intertwined they may be in all of this and that their role in Isola's game might be an even more dangerous one than they'd imagined Will Rat find a way to escape their deal and save the boy they care about most And what are they willing to risk in order to make sure that the tower and Isola are razed to the ground for good this time Enthralling and filled with twists the second book in the Broken Tower Saga combines the dark academia aesthetic of A Lesson in Vengeance with the queer rage of Hell Followed with Us and will have readers tearing through the pages to see how this duology ends
