Present Shock When Everything Happens Now:

Present Shock Douglas Rushkoff, 2013-03-21 People spent the twentieth century obsessed with the future We created technologies that would help connect us faster gather news map the planet and compile knowledge We strove for an instantaneous network where time and space could be compressed Well the future s arrived We live in a continuous now enabled by Twitter email and a so called real time technological shift Yet this now is an elusive goal that we can never quite reach And the dissonance between our digital selves and our analog bodies has thrown us into a new state of anxiety present shock

Bergson and History Leon ter Schure, 2019-10-01 Explores the philosophy of history of Henri Bergson and shows its relevance to contemporary historical thought Henri Bergson is famous for his explorations of time as duration yet he rarely referred to history in his writings Simultaneously historians and philosophers of history have generally disregarded Bergson s ideas about the nature of time Modernity has brought change at an ever accelerating rate and one of the results of this has been a tendency toward presentism Only the here and now matters as past and future have been absorbed by the omnipresent present of the digital age In highlighting the role of history in the work of Bergson Bergson and History shows how his philosophy of life allows us to revise the modern conception of history Bergson s philosophy situates history within a broader framework of life as a creative becoming allowing us to rethink important topics in the study of history such as historical time the survival of the past and historical progress Bergson and History is groundbreaking and merits a wide readership in the humanities and social sciences It is full of fresh and original insights Ter Schure has read widely and deeply and there is a productive engagement throughout the book with contemporary resources Keith Ansell Pearson author of Bergson Thinking Beyond the Human Condition

Neo-Calvinism and Roman Catholicism, 2023-06-05 In their theological and historical interactions neo Calvinism and Roman Catholicism have often met in moments of conflict and co operation The neo Calvinist statesman Abraham Kuyper polemicized against the Roman Catholic Church and its theology whilst building bridges between those traditions by forging novel political coalitions across ecclesiastical boundaries In theology Gerrit C Berkouwer a neo Calvinist critic of Roman Catholicism in the 1930s later attended the Second Vatican Council as an appreciative Protestant observer Telling their stories and others including new research on lesser known figures and neglected topics this book presents the first scholarly volume on those dynamics of polemics and partnership

Stylistics, Stylometry and Sentiment Analysis in German Studies Massimo Salgaro,2023-04-17 Can literature be investigated through quantitative methods Can style empathy and prestige be measured This study attempts to respond to these questions by providing results from a selection of case studies taken from German literature of the 19th through the 21st century including Goethe's late style Felix Salten and the output of contemporary writers such as Florian Meimberg's twitterature and Daniel Glattauer's e-mail novel Altogether this study shows how the interplay among literary theory stylometry stylistics sentiment analysis empirical studies and archival research can offer new answers to old questions regarding German literature and provide tools to formulate new questions and novel approaches to research

Remnant Christianity in a Post-Christian World W. Paul Jones,2021-11-03 The contemporary Christian church is in critical decline both in membership and finances All attempts at reversal are failing primarily because of the consuming socioeconomic secular dynamic in which society is immersed in its self destructive course Consequently Christian imagery is losing its conceivability and credibility and past motivations that once encouraged belief have lost their appeal Without these as points of contact the demise of the institutional church will be relentless despite all efforts to halt it Yet as at other crisis points in history the divine promise has been to raise a faithful remnant with sufficient promise to outlast whatever the societal demise After carefully analyzing the ingredients of our societal crisis the author develops the contours of a Remnant Church to be set in place now within the present institutional churches This necessitates distilling a vital spirituality and discerning the heart of a preservable tradition sufficient to claim both personal and communal commitment Thereby prepared for the long haul the Remnant Church can emerge as a prophetic alternative

Media Education for a Digital Generation Julie Frechette,Rob Williams,2015-10-14 Media education for digital citizenship is predicated upon the ability to access analyze evaluate and produce media content and communication in a variety of forms While many media literacy approaches overemphasize the end goal of accessing digital media content through the acquisition of various technology software apps and analytics this book argues that the goals for comprehensive and critical digital literacy require grasping the means through which communication is created deployed used and shared regardless of which tools or platforms are used for meaning making and social interaction Drawing upon the intersecting matrices of digital literacy and media literacy the volume provides a framework for developing critical digital literacies by exploring the necessary skills and competencies for engaging students as citizens of the digital world

Communicating with Our Families Jill K. Burk,Maryl R. McGinley,Joel S. Ward,2022-07-12 *Communicating with Our Families* Continuity Interruption and Transformation examines how communication technologies are shaping childhood parenthood and families by exploring topics such as parental loneliness family storytelling family technology rules mindful technology usage multigenerational communication and community The scholars in this volume work from a human communication perspective

and use various research modes of inquiry including quantitative qualitative and interpretive methods Perhaps the most significant question implied by our contributors in this volume is whether the introduction of new communication technologies will fundamentally alter familial forms and if those new groupings that emerge will resemble what has been generally assumed for several millennia

Clairmont, 2025-01-17 By carefully listening to the words and wisdom of survivors this volume focuses on ways forward in the work of creating an atmosphere of accountability healing and trust in today's church In March of 2022 practitioners of psychology law and theology gathered at the University of Notre Dame for a major conference to explore practical strategies to increase accountability promote healing and rebuild trust in the life of the Catholic Church in the wake of the clergy sexual abuse crisis The essays in this volume share the fruits of those days spent reflecting on recent research on these challenging issues The result is a hopeful resource in service to survivors and to those who minister with them through listening giving voice and bearing witness to the wounded body of Christ The challenges of addressing the range of problems caused by the abuse crisis are great affecting the work of ministry in profound ways From the training of future ministers lay and ordained to the exercise of the church's various ministries in parishes education and direct service the abuse crisis calls out for a response to the questions posed by abuse survivors and those who accompany and hope to serve them Organized around three themes accountability healing and trust the contributors to this volume probe the deepest understanding of the church's mission and name the most significant divisions in the response to the sexual abuse crisis By carefully listening to the words and wisdom of survivors this volume focuses on ways forward and treats clergy laypeople scholars and ministers as partners in the work of creating an atmosphere of accountability healing and trust in the post abuse revelation church Contributors include Melanie Susan Barrett Kimberly Hope Belcher Jennifer Beste Julia Canonico Peter Capretto David A Clairmont Tristan Cooley Anselma Dolcich Ashley Sarah Gallagher Kevin Grove CSC Gerard J McGlone SJ Marcus Mescher Bruce Morrill SJ Stacey Noem Ronald Patrick Raab CSC Hilary Jerome Scarsella Kenneth W Schmidt Eric T Styles Patrick J Wall J J Wright

Modernity, Metatheory, and the Temporal-Spatial Divide Michael Kimaid, 2015-03-27 This book is about how modernity affects our perceptions of time and space Its main argument is that geographical space is used to control temporal progress by channeling it to benefit particular political economic and social interests or by halting it altogether By incorporating the ancient Greek myth of the Titanomachy as a conceptual metaphor to explore the elemental ideas of time and space the author argues that hegemonic interests have developed spatial hierarchy into a comprehensive system of technocratic monoculture which interrupts temporal development in order to maintain exclusive power and authority This spatial stasis is reinforced through the control of historical narratives and geographical settings While increasingly comprehensive the author argues that this state of affairs can best be challenged by focusing on the development of unmappable places which presently exist within the socio spatial matrix of the modern world

Everyday Chaos David

Weinberger,2019-04-23 Make More Future Artificial intelligence big data modern science and the internet are all revealing a fundamental truth The world is vastly more complex and unpredictable than we ve allowed ourselves to see Now that technology is enabling us to take advantage of all the chaos it s revealing our understanding of how things happen is changing and with it our deepest strategies for predicting preparing for and managing our world This affects everything from how we approach our everyday lives to how we make moral decisions and how we run our businesses Take machine learning which makes better predictions about weather medical diagnoses and product performance than we do but often does so at the expense of our understanding of how it arrived at those predictions While this can be dangerous accepting it is also liberating for it enables us to harness the complexity of an immense amount of data around us We are also turning to strategies that avoid anticipating the future altogether such as A B testing Minimum Viable Products open platforms and user modifiable video games We even take for granted that a simple hashtag can organize unplanned leaderless movements such as MeToo Through stories from history business and technology philosopher and technologist David Weinberger finds the unifying truths lying below the surface of the tools we take for granted and a future in which our best strategy often requires holding back from anticipating and instead creating as many possibilities as we can The book s imperative for business and beyond is simple Make More Future The result is a world no longer focused on limitations but optimized for possibilities

War on Terror and American Film McSweeney Terence McSweeney,2016-02-16 This compelling theoretically informed and up to date exploration of contemporary American cinema charts the evolution of the impact of 9 11 on Hollywood film from Black Hawk Down 2001 through Batman Begins 2005 United 93 2006 to Olympus Has Fallen 2013 Through a vibrant analysis of a range of genres and films which in turn reveal a strikingly diverse array of social historical and political perspectives this book explores the impact of 9 11 and the war on terror on American cinema in the first decade of the new millennium and beyond

No B.S. Time Management for Entrepreneurs Dan Kennedy,2013-10-15 In this latest edition Kennedy tackles the technology of today and delivers new insights and tools for boosting personal productivity in keeping with his less is more approach New material includes how to outsource buying experts expertise and time Kennedy covers virtual assistants errand running services and the far reaching scope of activities and tasks people are paying others to do for them Kennedy also adds two new chapters discussing how to get more accomplished by leveraging cooperative relationships why goal setting and New Year s Resolutions fails and how he manages achievement **40/40 Vision** Peter Greer,Greg Lafferty,2015-09-29 At midlife our outlook can become blurry But it s also an opportunity to recalibrate our vision Drawing on Ecclesiastes this book helps us navigate midlife with fresh clarity and purpose renewing us for meaningful mission and service Rediscover who God has called you to be and see the rest of your life with the clarity of 40 40 vision *Any Body There?* Craig Michael Mueller,2017-07-21 Any body there we may wonder as we watch people engage with their smart phones while being oblivious to what is going on around them Anybody there is the question facing the church as it wrestles with declining religious affiliation Craig Mueller considers this contemporary context and offers a response based in an incarnational spirituality accentuating the body and finding expression in corporate multisensory liturgy Mueller creatively weaves together topics from our digital lives with personal and congregational stories and theological liturgical and spiritual reflections Concepts such as virtuality the analog 24 7 connectivity access design and GPS are juxtaposed with themes of embodiment mortality sabbath mystery beauty and vocation Drawing on his experience as a pastor to millennials his studies in liturgical theology and his work on the effects of technology on daily life Mueller proposes that corporate worship is an antidote to the distraction fragmentation and spiritual hunger in society today As humans continue to merge with machines participation in the Sunday liturgy reminds us of what it means to be human a deeper connection to our bodies and the earth and a clear sense of purpose and mission for our everyday lives **Yesterday** Tobias Becker,2023-12-05 Nostalgia supposedly is the sphere of the sentimentalist But also and most definitely it is a force in the creation of the present and future and thus worth careful thought Yesterday argues that nostalgia s critics defend an idea of progress as naive as the longing they denounce while conflating nostalgia itself with historical whitewashing **Visual Cultures in India** Arzuman

Ara,2024-12-16 Visual Cultures in India Contesting the Site of Sights delves into our visual experiences through diverse media while unpacking how we encounter and interpret the visual moving beyond simple seeing to deeper levels of meaning This book explores our experience of visual media that reveals the complex interplay between sight meaning and contestation The authors delve into the very sites where visuals are born displayed and interpreted This nuanced approach sheds light on how visual media shapes our understanding of the world and ourselves From the captivating world of film and photography to the enduring artistry of sculpture and dance and even the visual tapestry of everyday life this book weaves a compelling narrative of the complex relationship between media and visual culture in India It is a timely and significant contribution in an age saturated with imagery This book equips scholars researchers students and media professionals with a framework to navigate the power of sight and gain a deeper understanding of visual cultures in India **Transnational Feminist**

Rhetorics and Gendered Leadership in Global Politics Rebecca S. Richards,2014-10-28 Transnational Feminist Rhetorics and Gendered Leadership in Global Politics examines the rhetoric surrounding women who hold or have held the highest office of a nation state Heads of state such as Golda Meir Margaret Thatcher Benazir Bhutto Ellen Johnson Sirleaf and Michelle Bachelet have navigated their ascent to executive government in vastly different ways while contending with gendered expectations of leadership especially since most of them are the first woman to occupy their country s highest governmental position This book analyzes how these women rhetorically perform their positions of power discursively visually and physically in a traditionally male leadership role Specifically this project examines how certain rhetorical acts open up and close down the potential to confront the gendered expectations surrounding political leadership When people analyze campaign for or critique a female prime minister or a woman president they are not just talking about one woman but also referencing a collective neoliberal logic that interrupts and reaffirms the belief that the nation state is an eternal inevitable structure Diverse political figures such as Angela Merkel Julia Gillard and Indira Gandhi are continually put in conversation with one another through popular media representations academic scholarship and political analyses This book examines the effect of such comparisons and connections ultimately arguing that many of these gestures reduce or oversimplify women s contributions to world politics In order to show this effect this book manifests the transnational connections found in autobiographies organizations political commentaries biographical films and other sources that focus on women who have been heads of state
