Better With Age Lane Hart,2021-02-11 Enjoy three hot older man age gap romances Wreck Me I never expected to fall for Riley but she s all I think about She knows how much I want her too That s why the beautiful tease is trying her best to break me Like being caught in the riptide she s impossible to resist And no matter how hard I try I can t stay away She s completely wrecked me Indiscretion I don t care what anyone says loving Sam wasn t a mistake The only mistake I ever made

was letting the wrong person see the two of us together Her best friend knew the only chance he had with Sam was to get rid of me That s why the bastard had me arrested I rotted away for ten agonizing months in prison while that jackass tried to take my place Sam may think that she s moved on with her life That s exactly what I wanted her to do until I found out his plan worked The two of them have been living together playing house while I struggled to survive What the prick doesn t realize is that she s mine and there s nothing he can do to keep us apart I m coming for her and I would love to see him try and stop me Crazy in Love As crazy as it sounds I drank the same love potion that my best friend Josie did She was able to find her soulmate thanks to the mysterious brew so I thought what do I have to lose I was hoping for the best but what I got was the absolute worst Thanks to that stupid purple liquid I almost killed my college professor two weeks before graduation Professor Daughton is the type of man I ve always dreamed of marrying He s smart funny and so hot it hurts to look at him three hours a week during his lecture I ve had a huge crush on him all semester but now that I m certain he s my soulmate I have to convince him we re meant to be together Unfortunately the psychic who sold us the potion said I only have seven days to make that happen or I ll lose him forever Gage I mean Professor Daughton eventually admits that he wants to be with me too but he insists that we can t cross that line as long as I m still his student And I can t drop his class because I need it to walk across the stage in two weeks with my Master s Degree Time is running out so there s only one thing left for me to do seduce him However that s easier said than done since I don t know the first thing about wooing a man I ll have to go from 24 year old virgin to vixen in a week if I want my happily ever after
