

# The Elephants Journey

**John Thieme**

## **The Elephants Journey:**

*The Elephant's Journey* José Saramago, 2010-09-08 The Portuguese Nobel Prize winner's delightful posthumous novel recounts the 16th century travels of an Indian elephant from Lisbon to Vienna. The New Yorker In 1551 King João III of Portugal gave Archduke Maximilian an unusual wedding present: an elephant named Solomon. In *The Elephant's Journey* José Saramago imagines Solomon's epic journey by foot across Europe with his Hindu keeper Subhro along for the adventure. Accompanied by the Archduke, his new wife, and the royal guard, these unlikely heroes traverse a continent riven by the Reformation and civil wars. They are witnessed by scholars, historians, and wide-eyed ordinary people as they make their way through the storied cities of northern Italy, brave the Alps, cross the Mediterranean Sea, and at last make their way toward their grand entry into the imperial city. A tale rich in irony and empathy, regularly interrupted by witty reflections on human nature and arch commentary on the powerful who insult human dignity. Los Angeles Times

**The Elephant's Journey** José Saramago, 2010 A tale inspired by a true story follows the adventures of a neglected elephant who is given by King João III of Portugal to Archduke Maximilian as a wedding gift and who travels with the archduke through the war-torn storied cities of 16th century Europe. 50,000 first printing

**Elephant Journey** Rob Laidlaw, 2015-11-23 In 2013, people across North America were riveted by the story of Toka Thika and Iringa, the last three elephants at the zoo in Toronto, Ontario. Lonely for a larger herd, sick from the cold climate, and weak from standing for long days in a too-small concrete enclosure, the elephants desperately needed a change. The zoo and animal activists agreed that they should be moved to a healthier home, but the best option, the Performing Animal Welfare Society (PAWS) sanctuary in distant California, seemed like an impossible dream. In *Elephant Journey*, leading activist and award-winning author Rob Laidlaw unfolds the journey of how that impossible dream was realized. In clear, straightforward prose, he describes the elephants' experiences on the journey of three days and 4,100 kilometers that brought them to the sanctuary at last. Celebrated illustrator Brian Deines' oil paintings, based on actual footage of the trip, provide an intimate window into the experiences of Toka Thika and Iringa as they braved their long road to a new life. Extensive back matter includes an index, photographs, and further information about this miraculous *Elephant Journey*.

**The Elephant's Girl** Celeste Rimington, 2021-08-17 A magical adventure for fans of Katherine Applegate and Jennifer Holm about a girl with a mysterious connection to the elephant who saved her life. An elephant never forgets, but Lexington Willow can't remember her past. Swept away by a tornado as a toddler, she was dropped in a nearby Nebraska zoo where an elephant named Nyah protected her from the storm. With no trace of her family, Lex grew up at the zoo with her foster father Roger, her best friend Fisher, and the wind whispering in her ear. Years later, Nyah sends Lex a telepathic image of the woods outside the zoo. Soon Lex is wrapped up in an adventure involving ghosts, lost treasure, and a puzzle that might be the key to finding her family. Can Lex summon the courage to discover who she really is and why the tornado brought her here all those years ago?

Storying Multipolar Climes of the Himalaya, Andes and Arctic Dan Smyer-Yü, Jelle J.P.

Wouters, 2023-03-23 This book initiates multipolar climate studies of the world's altitudinal and latitudinal highlands with terrestrial experiential and affective approaches Framed in the environmental humanities it is an interdisciplinary comparative study of the mutually embodied relations of climate nature culture and place in the Himalaya Andes and Arctic Innovation driven the book offers multipolar climate case studies through the contributors' historical findings ethnographic documentations and diverse conceptualizations and applications of climate an overlooked but returning notion of place embodied with climate history pattern and changes The multipolar climate case studies in the book are geared toward deeper lively explorations and demonstrations of the translatability interchangeability and complementarity between the notions of climate and climate Multipolar or multipolarity in this book connotes not only the two polar regions and the tectonically shaped highlands of the earth but also diversely debated perspectives of climate studies in the broadest sense Contributors across the twelve chapters come from diverse fields of social and natural sciences and humanities and geographically specialize respectively in the Himalayan Andean and Arctic regions The first comparative study of climate change in altitudinal and latitudinal highlands this will be an important read for students academics and researchers in environmental humanities anthropology climate science indigenous studies and ecology Chapters 8 and 9 of this book are freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com/books/e/10.4324/9781003347026> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**Production, Presentation, and Acceleration of Educational Research: Could Less be More?** Paul Smeyers, Marc Depaepe, 2021-11-01 Is educational research chasing the trends one can observe in big sciences mimicking what happens somewhere else in academia The question in the title of this edited collection took its inspiration from a verse by Goethe: *Wer Grotes will muss sich zusammenraffen* In der Beschränkung zeigt sich erst der Meister Such confinement or limitation that may show mastery does not characterize at all the present state of the educational research publication scene Instead there have never been more of such publications which follow each other with an increasing speed It may therefore be interesting to delve into the reasons of this development that is characteristic of what is published in this field as in many or almost all fields of scholarly work The chapters in this collection address aspects of the representation dissemination and reception and the production and acceleration of educational research An international group of scholars philosophers and historians of education address questions such as Why publish The lust for academic fame Why educational historiography is not an unnecessary luxury and Ways of knowing The twelve chapters are preceded by an introduction where issues of plurality and diversity in the study of education are at centre stage and followed by an Epilogue written by the Editors of the Springer Series Educational Research Paul Smeyers and Marc Depaepe offer some final reflections after a journey of two decades that took them and the colleagues participating in the Research Community from 1999 till 2018 floating on the current of the Zeitgeist that carried the Discipline of Education They claim finally that mastery in the study of education requires restraint

**Elephants in the**

**Hourglass** Kim Frank, 2025-01-07 A moving and adventure filled tale of one woman's quest for the truth about endangered Asian elephants and their evolving relationship with humans. Delving deep into an intricate web of unlikely heroes, power struggles, and living legends, *Elephants in the Hourglass* takes readers on an extraordinary journey of discovery. In her non-fiction debut, Kim Frank blends personal narrative, vivid descriptions, and meticulous research as she illuminates the ways we seek to survive on our rapidly changing planet. Like Jane Goodall or Dian Fossey before her, Kim is a female explorer who found her life completely changed as she was drawn deeper and deeper into the plight of the remarkable Asian elephant. For Kim, once she learned about the intense, multi-faceted but little-known conflict between humans and elephants in North India, she was unable to rest until she had learned more and told this story to the outside world. This was a place and topic totally unknown to her. Up until that point, Kim was an ordinary mom and emerging writer. After a fraught divorce, she felt a need to recapture her own voice and expand her world, and so she set out to the Himalaya with the goal of telling a story worthy of National Geographic. What Kim experienced would change her life. It is far from a black and white story where the good guys and bad guys are immediately obvious. Not in this world of displaced habitats, exploding population growth, migration, and climate change. Filled with unforgettable characters and encounters with one of the most sensitive, intelligent, and awe-inspiring creatures on the planet, *Elephants in the Hourglass* will inspire readers to pursue their goals and be a force for change in unexpected places.

**Death and Compassion** Dan Wylie, 2018-10-01 Traces the literary history of the elephant and its role in South Africa's cultural imaginary. Elephants are in dire straits again. They were virtually extirpated from much of Africa by European hunters in the eighteenth and nineteenth centuries, but their numbers resurged for a while in the heyday of late colonial conservation efforts in the twentieth. Now, according to one estimate, an elephant is being killed every 15 minutes. This is at the same time that the reasons for being especially compassionate and protective towards elephants are now so well known that they have become almost a cliché: their high intelligence, rich emotional lives, including a capacity for mourning, caring, matriarchal societal structures, that strangely charismatic grace. Saving elephants is one of the iconic conservation struggles of our time. As a society, we must aspire to understand how and why people develop compassion or fail to do so, and what stories we tell ourselves about animals that reveal the relationship between ourselves and animals. This book is the first study to probe the primary features and possible effects of some major literary genres as they pertain to elephants south of the Zambezi over three centuries: indigenous forms, early European travelogues, hunting accounts, novels, game ranger memoirs, scientists' accounts, and poems. It examines what these literatures imply about the various and diverse attitudes towards elephants, about who shows compassion towards them, in what ways, and why. It is the story of a developing contestation between death and compassion, between those who kill and those who love and protect.

**A Responsibility to the World: Saramago, Politics, Philosophy** Burghard Baltrusch, Carlo Salzani, Kristof K. P. Vanhoutte, 2023-11-22 In a 1987 interview, Jos Saramago eloquently expressed what could be considered his political philosophical manifesto: Human

beings should not content themselves with the role of mere observers. They bear a responsibility to the world they must actively engage and intervene. In 1998 the celebrated writer was honoured with the Nobel Prize for Literature. So Saramago did not only as a human being and a citizen but also as an artist refuse to be a passive observer. Despite his profound and always critical pessimism he tirelessly propelled both his public and artistic persona toward impactful actions and interventions showcasing an unwavering dedication to reshaping the world. This volume seeks to delve into this facet of his legacy exploring it from diverse political and philosophical perspectives. *Entertaining Elephants* Susan Nance, 2013-03-27

How the lives and labors of nineteenth century circus elephants shaped the entertainment industry. Consider the career of an enduring if controversial icon of American entertainment the genial circus elephant. In *Entertaining Elephants* Susan Nance examines elephant behavior drawing on the scientific literature of animal cognition learning and communications to offer a study of elephants as actors rather than objects in American circus entertainment between 1800 and 1940. By developing a deeper understanding of animal behavior Nance asserts we can more fully explain the common history of all species. *Entertaining Elephants* is the first account that uses research on animal welfare health and cognition to interpret the historical record examining how both circus people and elephants struggled behind the scenes to meet the profit necessities of the entertainment business. The book does not claim that elephants understood endorsed or resisted the world of show business as a human cultural or business practice but it does speak of elephants rejecting the conditions of their experience. They lived in a kind of parallel reality in the circus one that was defined by their interactions with people other elephants horses bull hooks hay and the weather. Nance's study informs and complicates contemporary debates over human interactions with animals in entertainment and beyond questioning the idea of human control over animals and people's claims to speak for them. As sentient beings these elephants exercised agency but they had no way of understanding the human cultures that created their captivity and they obviously had no claim on human social and political power. They often lived lives of apparent desperation. *Elephant Company* Vicki Croke, 2015-04-14 NEW YORK TIMES BESTSELLER A NEW YORK TIMES NOTABLE BOOK

The remarkable story of James Howard Billy Williams whose uncanny rapport with the world's largest land animals transformed him from a carefree young man into the charismatic war hero known as Elephant Bill. In 1920 Billy Williams came to colonial Burma as a forest man for a British teak company. Mesmerized by the intelligence and character of the great animals who hauled logs through the jungle he became a gifted elephant wallah. In *Elephant Company* Vicki Constantine Croke chronicles Williams's growing love for elephants as the animals provide him lessons in courage trust and gratitude. *Elephant Company* is also a tale of war and daring. When Japanese forces invaded Burma in 1942 Williams joined the elite British Force 136 and operated behind enemy lines. His war elephants carried supplies helped build bridges and transported the sick and elderly over treacherous mountain terrain. As the occupying authorities put a price on his head Williams and his elephants faced their most perilous test. *Elephant Company* cornered by the enemy attempted a desperate

escape a risky trek over the mountainous border to India with a bedraggled group of refugees in tow Part biography part war epic Elephant Company is an inspirational narrative that illuminates a little known chapter in the annals of wartime heroism Praise for Elephant Company This book is about far more than just the war or even elephants This is the story of friendship loyalty and breathtaking bravery that transcends species Elephant Company is nothing less than a sweeping tale masterfully written Sara Gruen The New York Times Book Review Splendid Blending biography history and wildlife biology Vicki Constantine Croke s story is an often moving account of Billy Williams who earned the sobriquet Elephant Bill and his unusual bond with the largest land mammals on earth The Boston Globe Some of the biggest heroes of World War II were even bigger than you thought You may never call the lion the king of the jungle again New York Post Vicki Constantine Croke delivers an exciting tale of this elephant whisperer cum war hero while beautifully reminding us of the enduring bonds between animals and humans Mitchell Zuckoff author of Lost in Shangri La and Frozen in Time Jumbos and Jumping Devils Nisha P.R.,2020-06-12 Jumbos and Jumping Devils is a pioneering exploration of the social history of circus in India over the last 150 years It presents a wide variety of amazing tales ranging from the blooming and evolution of circus acrobatics in early twentieth century Malabar to the sensational legal battles following the ban of wild animals and children from the circus ring in the twenty first century Alongside extensive fieldwork and interviews the author has used memorabilia including photographs notices posters letters diaries unpublished autobiographies private papers and recollections of the circus community to chronicle the hitherto untold story of the Indian circus The book paves the way for a new sociocultural analysis of performance genres and popular culture in the subcontinent against several overlapping contexts These include the remaking of caste and gender identities transformation of physical cultures and bodies interventions of the colonial and postcolonial states and emergence of new transregional and transnational spaces

*Elephants: Love and Labour* Pasquale De Marco,2025-04-19 Elephants are one of the most intelligent and social animals on the planet They have a complex social structure a rich emotional life and a deep spiritual connection to their environment In this book we will explore the many facets of elephants from their cognitive abilities to their role in human culture We will learn about the challenges they face in the wild and the threats they face from humans We will also explore the ways in which we can help elephants and ensure their survival This book is a comprehensive guide to elephants covering everything from their biology and behavior to their history and cultural significance It is a must read for anyone who loves elephants or who wants to learn more about these amazing creatures In this book you will learn about The cognitive abilities of elephants The social structure of elephants The emotional life of elephants The role of elephants in human culture The challenges facing elephants The ways in which we can help elephants This book is written in a clear and concise style and it is packed with beautiful photographs and illustrations It is a valuable resource for anyone who wants to learn more about elephants Elephants are facing a number of challenges including habitat loss poaching and climate change If we do not take action to

protect elephants they could disappear from the wild within a few generations This book is a call to action We must all work together to protect elephants and ensure their survival We must educate ourselves about the challenges they face and we must support organizations that are working to protect them We must also change our own behavior We must reduce our consumption of resources and we must choose products that are not made from elephant ivory We must also support sustainable tourism that does not harm elephants By taking these actions we can help to ensure that elephants will continue to roam the earth for generations to come If you like this book write a review on google books **Ramblings of a**

**Simpleton** S. V. Prabhath,2013-03 Ramblings of a Simpleton is a collection of narratives that represents author Dr S V Prabhath s attempts to pen down a few of his various experiences observations and anecdotes from his journey of life Some sections deal with workday experiences others with episodes from the author s personal life while others are recollections of younger days While the book has some philosophical reflections balancing light musings on the commonplace with occasional forays into the darker recesses of the unconscious it is meant only for light reading Unlike many books of a similar philosophical bent Ramblings of a Simpleton is intended to elicit smiles and occasional chuckles as much as an odd moment of reflection or inward contemplation The narratives in the book are grouped into six sections forming a melting pot of memoirs that attempt to depict the rainbow of emotions that profile the author s life The author draws upon his diverse background in various fields of research teaching publishing and world travel to present the reader with a colorful palette of experiences and anecdotes that are amusing and also enlightening Possessing what he describes as a wholesome academic background author Dr S V Prabhath is a scholar a man of letters and a contributor to various journals and publications Along the route of his well travelled life he has edited numerous books including Gandhi Today and Youth and Rural India On the front cover is a picture of his father who is in his 90s The book s title Ramblings of a Simpleton is aptly epitomized by his photograph which captures him in a contemplative mood on a Sunday evening Publisher s website <http://sbpra.com/SVPrabhat>

A Big Elephant Has Been Killed Yaw O. Agyeman,2003-03-16 A Big Elephant Has Been Killed is a deeply moving and gripping narrative that interweaves stories of ordinary friendships and love s lost promises with a discussion of society and politics in contemporary Ghana Although Ghana provides the setting the novel foregrounds a range of issues relevant to Africa and the black Diaspora as a whole Badly disillusioned from their years of youthful idealism a group of friends clings with fleeting solace to their vision for their country through their discussions on poverty pan Africanism underdevelopment religious identity social revolution and Africa s relationship with the West But the challenges of their daily existence compel them to question the ethics and relevance of their idealism and eventually lead to the desperate decision to steal from the Big Elephant in the penultimate gamble to empower themselves as agents of social transformation Animal Adventures: Tales from Around the World Pasquale De Marco,2025-05-12 Animal Adventures Tales from Around the World is a celebration of the animal kingdom This beautifully illustrated book takes readers on a journey around the world to discover the amazing

diversity of animals that share our planet From the tiny insects that live in the rainforest canopy to the giant whales that swim in the ocean depths animals have adapted to live in every corner of the globe They have developed unique physical and behavioral characteristics that help them survive in their environments In this book readers will learn about the different habitats where animals live the food they eat and the ways they communicate They will also discover the important role that animals play in our lives Animals have been a part of human history for thousands of years They have been our companions our food and our transportation They have also been a source of inspiration for art literature and music Today animals face many challenges Habitat loss pollution and climate change are all threats to their survival We must work together to protect animals and their habitats so that they can continue to thrive for generations to come Animal Adventures Tales from Around the World is a must have for anyone who loves animals It is a beautiful and informative book that will inspire readers of all ages If you like this book write a review on google books

**Design and Rhetoric in a Sanskrit Court Epic** Indira Viswanathan Peterson, 2012-02-01 Indira Viswanathan Peterson provides an introduction to the Sanskrit court epic mah k vya an important genre in classical Indian poetry and the first study of a celebrated sixth century poem the Kir t rjun ya Arjuna and the Hunter of Bh ravi Sanskrit court epics are shown to be characterized both by formalism and a deep engagement with enduring Indian values The Kir t rjun ya is the earliest literary treatment of the narrative of the Pandava hero Arjuna s combat with the great god iva a seminal episode in the war epic Mah bh rata Through a close analysis of the structural strategies of Bh ravi s poem the author illuminates the aesthetic of the mah k vya genre Peterson demonstrates that the classical poet uses figurative language rhetorical devices and structural design as the primary instruments for advancing his argument the reconciliation of heroic action ascetic self control social duty and devotion to God Her discussion of the Kir t rjun ya in relation to its historical setting and to renderings of this epic episode in literary texts and temple sculpture of later periods reveals the existence of complex transactions in Indian civilization between the discourses of heroic epic and court poetry political ideologies and devotional religion Sanskrit and the regional languages and classical and folk traditions Selections from the Kir t rjun ya are presented in poetic translation

**Postcolonial Literary Geographies** John Thieme, 2016-06-10 This book examines how ideas about place and space have been transformed in recent decades It offers a unique understanding of the ways in which postcolonial writers have contested views of place as fixed and unchanging and are remapping conceptions of world geography with chapters on cartography botany and gardens spice ecologies animals and zoos and cities as well as reference to the importance of archaeology and travel in such debates Writers whose work receives detailed attention include Amitav Ghosh Derek Walcott Jamaica Kincaid Salman Rushdie Michael Ondaatje and Robert Kroetsch Challenging both older colonial and more recent global constructions of place the book argues for an environmental politics that is attentive to the concerns of disadvantaged peoples animal rights and ecological issues Its range and insights make it essential reading for anyone interested in the changing physical and human geography of the

### **The Elephants Journey Introduction**

The Elephants Journey Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. The Elephants Journey Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. The Elephants Journey : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for The Elephants Journey : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks The Elephants Journey Offers a diverse range of free eBooks across various genres. The Elephants Journey Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. The Elephants Journey Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific The Elephants Journey, especially related to The Elephants Journey, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to The Elephants Journey, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some The Elephants Journey books or magazines might include. Look for these in online stores or libraries. Remember that while The Elephants Journey, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow The Elephants Journey eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain

books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the The Elephants Journey full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of The Elephants Journey eBooks, including some popular titles.

### **FAQs About The Elephants Journey Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Elephants Journey is one of the best book in our library for free trial. We provide copy of The Elephants Journey in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Elephants Journey. Where to download The Elephants Journey online for free? Are you looking for The Elephants Journey PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another The Elephants Journey. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of The Elephants Journey are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with The Elephants Journey. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access

completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with The Elephants Journey To get started finding The Elephants Journey, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with The Elephants Journey So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading The Elephants Journey. Maybe you have knowledge that, people have search numerous times for their favorite readings like this The Elephants Journey, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. The Elephants Journey is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, The Elephants Journey is universally compatible with any devices to read.
