The Enigma Of The Resurrection Of Jesus:

The Enigma of the Resurrection of Jesus Kiatezua Lubanzadio Luyaluka, 2021-03-04 Starting from a demonstration based on the biblical exegete but also on the rich African traditional spiritual culture especially the Kongo one this book places the resurrection of the Nazarene Master in its real and normal context by establishing its particularity and what in it is a natural phenomenon that awaits every man and woman holy as sinner The Bible gives us a lot of evidences of people who have risen like Jesus and assures us that this phenomenon will continue to occur because it is the corollary of the very eternity of life The author reveals a whole section of Jesus teaching that has been hitherto hidden by scholastic theology the resurrection in the hereafter Speaking of this doctrine Paul writes if the dead rise not then is not Christ raised I Corinthians 15 16 *Easter Enigma* John Wenham, 2005-05-03 As Dr Wenham states early in his introduction The story of Jesus resurrection is told by five different writers whose accounts differ from each other to an astonishing degree Wenham begins by setting the scene of Jerusalem and its environs going on to describe the main actors in the events with particular attention to Mary Magdalene and the five writers themselves and then examining in detail all the biblical narratives from Good Friday through Easter Day to the Ascension He concludes that the various accounts as they stand can be satisfactorily reconciled to provide a trustworthy record for the church Valuable appendices elucidate Wenham's response to the technicalities of gospel criticism

Easter Enigma Wenham John, 2010-04-07 As Dr Wenham states early in his introduction The story of Jesus resurrection is told by five different writers whose accounts differ from each other to an astonishing degree Wenham begins by setting the scene of Jerusalem and its environs going on to describe the main actors in the events with particular attention to Mary Magdalene and the five writers themselves and then examining in detail all the biblical narratives from Good Friday through Easter Day to the Ascension He concludes that the various accounts as they stand can be satisfactorily reconciled to provide a trustworthy record for the church Valuable appendices elucidate Wenham's response to the technicalities of gospel criticism

Dictionary of Jesus and the Gospels Joel B. Green, Scot McKnight, I. Howard Marshall, 1992-02-18 Edited by Joel B Green Scot McKnight and I Howard Marshall this reference work encompasses everything relating to Jesus and the Gospels

How To Read T. F. Torrance Elmer M. Colyer, 2007-12-01 Thomas F Torrance is regarded as one of the foremost Reformed theologians of the second half of the twentieth century He taught for thirty years at New College University of Edinburgh Scotland until his retirement in 1979 He has written extensively contributing more than twenty major works of theology and hundreds of articles in a variety of languages In this book Elmer Colyer provides access to Torrance's voluminous writings Demonstrating the profoundly trinitarian and evangelical spirit of Torrance's theology Colyer also captures his concern to formulate a renewed theological method in the tradition of Athanasius Colyer helps us see how in Torrance's view and practice a truly scientific approach must be godly in order to be accurate and faithful *Visions of Jesus* Phillip H. Wiebe, 1998-11-05 Ernie Hollands a career criminal said Christ appeared to him in his cell in Millhaven

Penitentiary Maria Martinez saw Jesus at a busy intersection in Miami Florida Rose Fairs was lying in bed one morning when the Venetian blinds opened and the head of Jesus materialized before her Were these people only imagining a figure that seemed life like or is there a chance that what they saw was in some way real This first critical study of contemporary visions of Jesus offers the intriguing accounts of thirty people most of them ordinary men and women without prior or subsequent experiences of this kind who remain mystified about their encounters Wiebe recounts each vision in vivid detail exploring why these individuals believe their visions were of Jesus and why they typically believe them to be objective happenings rather than hallucinations or dreams He regards the occurrences from perspectives as diverse as biblical scholarship and parapsychology concluding that they may well represent genuine religious experiences of a mystical character The fascinating nature of these visions and Wiebe s thoughtful evenhanded approach to each report add up to a book that will be provocative reading for skeptics and the faithful alike **Thomas F. Torrance** Paul D. Molnar,2016-02-17 This book

provides an important study of the theology of Thomas F Torrance who is generally considered to have been one of the most significant theologians writing in English during the twentieth century with a view toward showing how his theological method and all his major doctrinal views were shaped by his understanding of the doctrine of the Trinity Torrance pursued a theology that was realist because he attempted to think in accordance with the unique nature of the object that is known In holding to such a methodology he drew an analogy between theology and natural science This book demonstrates how for Torrance God relates with humanity within time and space so that creation finds its meaning in relation to God and not in itself this enabled him to avoid many theological pitfalls such as agnosticism subjectivism and dualism while explaining the positive implications of various Christian doctrines in a penetrating and compelling manner This book offers an important resource for students of theology and for scholars who are interested in seeing how serious dogmatic theology shapes and should shape our understanding of the Christian life *Apologetic Lectures on the Fundamental Truths of Christianity*

Christoph Ernst Luthardt,1879 *Religious Pamphlets* ,1903

Historical and Linguistic Studies in Literature

Related to the New Testament University of Chicago,1909

Christ and Culture Graham Ward,2015-11-04

Leading theologian Graham Ward presents a stimulating series of reflections on Christ and contemporary culture Takes as its starting point Niebuhr s famous volume on Christ and Culture published in the 1970s Explores representations of Christ from sources as diverse as the New Testament and twentieth century continental philosophy Considers Christ and culture in the light of contemporary categories such as the body gender desire politics and the sublime Develops an original and imaginative Christology rooted in Scriptural exegesis and concerned with today s cultural issues The author has been described as the most visionary theologian of his generation **Election, Atonement, and the Holy Spirit** Matthias Grebe,2014-11-06 This book examines the doctrines of election and atonement in Karl Barth s Church Dogmatics taking up Barth s own challenge to his reader to surpass his argument and offer a better typological interpretation of the cultic texts Barth s radical re working

of Calvin's doctrine of election is one of the most important developments in twentieth century theology Christ synthesizes for Barth a particular dialectic the binary structure of God's Yes of election and God's No of rejection The book's central question how can Jesus simultaneously be both the elected and the rejected CD II 2 acting as both the judge and the judged CD IV 1 is followed by an exploration of the roles of the Holy Spirit and human freedom in God's electing and saving action Commentators both acknowledge Barth's innovation in this area and identify problems with his approach but few have offered what David Ford has called a correction from within Barth using Barth's own method Using the concept of *Existenzstellvertretung* this critique of Barth's exegetical justification for the doctrines offers an alternative exegesis that not only provides this much needed correction but also immerses the reader in a fresh engagement with Scripture itself

Dionysus, Christ, and the Death of God, Volume 2 Giuseppe Fornari, 2020-09-01 This magisterial reflection on the history and destiny of the West compares Greco Roman civilization and the Judeo Christian tradition in order to understand what both unites and divides them Mediation understood as a collective symbolic experience gives society unity and meaning putting human beings in contact with a universal object known as the world or reality But unity has a price the very force that enables peaceful coexistence also makes us prone to conflict As a result in order to find a common point of convergence of at one ment someone must be sacrificed Sacrifice then is the historical pillar of mediation It was endorsed in a cosmic religious sense in antiquity and rejected for ethical reasons in modernity where the Judeo Christian tradition plays an intermediate role in condemning sacrificial violence as such while accepting sacrifice as a voluntary act offered to save other human beings Today as we face the collapse of all shared mediations this intermediating solution offers a way out of our moral and cultural plight

The Historical Jesus of the Gospels Craig S. Keener, 2009-11-03 The earliest substantive sources available for historical Jesus research are in the Gospels themselves when interpreted in their early Jewish setting their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars So argues Craig Keener in *The Historical Jesus of the Gospels* In exploring the depth and riches of the material found in the Synoptic Gospels Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others but a much wider range of material in the Jesus tradition makes sense in an ancient Jewish setting Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history

Imitating Jesus Richard A. Burridge, 2007-10-22 In contrast to many studies of New Testament ethics which treat the New Testament in general and Paul in particular this book focuses on the person of Jesus himself Richard Burridge maintains that imitating Jesus means following both his words which are very demanding ethical teachings and his deeds and example of being inclusive and accepting of everyone Burridge carefully and systematically traces that combination of rigorous ethical instruction and inclusive community through the letters of Paul and the four Gospels treating specific ethical issues pertaining to each part of Scripture The book culminates with a chapter on apartheid as an ethical

challenge to reading the New Testament using South Africa as a contemporary case study enables Burridge to highlight and further apply his previous discussion and conclusions **The Life of the Lord Jesus Christ** J. P. Lange, 2023-04-14 Reprint of the original first published in 1872 The publishing house Anatiposi publishes historical books as reprints Due to their age these books may have missing pages or inferior quality Our aim is to preserve these books and make them available to the public so that they do not get lost **The life of the Lord Jesus Christ, a complete critical examination of the Gospels, tr. (by S. Taylor [and others]) ed. by M. Dods** Johann Peter Lange, 1864 **Apologetic Lectures on the Fundamental Truths of Christianity** Ernst Luthardt, 2023-07-19 Reprint of the original first published in 1873 The Life of Christ Emile Le Camus, 1907 **Historical Evidence of the New Testament** Shadrach Laycock Bowman, 1908

Right here, we have countless books **The Enigma Of The Resurrection Of Jesus** and collections to check out.
