiential level The irony is that this work which is so advanced and sophisticated in its use of language thought and conceptualization is inexorably directed towards pure experiencing It is a brilliant and lucid work carrying great strength and authority suggesting it is an indisputable source of Truth Victoria Ritchie Former Manager of Watkins Bookshop and Editor for Eckhart Tolle      **Sacramental Presence** Ruthanna B. Hooke, 2023-05-22 Drawing on performance studies and sacramental and liturgical theology Ruthanna B Hooke develops a theology of proclamation grounded in the body s experience of preaching The author explores the claim that preaching is a sacramental event of communion with the triune God by comparing the steps involved in voice production with the fourfold shape of the Eucharist This comparison yields a description of preaching as an event of self offering that allows space for the humanity of the preacher and as an encounter with the Holy Spirit that is communal and prophetic Preaching draws participants into Christ s dying and rising and hence into a mode of power known in vulnerability Calling hearers into the eschatological event of the resurrection preaching inherently moves toward proclamation on political and ethical issues Hooke uses this theological framework to offer ways of preaching on environmental crisis and on racism The author calls preachers to embodied engagement with preaching and describes a way for preachers to bear witness to Jesus Christ not only in the content of their proclamation but in their way of being in the preaching event      On Presence Ralph Harper, 2006-04-28 The Reverend Ralph Harper a philosopher and theologian has been credited with introducing existentialism to North America in 1948 with his work Existentialism A Theory of Man Forty years later Harper delved deeper into the interior life of the human imagination in On Presence Variations and Reflections Winner of the 1992 Grawemeyer Award in Religion On Presence is an insightful articulation of mankind s experience of presence Drawing from philosophers like Kierkegaard Heidegger and Marcel theologians like Augustine Aquinas and Tillich mystics like Meister Eckhart and John of the Cross and novelists like Dostoevsky and Proust this compelling work considers the transcendent and religious dimensions of the ordinary mysteries in everyday life      *Thirty Days in God's Presence* David L.
