## **The Double Enemy:**

**The Mediterranean Double-Cross System, 1941-1945** Brett Lintott, 2018-10-03 This book describes and analyzes the history of the Mediterranean Double Cross System of the Second World War an intelligence operation run primarily by British officers which turned captured German spies into double agents Through a complex system of coordination they were utilized from 1941 to the end of the war in 1945 to secure Allied territory through security and counter intelligence operations and also to deceive the German military by passing false information about Allied military planning and operations The primary questions addressed by the book are how did the double cross system come into existence what effects did it have on the intelligence war and the broader military conflict and why did it have those effects The book contains chapters assessing how the system came into being and how it was organized and also chapters which analyze its performance in security and counter intelligence operations and in deception

*The Contemporary Relevance of Carl Schmitt* Matilda Arvidsson, Leila Brännström, Panu Minkkinen, 2015-08-20 What does Carl Schmitt have to offer to ongoing debates about sovereignty globalization spatiality the nature of the political and political theology Can Schmitt's positions and concepts offer insights that might help us understand our concrete present day situation Works on Schmitt usually limit themselves to historically isolating Schmitt into his Weimar or post Weimar context to reading him together with classics of political and legal philosophy or to focusing exclusively on a particular aspect of Schmitt's writings Bringing together an international and interdisciplinary range of contributors this book explores the question of Schmitt's relevance for an understanding of the contemporary world Engaging the background and intellectual context in which Schmitt wrote his major works often with reference to both primary and secondary literature unavailable in English this book will be of enormous interest to legal and political theorists

The Power of the Double Ryan LeStrange, 2019 What the enemy takes God restores doubly There are things the enemy has snatched from your life but God desires to give them back to you in double double capacity He desires to bless you so hugely that there is massive overflow in your life Believe God not just for restoration but for a double portion We often fight fiercely for what the enemy has stolen But what if for every attack you got back double Can you imagine your finances doubling your joy doubling your health doubling and your prophetic insight and wisdom doubling The Power of the Double encourages the people of God to believe for double double restoration Instead of shame or guilt poverty or lack or anything negative the enemy has thrown at us we can set our faith for a double portion Ryan LeStrange challenges you to expect double double increase and restoration for your family and future generations Other books by Ryan LeStrange include *Hell's Toxic Trio* *Supernatural Access and Overcoming Spiritual Attack*

The Double-Facing Constitution Jacco Bomhoff, David Dyzenhaus, Thomas Poole, 2020-01-30 Explores how constitutional orders engage with and are shaped by their exteriors

**Fall of the Double Eagle** John R. Schindler, 2015-12 Although southern Poland and western Ukraine are not often thought of in terms of decisive battles in World War I the impulses that precipitated the battle for Galicia in August

1914 and the unprecedented carnage that resulted effectively doomed the Austro Hungarian Empire just six weeks into the war In Fall of the Double Eagle John R Schindler explains how Austria Hungary despite military weakness and the foreseeable ill consequences consciously chose war in that fateful summer of 1914 Through close examination of the Austro Hungarian military especially its elite general staff Schindler shows how even a war that Vienna would likely lose appeared preferable to the foul peace the senior generals loathed After Serbia outgunned the polyglot empire in a humiliating defeat and the offensive into Russian Poland ended in the massacre of more than four hundred thousand Austro Hungarians in just three weeks the empire never recovered While Austria Hungary s ultimate defeat and dissolution were postponed until the autumn of 1918 the late summer of 1914 on the plains and hills of Galicia sealed its fate The Double Fyodor

Dostoevsky,2019-02-08 The Double is a novella by Russian novelist essayist short story writer journalist and philosopher Fyodor Mikhailovich Dostoevsky 1821 1881 His literature famously examines human psychology during the turbulent social spiritual and political atmosphere of 19th century Russia and he is considered one of the greatest psychologists in world literature Originally published in Fatherland Notes The Double was revised and republished by Dostoevsky in 1866 The story revolves around a government employee who begins to encounter someone who looks exactly like him but who possesses a completely dissimilar personality to the weak and introverted main character The narrative deals primarily with the internal psychological struggle of the protagonist as he seemingly descends into madness A prolific writer Dostoevsky produced 11 novels three novellas 17 short stories and numerous other works This volume is not to be missed by fans of Russian literature and constitutes a must read for lovers of Dostoevsky s seminal work Many vintage books such as this are increasingly scarce and expensive We are republishing this volume now in an affordable modern high quality edition complete with a specially commissioned new biography of the author *Shakespeare on the Double! Julius Caesar* William Shakespeare,2006-08-28

But for my own part it was Greek to me Now you can appreciate Julius Caesar in plain English Political intrigue Ambition Envy Conspiracy Hypocrisy Betrayal Assassination Pride Suicide The Ides of March The tides of war Julius Caesar makes today s political scene seem boring If the original text seems Greek or geek to you now you can read and enjoy it in a modern translation that s easy to understand Special aids make following the action and grasping the meaning a snap A brief synopsis of the plot and action A comprehensive character list that describes the characteristics motivations and actions of each major player A visual character map that shows the relationships of major characters A cycle of death graphic that pinpoints the sequence of deaths and includes who dies how they die and why Reflective questions that help you understand the themes of the play Shakespeare on the Double Julius Caesar helps you appreciate this play and the sad oft quoted question Et tu Brute **The Double-dealer** ,1921 British Intelligence in the Second World War: Volume 4, Security and Counter-Intelligence F. H. Hinsley,C. A. G. Simkins,1990-08-31 The first three volumes of the series dealt with the influence of intelligence on strategy and operations Volume 4 analyzes the contribution made by intelligence to the work of the

authorities responsible for countering the threats of subversion sabotage and intelligence gathering by the enemy in the United Kingdom and British territories overseas and neutral countries It describes the evolution of the security intelligence agencies between the wars and the security situation in September 1939 This volume reviews the arguments about security policy regarding enemy aliens Fascists and Communists in the winter of 1939 1940 and during the Fifth Column panic in the summer of 1940 It describes how the security system still at that time inadequately organized and poorly informed was developed into an efficient machine and how with invaluable help from signals intelligence and other sources and by the skillful use of double agents the operation of the enemy intelligence services were effectively countered In conclusion it notes the consistent subservience of the Communist Party to the interests of the USSR and the likely threat to British security

*Homegrown* Piotr M. Szpunar, 2018-04-10 You are either with us or against us is the refrain that captures the spirit of the global war on terror Images of the them implied in this war cry distinct foreign others inundate Americans on hit television shows Hollywood blockbusters and nightly news However in this book Piotr Szpunar tells the story of a fuzzier image the homegrown terrorist a foe that blends into the crowd who Americans are told looks talks and acts like us

**The Double** José Saramago, 2005-10-03 A wonderfully twisted meditation on identity and individuality from a Nobel Prize winning author who pushes fiction to its very limits The Boston Globe As this novel by the author of *Blindness* and *All the Names* begins Tertuliano M ximo Afonso is a divorced depressed history teacher To lift his spirits a colleague suggests he rent a certain video Tertuliano watches the film unimpressed But during the night when he is awakened by noise he finds the VCR replaying the video and watches in astonishment as a man who looks exactly like him or more specifically exactly like he did five years earlier mustachioed and fuller in the face appears on the screen Against his own better judgment Tertuliano decides to pursue his double As he roots out the man s identity what begins as a whimsical chase becomes a probing investigation into what makes us human Can we be reduced to our outward appearance rather than the sum of our experiences The inspiration for the film *Enemy* starring Jake Gyllenhaal and directed by Denis Villeneuve The Double is a timeless novel from a writer John Updike described in The New Yorker as like Faulkner so confident of his resources and ultimate destination that he can bring any impossibility to life by hurling words at it It s tempting to think of The Double as his masterpiece The New York Times Translated from the Portuguese by Margaret Jull Costa

**From the Enemy's Point of View** Eduardo Viveiros de Castro, 2020-05-02 The Arawet are one of the few Amazonian peoples who have maintained their cultural integrity in the face of the destructive forces of European imperialism In this landmark study anthropologist Eduardo Viveiros de Castro explains this phenomenon in terms of Arawet social cosmology and ritual order His analysis of the social and religious life of the Arawet a Tupi Guaraní people of Eastern Amazonia focuses on their concepts of personhood death and divinity Building upon ethnographic description and interpretation Viveiros de Castro addresses the central aspect of the Arawete s concept of divinity consumption showing how its cannibalistic expression differs radically

from traditional representations of other Amazonian societies He situates the Arawet in contemporary anthropology as a people whose vision of the world is complex tragic and dynamic and whose society commands our attention for its extraordinary openness to exteriority and transformation For the Arawet the person is always in transition an outlook expressed in the mythology of their gods whose cannibalistic ways they imitate From the Enemy s Point of View argues that current concepts of society as a discrete bounded entity which maintains a difference between interior and exterior are wholly inappropriate in this and in many other Amazonian societies Ninja, the Invisible Assassins Andrew Adams,1970 Describes the history and philosophy of the Ninja looks at their traditional weapons and tactics and demonstrates stances punches and throws *The Die-Hards in the Great War: Vol. 1* Everard Wyrall,2013-01-21 The Die Hards is the nickname of the Middlesex Regiment earned at the battle of Albuera in the Peninsular War in May 1811 The Regiment was one of five that had four regular battalions before the outbreak of war it also had two Special Reserve battalions 5th and 6th and four Territorial battalions 7th to 10th During the course of the war another thirty nine battalions were formed making the Regiment the second largest along with the King s Liverpool though not all battalions survived to the end of the war twenty four of them went abroad serving on the Western Front Gallipoli Italy Macedonia Mesopotamia India Egypt Palestine Gibraltar and Siberia Losses amounted to 12 720 81 Battle Honours and 5 VCs were awarded The Middlesex were in it right from the start the first soldier of the BEF to be killed was L Cpl Parr 4th Middlesex on 21 August 1914 and the first officer to be killed was from the same battalion Major W H Abell at Mons on 23 August This is not a history that deals with each battalion independently there are too many of them The narrative describes the fortunes of the twenty four active service battalions with very good maps in the various theatres of war though mainly on the Western Front and on every page there is in the margin the date of the action or event being described and the battalion or battalions involved The first volume covers 1914 to the end of 1916 and the second takes up the story from the beginning of 1917 to the armistice including a chapter on operations in Siberia and Murmansk involving the 25th Battalion which didn t get home till September 1919 Speaking of his battalion 25th the CO said One and all behaved like Englishmen the highest eulogy that can be passed upon the conduct of men Sentiments like that expressed today would almost get you clapped in irons There is no Roll of Honour nor list of Honours and Awards There is a very useful appendix listing all the active service battalions with the brigades and divisions to which they were allocated with any subsequent changes and the theatres in which they served **R.U.S.I. ### **The Double Enemy Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The Double Enemy has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The Double Enemy has opened up a world of possibilities. Downloading The Double Enemy provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This

convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The Double Enemy has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The Double Enemy. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The Double Enemy. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The Double Enemy, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The Double Enemy has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
