The Four Gospels Marking Scheme:

The Four Gospels: Mark, Luke, and John Abiel Abbot Livermore, 1844 **The Four Gospels** Burnett Hillman Streeter, 1925 The Theological Programme of Mark Francesco Filannino, 2021-05-31 The first chapters of literary works are indispensable to understanding them This is also true of the Gospels Francesco Filannino shows that the introductory section of Mark's Gospel Mark 1:1-15 is an important key to accessing the whole narrative because it anticipates the main contents of the evangelist's theology *The teacher's classified lesson-material. The four Gospels-combined narrative*, by W.J. Deane, M.E.W. Johnson, C. Neil. (*Comprehensive Scripture lesson scheme*). William John Deane, 1894 **The Gospel of the Narrative 'we'** Bartosz Adamczewski, 2010 The work analyses the current state of research on the problem of the relationship of the Fourth Gospel to the Synoptic Gospels It proves that the Fourth Gospel which was written c AD 140-150 is a result of systematic sequential hypertextual reworking of the Acts of the Apostles with the use of the Synoptic Gospels more than ten other early Christian writings Jewish sacred Scriptures and Josephus works The work also demonstrates that the character of the disciple whom Jesus loved functions in the Fourth Gospel as a narrative embodiment of all generations of the Pauline post Pauline and post Lukan Gentile Christian Church These features of the Fourth Gospel imply that it was intended to crown and at the same time close the canon of the New Testament writings **The Interpretation of the Fourth Gospel** C. H. Dodd, 1968-05 Since its publication almost forty years ago The Interpretation of the Fourth Gospel has established itself as a classic of biblical scholarship Regarded as a seminal text in Johannine studies it provides a comprehensive and authoritative exposition of the major elements and themes contained in this more original and fascinating of ancient documents The author reconstructs the background and intellectual milieu out of which the Fourth Gospel may be supposed to have taken shape He then defines as precisely as possible the leading concepts that may be said to have determined the structure and arrangement of the book as we have it The result is a massive achievement and no serious student of the New Testament can afford to ignore this study's findings The Interpretation of the Fourth Gospel represents the culmination of a lifetime's reflection on its subject by one of this century's most distinguished New Testament scholars and will continue to stimulate and provoke generations of readers **The four Gospels in the earliest Church history** Thomas Nicol, 1908 **The Oneness Motif of the Fourth Gospel** Mark L. Appold, 2011-08-10 A revision of the author's inaugural dissertation Faculty of Evangelical Theology University of Tübingen 1973 *The Gospel According to Saint Mark* C. E. B. Cranfield, 1977 The last fifty years have seen a shift of emphasis in New Testament scholarship When the task was to establish the text and to discuss the authenticity of the documents linguistic and historical considerations came first Now that these things are approaching a settled state it has become possible and necessary to give more attention to the theological and religious content of the New Testament Hence the New Testament is re-examined by scholars in this new series Each volume takes a book of the New Testament and after an introduction on general matters goes through the text in

great detail commenting especially on theological matters relating the contents to the life and worship of the early Christian communities It is assumed that students have their own Greek text beside the open commentary The text on which the commentary is based is the Kilpatrick Nestle edition **according to mark** , According to Mark Philip Carrington,2011-06-30 This 1960 commentary attempts to follow the story and message of the Gospel in all its aspects *St Mark's Gospel* Gordon Geddes,Jane Griffiths,2004 The Four Gospels on Sunday Gordon W. Lathrop,2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by nave and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the earliest followers of the Christian way **A Harmonized Exposition of the Four Gospels** Andrew Edward Breen,1908 **Studies in the Fourth Gospel** Leon Morris,2006-06-01 These in depth studies on the Gospel of John written by the man who describes himself as a conservative evangelical demonstrate that the application of the critical method to an understanding of scripture need not rule out an acceptance of inspiration Dr Morris is here concerned with the authorship of the fourth Gospel its relation to the Synoptists the origin and date of writing and with other similar issues To his discussion of these issues he brings both his impressive scholarship and firm commitment to the revelatory nature of the Bible The result is an informed and articulate statement of the conservative position on the many crucial questions raised by John s Gospel In his Preface to this volume Dr Morris notes that Critical Protestant scholars and Roman Catholics are reading one another s works and discussing one another s writings with charity and mutual profit Perhaps it is not too much to hope that both will include the conservative evangelicals within the scope of their reading and charity In the hope that it will make some small contribution to the continuing dialogue this book goes forth **Biblical Theology of the Old and New Testaments** Brevard S. Childs,1993 This monumental work is the first comprehensive biblical theology to appear in many years and is the culmination of Brevard Child s lifelong commitment to constructing a biblical theology that surmounts objections to the discipline raised over the past generation Childs rejects any approaches that overstress either the continuity or discontinuity between the Old and New Testaments He refuses to follow the common pattern in Christian thought of identifying biblical theology with the New Testament s interest in the Old Rather Childs maps out an approach that reflects on the whole Christian Bible with its two

very different voices each of which retains continuing integrity and is heard on its own terms Discovering Luke Joel B. Green, 2021-09-16 This interpretation of Luke encourages in depth study of the text and genuine grappling with the theological and sociohistorical questions it raises It draws on a range of methodological interests author text and reader centered as complementary rather than mutually exclusive ways of understanding the text It also recognizes the importance of the reception history of biblical texts increasingly viewed as a vital aspect of interpretation rather than an optional extra Throughout Discovering Luke Joel Green gives readers strategies for reading the Gospel of Luke and guides them through Luke's world in its historical ideological political and economic contexts Green reviews key issues raised by the Gospel and connects these issues to questions of how Luke should be interpreted today Historical Tradition in the Fourth Gospel C. H. Dodd, 1976-09-23 An historical investigation of the narrative material and Sayings of St John's Gospel *The King and the kingdom: a study of the four Gospels*, 1893 *The Conceptual Worlds of the Fourth Gospel* Charles B. Puskas, C. Michael Robbins, 2021-01-08 Over under and through John's story of Jesus are unforgettable ideas and concepts profoundly simple and simply profound for the author's own audience and beyond These ideas did not originate in a vacuum They have recurred and been repeated before and after the writing of the Fourth Gospel For this reason we will examine the meaning of its words and themes in the context of its Jewish Greco Roman milieu Much of our intertextual understanding will be derived from alleged parallels that involve comparisons of similar vocabulary and phrases as well as parallel concepts and images from the Old Testament the Dead Sea Scrolls Philo and other relevant writings Such parallels will help to determine the meaning of a word or expression the translation of a particular language determining any direct influences upon the Fourth Gospel parallel traditions or the influence of its ideas as a creative and inspiring work of later antiquity
