The Drive In:

The Drive-In Guy Barefoot, 2023-11-16 The Drive In meaningfully contributes to the complex picture of outdoor cinema that has been central to American culture and to a history of US cinema based on diverse viewing experiences rather than a select number of films Drive in cinemas flourished in 1950s America in some summer weeks to the extent that there were more cinemagoers outdoors than indoors Often associated with teenagers interested in the drive in as a passion pit or a venue for exploitation films accounts of the 1950s American drive in tend to emphasise their popularity with families with young children downplaying the importance of a film programme apparently limited to old low budget or independent films and characterising drive in operators as industry outsiders They retain a hold on the popular imagination The Drive In identifies the mix of generations in the drive in audience as well as accounts that articulate individual experiences from the drive in as a dating venue to a segregated space Through detailed analysis of the film industry trade press local newspapers and a range of other primary sources including archival records on cinemas and cinema circuits in Arkansas California New York State and Texas this book examines how drive ins were integrated into local communities and the film industry and reveals the importance and range of drive in programmes that were often close to that of their indoor neighbours *Horror at the Drive-In* Gary D. Rhodes, 2015-09-03 Drive in movie theaters and the horror films shown at them during the 1950s 60s and early 70s may be somewhat outdated but they continue to enthrall movie buffs today More than just fodder for the satirical cannons of Joe Bob Briggs and Mystery Science Theatre 3000 they appeal to knowledgeable fans and film scholars who understand their influence on American popular culture This book is a collection of eighteen essays by various scholars on the classic drive in horror film experience Those in Section One emphasize the roles of the drive in theater in the United States and its cultural cousin Australia Section Two examines how horror operated at the drive in the rhetoric used in coming attraction trailers horror film premieres at drive ins double features and the preproduction production and marketing of Last House on the Left Section Three addresses the effects of the Vietnam War and counter culture on The Texas Chainsaw Massacre and the Cold War on Cat Women of the Moon Section Four explores gender issues and sexuality two of the most common and most important subjects of horror film analysis Section Five covers drive in culture via Hush Hush Sweet Charlotte 2000 Maniacs and the films of Mario Bava Section Six investigates a variety of issues such as the drive in horror film s embrace of DNA the use of cinematic form to create a non Hollywood look in Wizard of Gore and the many different prints and running times of I Drink Your Blood *The Drive In* Douglas Gardham, 2014-12-09 Have you ever been intrigued by what mysteries lie behind the doors and windows of the places you pass by on your drive into work everyday The Drive In takes you on Tom Johnsons commute Unlike Tom youll get to peek behind some of those closed doors Remember going to the Drive In theatre Each story reveals what goes on like watching the dusk til dawn features through your cars windshield Meet the people at the places Tom only passes by each day Then discover how his drive in ends like no other **Tales from the**
